Birthday Mottoes for 1881.

JANUARY.

By her who in this month is born
No gems save garnets should be worn;
They will insure her constancy,
True friendship and fidelity.

FEBRUARY.

The February born will find
Sincerity and peace of mind,
Freedom from passion and from care,
If they the Amethyst will wear.

MARCH.

Who on this world of ours their eyes
In March first opened shall be wise;
In days of peril firm and brave,
And wear a Bloodstone to the grave.

APRIL.

She who from April dates her years
Diamonds should wear, lest bitter tears
For vain repentance flow; this stone
Emblem of innocence is known.

MAY.

Who first beholds the light of day
In Spring's sweet flowery month of May,
And wears an Emerald all her life,
Shall be a loved and happy wife.

JUNE.

Who comes with summer to this earth,
And owes to June her day of birth,
With ring of agate on her hand,
Can health, wealth and long life command.

JULY.

The glowing ruby should adorn
Those who in warm July are born;
Then will they be exempt and free
From love's doubts and anxiety.

AUGUST.

Wear a Sardonyx, or for thee
No conjugal felicity;
The August born, without this stone,
'Tis said, must live unloved and lone.

SEPTEMBER.

A maiden born when autumn leaves
Are rustling in September's breeze,
A sapphire on her brow should bind—
'Twill cure diseases of the mind.

OCTOBER.

October's child is born for woe,
And life's vicissitudes must know!
But lay an Opal on her breast,
And hope will lull those words to rest.

NOVEMBER.

Who first comes to this world below
With drear November's fog and snow
Should prize the Topaz' amber hue—
Emblem of friends and lovers true.

DECEMBER.

If cold December gave you birth—
The month of snow and ice and mirth—
Place on your hand a Turquoise blue;
Success will bless whate'er you do.

We desire to call the attention of our readers to the grand holiday offer of the Mendelssohn Piano Company, whose advertisement appears elsewhere. This Company offers an $850 Square Grand Piano, *3 stringed 7½ octaves*, in a handsome rosewood case, for only $215, also many other styles of Pianos and Organs at great bargains for the Holidays, including sheet music at one-third price.

These Pianos, including Grand, Square and Upright, made one of the finest displays at the Centennial Exhibition, and were *unanimously* recommended for the *Diploma of Honor and Medal of Merit.*

The MENDELSSOHN PIANO CO. are the first to do a general business with the *purchaser direct*, saving him *more than one-half* the price charged by other *first-class* makers. This saving is made by doing away with the Agency System, and giving the people the Pianos at Wholesale or Agency prices.

We would recommend any of our readers who have any idea of ever buying a piano or organ, to send for their Illustrated and Descrlytive Catalogues, which will be mailed free to all.

SIGN OF BIG HORN.

W. N. Keller,

NAIN STREET,
BRISTOL TENNESSEE.

I AM A PRACTICAL

Tin, Sheet-Iron and Copper Worker.

I SELL the unparalleled Champion Cook Stove, made by Perry & Co., New York, and also other Stoves, both Heating and Cooking made by the same party, that are unsurpassed.

I have handled the above mentioned goods 31 years. I th nk I know the wants of the people in my line.

I keep repairs for all Stoves that I have sold heretofore, and particularly the Excelsior Cook Stove, all of which will be sold at small figures.

I have been in this city 14 years and have tried to serve you faithfully in my capacity. Now I come to business. I have unsettled notes and accounts since I came here. I want my business settled in my life-time. I have quite a number of accounts, bought from W. P. Brewer, for the years 1872-3, which I have paid him for long ago; also notes and accounts on W. N. Keller & Co., and W. N. Keller, and the late firm of Brewer & Keller, 1879, and not Keller & Brewer, years 1872-3. I have had to borrow money to pay my part of the indebtedness of Brewer & Keller. I have only had the books of Brewer & Keller a few days. Owing to my misfortune I couldn't attend to the collections and had to borrow and pay my part of the indebtedness. All I ask of my friends is to call and settle old matters; and from dates I give you above you can judge as to whether or not I will or can afford to favor in the future.

I am here to serve you and what I represent is my legitimate business. When I advertise my business and call myself a practical man, I can substantiate what I say. I don't claim to be a practical Cabinet Maker, Carpenter, Blacksmith, Engineer or first-class Clerk. When I need anything in the latter mentioned I can find first-class men that are willing to serve me for compensation.

Don't forget, I don't advertise anything I can't stand up to. I cannot live on old notes and accounts. All parties that are not able to pay me something on their old matters, come and settle and I will give a receipt. I must settle. I have called for this for ten years. Don't give me out in the future. If you think I can wait always, notice dates.

Send on your Tin Pots, Buckets, &c., and if you haven't a nickle I will mend them gratis. nov. 30, '80—tf

EARS FOR THE MILLION!

Foo Choo's Balsam of Shark's Oil

Positively Restores the Hearing, and is the only Absolute Cure for Deafness Known.

This Oil is extracted from a peculiar species of small WHITE SHARK, caught in the Yellow Sea, known as *Carcharodon Rondeletii*. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1810. Its cures were so numerous and **many so seemingly miraculously**, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 50 YEARS NO DEAFNESS HAS EXISTED AMONG THE CHINESE PEOPLE. Sent, charges prepaid, to any address $1 per bottle

Only Imported by HAYLOCK & CO.,
7 DEY St, NEW YORK.
SOLE AGENTS FOR AMERICA.

Its virtues are unquestionable and its *curative character absolute; as the writer can personally testify, both from experience and observation.*

Among the many readers of the Review in one part and another of the country, it is probable that numbers are afflicted with Deafness, and to such it may be said: "Write at once to Haylock & Co., 7 Dey Street, New York, enclosing $1, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so.—*Editor of New York Mercantile Review. Sep. 28, 1880.*

He HAS NOT PICKED IT UP IN THE LAST YEAR, nor does he claim a thirty years experience as a mechanic. But he does claim a ten years experience with some of the best Gun and Locksmith shops in the States of Va., Tenn. and Texas, and therefore he is better acquainted with all the late styles of Guns &c, and feels confident that his experience is far superior to any who may call themselves old and reliable Gun and Locksmiths.
