

IMPORTANT NOTICE!

Meetings Will be Held Friday Afternoon, March 22, at 2 P. M., to Obtain Subscriptions for War Savings Stamps.

All Schools and Business Houses in the County Have Been Asked to Close at 2 P. M. That Day

Governor Issues Proclamation

Meetings of all tax payers and wage earners in this county will be held in each school house in the county at 2 p. m. on Friday, March 22, 1918. These meetings have been called by War Savings Director Ward M. Burgess, appointed under the authority of the Secretary of the United States Treasury, and pursuant to the proclamation of the Governor of the State of Nebraska.

The school moderator in rural districts will preside at each school house meeting, and the school director will keep a record of the proceedings. The director will report the names of all persons present and the amount of War Savings Stamps subscribed for by them. He will also report the names of any absent persons and the names of those persons who refuse or neglect to subscribe and the reasons for so doing.

War Savings Stamps (which are United States Government Bonds the same as Liberty Bonds), can be paid for during any month in the year 1918, but it is intended that subscriptions will be signed for them on March 22.

The price of each War Savings Stamp depends upon the month during which it is bought. During March each Stamp will cost \$4.14. In April each Stamp will cost \$4.15, and so on, one cent more each month during 1918. On January 1st, 1923, the Government of the United States will redeem all War Savings Stamps at \$5.00 each, no matter during which month in 1918 they were bought. They cost less during the early months in 1918 than during the later months because the person who buys earlier has loaned his money to the Government for a longer time than if he should buy later.

By way of illustration, note the following table:

COST OF WAR SAVINGS STAMPS DURING MARCH, APRIL AND MAY, 1918.

| | Cost in March | Cost in April | Cost in May | And Are Worth on Jan. 1, 1923 |
|------------|---------------|---------------|-------------|-------------------------------|
| 1 Stamp | \$ 4.14 | \$ 4.15 | \$ 4.16 | \$ 5.00 |
| 20 Stamps | 82.80 | 83.00 | 83.20 | 100.00 |
| 50 Stamps | 207.00 | 207.50 | 208.00 | 250.00 |
| 100 Stamps | 414.00 | 415.00 | 416.00 | 500.00 |
| 200 Stamps | 828.00 | 830.00 | 832.00 | 1,000.00 |

The law provides that no person can hold in his own name War Savings Stamps exceeding \$1,000 maturity value. War Savings Stamps, however, may be purchased in the name of other members of the family, including minor children.

The money invested in War Savings Stamps is not a gift, or a donation, but is a loan to the Government. It will all be paid back with 4% compound interest. If, because of some serious financial reverses, or calamity, it should be necessary to get your money before January 1, 1923, you may do so by giving ten days' notice to any Money Order postmaster, in which case you can get what you paid for the Stamps, with interest to date of payment. The Stamps are tax free; when registered at the postoffice they are insured against loss; they are backed by all the property in the United States; they cannot fall below par in value; they are the most convenient and best paying investment ever offered by our Government.

The Government of the United States expects every school district and county to subscribe its quota of War Savings Stamps.

It is to be hoped that the subscriptions taken at the meetings in this county will show that the people here are loyal American citizens to whom our Government, in this time of need, does not call in vain.

SPECIAL NOTE FOR DAKOTA COUNTY.

The allotment of War Savings Stamps for this County is \$138,340. The allotment for each school district in the county will be stated at the opening of the meeting in each school house. This allotment is based on assessed valuation. In order to raise the total amount required from this county, it will be necessary that each School District subscribe the amount allotted to it. This will impose no burden upon anyone in the District if each person does his duty, and the school district officers have been instructed to insist upon the total amount allotted to each district being subscribed before the meetings are adjourned.

In the following towns in Dakota County, instead of meeting in the school houses, the citizens of the school district will gather at the following places: Dakota City, Court House Hall; Jackson, St. Patrick's Hall; South Sioux City, Bank of South Sioux City; Homer, Town Hall; Hubbard, Danish Hall.

All business houses in the county will be closed during the hours of two and four p. m., while these meetings are being held.

(Signed) MELL A. SCHMIED, Dakota City,

War Savings Chairman for Dakota County, appointed by State Director Ward M. Burgess, under authority of the Secretary of the United States Treasury.

STAMP OUT THE WAR WITH WAR SAVINGS STAMPS

HASTENED RUSSIAN COLLAPSE

"We must not overlook the fact that Russia collapsed, not because of the Germans on her borders, but because she failed to organize and feed her own citizenship," the food administration announced.

"We must be warned that if we are to emerge victorious from this war we cannot risk the collapse of another of our associates in this war from this cause.

"Anybody that is looking for the collapse of the German people on the food question had better turn around and look at the moon, because the results will be the same. Germany is in no more danger of collapsing on that score than we are, if as much."

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hair's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hair's Catarrh Medicine. Circulars free. All Druggists, 75c. F. J. CHENEY & CO., Toledo, O.
