"Vacant Lot Committee" Out at Work for a More Beautiful and a Cleaner Honolulu.

[illegible]

"Work can well, kindly air and gentle sloping sunshine, nature has been bountiful to Honolulu. Second to no other interest in its great importance to its well stands the urgent need of more stringent sanitary regulation. I desire to call your attention to the offensive condition of the government dishwasher at the foot of Alakea street. This place with little or no expense should be made a beauty spot.

"The scope of your work is so broad that it can not be fully indicated at this time but it is proper to arouse an intelligent interest and to enlist the sympathetic interest of all our citizens. Local politics have no place in this work nor should there be any distinction between rich or poor.

"None of these suggestions have been made with any intention of infringing upon the duties of our public officers, but rather to assist their work for the city's good."

COMMENCE DRAWING OF PUBLIC LANDS

Homestead drawings commenced yesterday in the throne room of the capitol when the slips bearing the names of the applicants for the North and South Kohala lands were drawn. None of the applicants were present, Treasurer Conkling and two janitors being the only men who happened to be around to act as witnesses. Forty-three names for over fifty pieces of land were all that were in the box. Drawings for other districts will continue day by day until all have been covered. The program is as follows:

A WORD TO MOTHERS

DOES YOUR DAUGHTER NEED MORE STRENGTH?

This Tonic Treatment Solves One of the Most Puzzling Problems for Parents of Girls in Their 'Teens.

A growing girl who is confined within doors too much of the time, who overworks, overstudies or is depressed by grief or care, needs the tonic treatment if she would avoid injury to her health which will mar her whole life.

Pale Blood is her proper tonic the patient should have nourishing and easily digested food, pure air and sunshine, rest and sleep. Parents whose daughters grow depressed as they enter their 'teens should not wait to them note and droop but should ensure their healthful womanhood by the treatment which is endorsed in the following statement from Miss Frances E. Rockey of No. 1026 E. Evans avenue, Pueblo, Colo. Miss Rockey says:

"I suffered from weakness for nearly a year when I was changing from girlhood to womanhood. I became all run down in health and had but very little blood. I did not have any strength and could hardly drag around. There seemed to be no life in me. Every month I passed through intense suffering. I had dizzy and vomiting spells and constant headaches. I was obliged to give up my work for a time.

"I took medicine from a doctor but without relief. Through a friend's advice I gave Dr. Williams' Pink Pills a trial and was completely cured. I am well now and have had no return of my trouble. My mother has since used the pills as a tonic and thinks as highly of them as I do."

Dr. Williams' Pink Pills are guaranteed to be safe and harmless to the most delicate constitution. They contain no morphine, opiate, narcotic, or anything to cause a drug habit. Owing to their blood-building property they are invaluable in the treatment of such diseases as anæmia, green sickness, rheumatism, and the after-effects of fevers.

A new edition of our booklet, "Diseases of the Blood," giving more information about the treatment will be sent free on request to anyone interested.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for $2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.
