To Let for Business Purposes.

NOTICE TO MANUFACTURERS.

We are in the real estate business and own the nearest available unoccupied land in the suburbs of New York that is suitable for manufacturing purposes. It is particularly desirable from the fact that a switch on the property connects it with four trunk line railroads, thus doing away with all cartage. Soft coal can be used; plenty of skilled and unskilled help in the immediate neighborhood. We are giving away factory sites and erecting buildings thereon; ten cents per annum per square foot of floor space will pay for them in from 5 to 6 years. We are also offering other inducements. If interested we will call upon you.
