of the

JUDGES IN HOROLOGY.

In consideration of the facts developed in this examination, and the preponderance of elements of inherent and comparative merit adjudged by the judges (each in independent judgment) being equal to 70 per cent more than the next highest exhibit, they have found it exceedingly difficult to make such a classification in degree as will

GIVE EVEN-HANDED JUSTICE TO ALL

WE ADJUDGE TO THE

AMERICAN WATCH COMPANY,

OF WALTHAM,

Massachusetts, U. S. A.

A first-class award and such other special distinction diploma, medal, or award as is consistent with the duties and obligations of the honorable Sydney International Commission, for the largest and most complete exhibit of horological instruments examined.

They also propose, as the only means by which their appreciation of the merits of the productions of this company can be adequately or equitably recognized by the committee on Judging and Awards, that a separate first-class award be given for the time-keeping qualities of all grades of these watches.

Also, a separate first-class award for the perfection of this system of watchmaking and the improvements in the mechanical parts of the watch, being notably in the mainspring and going-barrel, the patent safety pinion the perfect epicyloidal form of all the teeth of the train in every grade of watch alike, and the isochronal adjustment of the balance-spring.

Also, a first-class award for new mode of compensating balances.

Also, a separate first-class award for the improvements in mass, the number of article forms and designs used, the beauty and elegance of their finish, and for their new and indestructible method of enameling.

Also to Charles W. Woerd, mechanical superintendent American Watch Company, Waltham, Mass. U. S. A.

The following is the order of awards made by Sydney International Exhibition Commission to the American Watch Company, of Waltham, Mass:

Gold and Silver Watches—**First degree of merit and special mention: Gold Medal.**

Timekeeping qualities of all grades of Watches—**First degree of merit.**

Perfection in System—**First degree of merit.**
