MARRIAGE GUIDE. Being a private instructor for married persons or those about to be married, both male and female, in everything concerning the physiology and relations of our sexual system, and the production or prevention of offspring, including all the new discoveries never before given in the English language, by **WM. YOUNG, M. D.** This is really a valuable and interesting work. It is written in plain language for the general reader, and is illustrated with numerous Engravings. All young married people, or those contemplating marriage, and having the least impediment to married life, should read this book. It discloses secrets that every one should be acquainted with; still it is a book that must be locked up, and not lie about the house. It will be sent to any one on the receipt of twenty-five cents, in specie or postage stamps. Address

DR. WM. YOUNG,

No. 416 Spruce street, above 4th Philadelphia.

☞ **Afflicted and Unfortunate.**—No matter what may be your disease, before you place yourself under the care of any one of the notorious **Quacks**—native or foreign—who advertise in this or any other paper, get a copy of either of Dr. Young's Books and read it carefully. It will be the means of saving you many a dollar, your health, and possibly your life.

Dr. Young can be consulted on any of the diseases described in his publications, at his Office, No. 416 Spruce street, above Fourth. sept8-tf

BY ROB. J. CULVERWELL, M. D.,

The important fact that the awful consequences of self-abuse may be effectually removed without internal medicines or the dangerous applications of caustics, instruments, medicated bougies, and other empirical devises, is here clearly demonstrated, and the entirely new and highly successful treatment, as adopted by the celebrated author fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day. This Lecture will prove a boon to thousands and thousands.
