GRATEFUL—COMFORTING.

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected cocoa, Mr Epps has provided our breakfast tables with delicately flavored beverage which may save many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

Made simply with boiling water or milk. Sold in tins only (½-lb and lb) labeled

D.r HARTER'S IRON TONIC.

A combination of Protoxide of Iron, Peruvian Bark and Phosphorus in a palatable form. The only preparation of iron that will not blacken the teeth, so characteristic of other iron preparations.

GENTLEMEN: In my practice of 28 years in medicine, I have found nothing to give the results that Dr. HARTER'S IRON TONIC does. In cases of Nervous Prostration, Female Diseases, Dyspepsia, and impoverished condition of the blood, this peerless remedy has, in my hands, made some wonderful cures. Cases that have baffled some of our most eminent physicians have yielded to this great and incomparable remedy. I prescribe it in preference to any iron preparation made. In fact, such a compound as DR. HARTER'S IRON TONIC is a necessity in my practice. DR. ROBERT SAMUELS, 3104 Wash Ave., St. Louis, Mo., Nov. 26th, 1881.

It gives color to the blood, natural healthful tone to the digestive organs and nervous system, making it applicable to General Debility, Loss of Appetite, Prostration of Vital Powers and Impotence.

MANUFACTURED BY THE DR. HARTER MEDICINE CO., 213 N. MAIN ST., ST. LOUIS.

THE MEDART

PATENT WROUGHT RIM PULLEYS.

E. M. MAXWELL, FREMONT, NEB.,

EXCLUSIVE AGENT FOR THIS STATE.

The following advantages are claimed for this Pulley: IT IS STRONGER and more durable, owing: 1. To the absence of shrinkage strains. 2. To the increased number of arms. 3. To the fact that the rim is much stronger than the cast rim. IT IS BETTER BALANCED. IT IS MUCH LIGHTER. IT SAVES BELTING. IT IS CHEAPER. There is no danger of breakage in handling when shipped loose. When shipped loose they are generally accepted as third-class freight instead of first-class, and as the weight is only one-half that of cast Pulleys the freight is still further reduced. WE GUARANTEE THEM to perform satisfactorily any work from the lightest to the heaviest.

SPLIT PULLEYS from 12 to 48 inches diameter only.

Pulleys of wider face than 18-inch are provided with two sets arms without extra charge.

We supply each Pulley with two set-screws without extra charge.

—ALSO—

Agent for Patent Hot Polished Shafting

OUR CLAIMS.

What we claim for our PATENT HOT POLISHED SHAFTING is:

1st. That it is round and straight.

2d. It can be accurately rolled to any desired gauge.

3d. That its surface being composed of magnetic oxide of iron obviates any undue tendency to rust or tarnish, while it at the same time gives one of the best journal or bearing surfaces ever discovered.

4th. That it will not warp or spring in key seating.

5th. That it is made of the very best of refined stock.
