MADISON SQUARE GARDEN OPENS MONDAY NIGHT, TWICE DAILY THEREAFTER. APRIL 23

THE ROLL OF HONOR

Contains nothing more illustrious, noble and exalted than the names of those who have devoted their whole lives to the education, advancement and pleasure of their fellows. To have given the world something original, ingenious and entertaining is quite enough to command favorable recognition, and

BUFFALO BILL'S WILD WEST

AND CONGRESS OF ROUGH RIDERS OF THE WORLD

has, by reason of its distinctive, bold, dashing character, won the admiration of countless thousands in nearly every civilized quarter of the globe. Differing as it does from all other exhibitions, it at once enlists attention, charms and fascinates every beholder. The great strength of this extraordinary condition of things lies in the fact that

IT IS GENUINE

There is no sham or subterfuge about it, everything is just as it is represented to be. The participants have all been selected to fittingly illustrate the scenes which they have heretofore enacted and made them famous in the open field and on the war path. Little wonder then that sage and savant should find rest and recreation in reviewing such an exhibition again and again, and more the marvel that anyone should miss an opportunity to witness a performance so unique in all that it exemplifies. It is a VERITABLE KINDERGARTEN OF HISTORY, over two decades in existence, teaching equestrianism, primitive savagery and civil military tactics, conjoined with an annex of colonial equitation, illustrated by the horsemen and heroes of nearly every nation on earth. It is a vivid and inspiring reproduction of history's latest martial triumphs, presented by a detachment of those modern marvels of civic military merit, to all future famed as

ROOSEVELT'S ROUGH RIDERS

together with their companion patriots and laurel-crowned paragons of bravery, discipline, endurance and skill, the

United States Regular Cavalrymen

With whom will appear in splendidly inspiring contrast, and illustrating the myriad features of the proud old pioneer school, the most varied and unique muster-roll of

The World's Mounted Warriors

Brought together for the first time in history in peaceful rivalry, and forming a grand exhibition of the brotherhood of man. The roster includes

United States Cavalrymen and Artillerymen,	
German Cuirassiers,	South American Gauchos,
Russian Cossacks,	Sioux Indians,
Arabian Acrobats,	Wild West Cowboys,
Royal Irish Lancers,	Filipinos,
Mexican Vaqueros,	Hawaiians, Cubans,

and a general "round up" of all

THE EQUESTRIAN NATIONS OF THE WORLD

And as a fitting climax to this already tremendous exhibition in which

OVER 1,200 MEN AND HORSES PARTICIPATE

Will be presented the historic military masterpiece of

THE CHARGE UP SAN JUAN HILL

which deserves depiction as something that will live forever in military annals. This addition to a previously complete and perfect entertainment, carries out the policy of the management in keeping the exhibition strictly up to date. The scenery for this production has been made from photographs and sketches taken on the spot, and the topography of San Juan Hill and its surroundings on the eventful occasion of the memorable battle have been strictly adhered to. Thus it will be seen that the Wild West with all its military aspect and events showing the progress of civilization from the primeval pioneer days up to the very moment of the present stirring episodes, is

More Complete Than Ever
IF SUCH A THING WERE POSSIBLE.

THE GRAND STREET CAVALCADE AND REVIEW OF THE ROUGH RIDERS

Will take place to-morrow (Monday) morning (weather permitting) at 9 o'clock, passing over the following route: Madison Ave. to 24th St., to Lexington Ave., to 58th St., to Fifth Ave., to Waverly Place, to Astor Place, to 4th Ave., to Garden.
