RED CROSS NOTES

Dakota County Chapter

Boxes! Boxes! Boxes! The Red Cross needs wooden packing boxes about 3x2x2 feet. If you have any clean, new wooden boxes about this size, please notify Mrs. C. M. Derry or call No. 43.

We have some fine knitters among the gentlemen in this chapter. The following have turned in knitted articles: Don Best, a sweater and a pair of socks; Claude Perry and Johnnie Sanford, each a pair of wristlets.

The Odd Fellows gave \$17.50 to the Red Cross General fund. This money they made husking corn for Ward Joyce. Other contributions to the general fund were Louis Roost, \$1, and Ella Dahms, \$2.

Jackson branch sent in a shipment of knitted goods. To date the Jackson branch has sent in the following supplies: 10 sweaters, 23 pairs of socks, 10 mufflers, 9 pairs of wristlets, 13 helmets, 19 nightingales.

The Jolly Idlers met with Miss Mary Maxwell last Thursday evening and made surgical dressings.

Last week the supplies made by the chapter here during January were shipped to headquarters. The shipment consisted of 22 bed jackets, 18 pairs of pajamas, 82 hand towels, 9 tray cloths, 10 napkins, 36 handkerchiefs, 2 bed sheets, 4 hospital bed shirts, 36 dish towels, 15 hot water bottle covers, 10 sweaters, 22 pairs of socks, 2 mufflers, 6 helmets, 8 pairs of wristlets.

SCHOOL NOTES.

By Clarence Linton.

Among those absent from the primary room the past week were Alfred Forbes, Louis Collins, Joe Jones, and Viola Jones.

The first and second grades are making flag booklets.

The primary children are making valentines this week.

The second grade wrote letters to Dale Munger Thursday.

Bartley Jones and Lorraine Smith were absent from school Monday.

The second primary people are making valentines and Miss Cook will give a prize for the best one.

The thrift campaign is on again in the school. Stamps to the amount of \$44 have been sold from the school. A number hold Baby Bonds which they have purchased elsewhere. We expect to make the school 100% "over the top." Help the children to save their money and thus help Uncle Sam.

Plans are being made by which our school will become a Junior Red Cross auxiliary of the local chapter.

Several students of the high school have been spending part of their Saturdays in the Sioux City public library looking up special material on their theses and orations.

The intermediate people are getting well along with the preparation of their patriotic program to be given Friday evening, February 22. The proceeds arising from the admission of 15 and 20 cents will be used to make further payment on the victrola.

The debate on military training was postponed until this Friday afternoon at 2:15. The public is cordially invited to attend.

The basket ball game with Winnebago was well attended, but the Winnebago boys disappointed us in not giving our boys enough to do. The locals ran up a good lead in the score in the first few minutes of play. The score at the end of the first half stood 11 to 27 in favor of Dakota City. The Winnebago boys rallied in the second half but were not able to more than make it interesting. The final score was 46 to 25 in favor of Dakota City.

Two very interesting games will be played this Friday evening with the Ponca boys and girls on our floor. The Ponca people will be entertained in the homes of the players as far as possible.

The high school girls furnished a lunch to the players after the game last Friday evening which was especially appreciated by the Winnebago people who had not had supper.
