FOR THE BLOOD

Our little girl when but three weeks old broke out with eczema. We tried the prescription from several good doctors, but without any special benefit. We tried S. S. S., and by the time one bottle was gone, her head began to heal, and by the time she had taken six bottles she was completely cured. Now she has a full and heavy head of hair—a robust healthy child. I feel it but my duty to make this statement. H. T. SHORE, Rich Hill, Mo.
