Cephalic Pills

CURE Sick Headache!

CURE Nervous Headache

CURE All kinds of

Headache.

By the use of these Pills the periodic attacks of *Nervous* or *Sick Headache* may be prevented, and if taken at the commencement of an attack, immediate relief from sickness will be obtained.

They seldom fail in removing the Sickness and *Headache* to which females are so much subject. They act generally upon the bowels—removing *Costiveness*.

For Literary men, Students, Delicate Females, and all persons of *sedentary habits*, they are valuable as a laxative, in improving the *appetite*, giving tone and vigor to the digestive organs, and restoring the natural electricity and strength of the whole system.

The CEPHALIC PILLS are the result of long investigation and carefully conducted experiments, having been in use many years, during which time they have prevented and relieved a vast amount of pain and suffering from headache, whether originating in the nervous system, or from a deranged state of the stomach.

They are entirely vegetable in their composition and may be taken at all times with perfect safety without making any change of diet *and the absence of any disagreeable taste renders it easy to administer them to children.*

BEWARE OF COUNTERFEITS.

The genuine have signatures of Henry C. Spaulding on each box.

Sold by Druggists and all other dealers in medicines.

A box will be sent by mail on receipt of the PRICE 25 CENTS.

All orders should be addressed to

BŒRHAVE'S

Holland Bitters

FOR

DYSPEPSIA,

Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some vilanous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BŒRHAVE'S HOLLAND BITTERS,

and the entire absence of after prostration, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is positively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price One Dollar.

It is a medicine of long-tried efficacy for *Purifying the blood*, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.

For INDIGESTION, Try
Bœrhave's Holland Bitters.

For HEARTBURN, Try
Bœrhave's Holland Bitters.

For ACIDITY, Try
Bœrhave's Holland Bitters.

For WATERBRASH, Try
Bœrhave's Holland Bitters.

For HEADACHE, Try
Bœrhave's Holland Bitters.

For LOSS OF APPETITE, Try
Bœrhave's Holland Bitters.

For COSTIVENESS, Try
Bœrhave's Holland Bitters.

For PILES, Try
Bœrhave's Holland Bitters.

In all Nervous, Rheumatic, and Neuralgic Affections it has in numerous instances proved highly beneficial, and in others effected a decided cure.

Read Carefully!

The genuine, highly-concentrated BŒRHAVE'S HOLLAND BITTERS is put up in half pint bottles only, and retailed at One Dollar per bottle. The great demand for this truly celebrated medicine has induced many imitations, which the public should guard against purchasing.

Beware of imposition! See that our name from the label of every bottle you buy.

WATCHES.

A Card.

THE AMERICAN WATCH COMPANY, of Waltham Mass., begs to call the attention of the public to the following emphatic recomendation of Waltham Watches, by the leading practical Watchmakers and Jewelers throughout the United States. The entire list of signatures to it is quite too long for publication in our advertisement; but the names presented will be recognized by those acquainted with the Trade as being in the highest degree respectable and influential. At their establishments may always be found the genuine Watches of the Company's manufacture, in great variety.

Signatures from many cities and towns not fully represented in this list will appear in a future advertisement.

TO THE PUBLIC

The undersigned, practical Watchmakers and dealers in Watches, having bought and sold American Watches for a number of years past, and having dealt in all kinds of foreign Watches for a much longer period of time, beg to state that they have never dealt in Watches which, as a class, or in individual instances, have been more satisfactory to themselves or customers, whether in respect of durability, beauty of finish, mathematically correct proportions, accurate compensation and adjustment *or of first-time-keeping quality*, than those manufactured by the Waltham Company.

CAUTION.—As our watch is now extensively counterfeited by foreign manufacturers, we have to inform the public that no watch is of our production which is unaccompanied by a certificate genuineness bearing the number of the watch, and signed by our Treasurer, R. E. Robbins, or by our predecessors, Appleton, Tracy & Co.

As these watches are for sale by jewelers generally throughout the Union, the American Watch Company do not solicit orders for single watches.
