A decision was rendered in the supreme court of Nebraska last week in the case of Catherine M. O'Connor et al vs Ada M. L. Petty et al, which was appealed from Dakota county, and wherein suit had been brought to quiet title to land-lying between the abandoned channel of the Missouri river and the present channel. The lower court had ruled in favor of the plaintiff, O'Connor. The supreme court reversed the decision and dismissed the case, holding that it had no jurisdiction, the land in question being in Woodbury county, Iowa, and not accretion to the land claimed by the plaintiff. The land in question lies about four miles south of Dakota City, and was formed when the river made a sudden change into Iowa territory, cutting through a large sandbar.

HIGH SCHOOL NOTES

Orville Palmer is in school after a siege with the mumps.

All the teachers attended the North-west Iowa Teachers' Association at Sioux City, Friday, school being dismissed in all grades.

Rotation of crops and balanced rotations are taking the attention of the Agriculture class.

Miss Sutherland, a former teacher of the city schools and now of Akron, Ia., was a visitor in the different grades Thursday.

The coming of the robins and other signs of spring are the subjects of study in the primary room this week.

The Senior Class Play has been selected and parts will be assigned this week.

Dakota City high school won the first ball game of the season from the Homer high school, score, 1 to 0. A card from Stunt Desmet says, "It was the finest high school game I ever saw, and your boys deputed themselves fine." The last part of this statement means as much to the team as the winning of the game. Ray Heikes pitched a star game, allowing but one hit, and Dewey Heikes caught his first game for the high school like a veteran, not a man stealing second. Ed Annes made the hit that resulted in the winning run. Every man played his position in first class form. The next game will probably be played in Dakota City Friday afternoon and we hope for good patronage. Come out and boost for the best high school ball team Dakota City ever had. The lineup Friday was as follows:

R. Heikes, P. S. Heikes, C. B. D. Heikes, C. Remm, L. F. Giese, I. B. Neiswanger, C. F. Evans, B. Annes, R. F. Best, S. S.

Tuesday afternoon the school was treated to an interesting talk by E. A. Cleasby of Portage, Wis., a representative of the U. S. Dept. of Agriculture. His subject was "Preservation of Bird Life" and he held the interest of all, as the subject really concerns everyone. His explanation of the new Federal Migratory bird law was very instructive and puts the matter in a new light. We wish all the people of Dakota City could have had the opportunity of hearing him.

It is reported that Dakota City is to have a newspaper to be edited by Father Martin. Yeomen Install Officers. The Brotherhood of Yeomen lodge met on Friday, April 3, and completed the local organization. The officers are: Foreman—John B. Leech. Master of Ceremonies—Agnes Hartman. Lily, state manager of Nebraska. A good time was enjoyed until a late hour. The regular meeting night is in charge of a committee who will decide the time and place. The Homestead will meet at least once each month.
