ALLEN ACADEMY

Removed to Bryan—Opens Thirteenth Annual Session in September.

The following announcement has been made by the principals of Allen Academy:

We take this means of announcing to the public that negotiations have been completed for the removal of Allen Academy to Bryan, Texas. In September next the school will open there its thirteenth annual session, quartered in new and commodious buildings, enjoying larger facilities, and offering increased advantages to young men seeking thorough education.

For twelve years Allen Academy has been under the same management, and each year it has raised its work and extended the sphere of its influence. During the present term we have enrolled more than two hundred students, sixty of these being boarders. We now seek a larger field and better facilities for our life-work—the establishment of a training school second to none in Texas. The people of Bryan are enthusiastic in their support of the school and have offered large inducements for its location at that place.

The number of students admitted will be limited to sixty. All the work of instruction will be done by the principals. It will be our aim to study the peculiar needs of each boy placed under our care, and we expect to accomplish higher results than heretofore has been possible.

To our friends and former patrons, we desire to express our appreciation of past support and interest. We hope to carry with us in our new field your good wishes and your patronage.

For full announcement of plans, course of study, expenses, etc., address

J. H. ALLEN,
R. O. ALLEN,
Principals.

A meeting of stockholders of Allen Academy was held at the opera house in Bryan at 2:30 p. m., Monday, May 29, 1899. On motion Prof. L. L. McInnis was elected chairman and Malcolm Carnes appointed secretary. On motion the stockholders went into the election of a board of seven directors, the following names being suggested for directors: M. Parker, J. W. Johnson, R. S. Webb, Dr. J. L. Fountain, L. L. McInnis, Walter Wipprecht, Dr. J. W. Howell. Those named were unanimously elected directors by a call of the stockholders present, eighty-five shares being represented in the vote and one vote being allowed for each share of $25.00. A motion then prevailed by which the board of directors were given plenary powers for conducting the Allen Academy for the ensuing year.

Adjourned.

Immediately after the adjournment of the stockholders' meeting the board of directors held a meeting ond Prof. L. L. McInnis was elected president of the board; Walter Wipprecht, secretary; Dr. J. W. Howell, treasurer. J. W. Johnson and Dr. J. L. Fountain were appointed a committee to look after the matter of securing a charter.

Profs. J. H. and R. O. Allen were present at both the above meetings, and by invitation the former addressed the members of the board on the interests under discussion. Profs. Allen, in company with Messrs. Parker and Johnson, visited a number of places available for the location of of the school yesterday morning, but as yet no selection of a site has been made.

Excursion.
