CHINATOWN EXCITED.

War Among Zee Yup Factions Almost Certain to Result in Much Bloodshed.

San Francisco, July 21.—Chinatown is in a fever of excitement. War has been declared among the factions of the Zee Yup Company, and the murder of Lee Ti yesterday is only an incident in a feud which is not expected to end until more blood is shed. A price has been placed upon the heads of two of the most influential merchants in the district. Their entire families have been placed under a ban, and the hatchet men have been promised heavy rewards to accomplish their terrible work. The Chinese consul has seen fit to expose the cause of one of the factions. The members of the Kung Chow asylum and of the Chinese Merchants' Association have taken antagonistic positions in the quarrel. The Chinese police have announced their intention to allow the fighting factions to settle their affairs without interference. A feeling of almost unparalleled dread pervades the quarter. Yet much more important than Lee Ti will be dead, it is believed, before the fight is over.

The Zee Yup Company has succeeded in absorbing much of the local Chinese trade of the Sam Yup Company. The Sam Yups seem determined to destroy the Zee Yups, if possible, by breeding dissensions among them and by paying some of the leaders to be traitors.

MUTINY ON SHIPBOARD.

Captain, Second Officer and Captain's Wife Murdered on the Barkentine Herbert Fuller.

Halifax, N. S., July 21.—The barkentine Herbert Fuller, Captain Nash, from Boston, July 3, for Rosario, put into Halifax this morning, flying the stars and stripes at half mast, with a black flag immediately beneath. This is the signal for "mutiny on board." When the Fuller was boarded, it was learned that murder had been added to mutiny, and that Captain Nash, his wife, Laura, and Second Officer Bramberg had been killed in their bunks while asleep. The murders had been committed with an ax. The rooms in which the victims lay were covered with blood, showing that a severe struggle had taken place, and the bodies were horribly mutilated.

The cook, Jonathan Sherre, of Rosario, suspected the mate, Thomas Bram, and succeeded in placing Bram in irons, and he afterwards ironed the man who was at the wheel at the time the murder was committed. Upon the arrival of the vessel, all on board, including Frank Monks, of Boston, who was a passenger, were placed under arrest. The United States consul here has telegraphed to Washington for instructions, pending the receipt of which he has enjoined all connected with the affair to maintain the strictest silence.

TROOP TRAINS TO BE DYNAMITED.

General Gomez Warns the Public Not to Travel on Them.

Key West, Fla., July 21.—Maximo Gomez some time ago issued a proclamation warning the public not to travel on trains that carried troops. This proclamation has been followed by a general order from Gomez, issued last week, commanding the destruction by dynamite of all Spanish troop trains. The Spanish soldiers have been in the habit of firing from the windows of trains at women and children, several of whom have been killed, and the insurgent commander proposes, by the use of dynamite, to avenge these outrages.
