A WONDERFUL INVENTION.

It is interesting to note that fortunes are frequently made by the invention of articles of minor importance. Many of the more popular devices are those designed to benefit people and meet popular conditions, and one of the most interesting of these thathas ever been invented is thd Dr. White Electric Comb, patented Jan. 1, '99 These wonderful Combs positively cure dandruff, hair falling out, sick and nervous headaches, and when used with Dr. White's Electric Hair Brush are positively guaranteed to make straight hair curly in 25 days time. Thousands of these electric combs have been sold in the various cities of the Union, and the demand is constantly increasing. Our agents are rapidly becoming rich selling these combs. They positively sell on sight. Send for sample. Men's size 35c, ladies' 50c — (half price while we are introducing them.) The Dr. White The Dr. White Electric Comb Co., Decatur, Ill.
