The *Neuralgia and Rheumatic Plaster* (large size), for Pains in the Chest, Shoulders, Back, or any part of the body, sent, post-paid, on receipt of THIRTY-SEVEN CENTS.

Address,
WM. B. HURD & CO.,
Tribune Buildings, New-York.

DR. HURD'S MOUTH WASH, TOOTH POWDER, and TOOTHACHE DROPS cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Stores. If they cannot, send to us for the DENTAL TREASURY, Price, ONE DOLLAR, which contains them.

Now, are Dr. Hurd's Preparations Good?

The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. DR. WILLIAM B. HURD is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no mailing citizen of Brooklyn or Williamsburgh questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the *Brooklyn Daily Times* says:—"We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectation with his MOUTH WASH and TOOTH POWDER. The great secret of his success rests with the fact THAT HIS ARTICLES ARE PRECISELY WHAT THEY ARE REPRESENTED TO BE, AS WE CAN TESTIFY FROM THEIR LONG USE."

The well-known P. T. BARNUM writes:—"I found your TOOTH POWDER so good that my family have used it all up. WE FIND IT THE BEST POWDER FOR THE TEETH THAT WE EVER USED. I shall feel obliged if you will send me another supply to the Museum at your convenience, with bill."

Beware of the ordinary Tooth Powders. Dr. HURD'S TOOTH POWDER contains no acid, nor alkali, charcoal, and polishes without wearing the enamel. Give no other.

What will Dr. Hurd's Remedies Effect?

DR. HURD'S MOUTH WASH AND TOOTH POWDER will give young ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.

DR. HURD'S MOUTH WASH AND TOOTH POWDER will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

DR. HURD'S MOUTH WASH AND TOOTH POWDER are the best preparations in the world for curing BAD BREATH and giving firmness and health to the gums. Hundreds of cases of DISEASED BLEEDING GUMS, SORE MOUTH, CANKER, etc., have been cured by DR. HURD'S astringent wash.

DR. HURD'S MOUTH WASH AND TOOTH POWDER give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having

ARTIFICIAL TEETH,

which are liable to impart a taint to the mouth.

DR. HURD'S TOOTHACHE DROPS cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

FARMERS AND MECHANICS! You cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that DYSPEPSIA and CONSUMPTION OF THE LUNGS often originate in Neglect of Teeth. Send for the *Treatise on Teeth*, and read Dr. Fitch's observations on this subject. If too late to arrest decay in your teeth, save your children's teeth.

NEURALGIA PLASTERS.

DR. HURD'S NEURALGIA NON-ADHESIVE PLASTERS are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For EARACHE and NERVOUS HEADACHE, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents.

Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING?

The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the TREATISE ON TEETH, some the NEURALGIA PLASTERS, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to these we are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these remedies. *Who will supply them?*

Now is the

CHANCE FOR AGENTS.

Shrewd agents can make a small fortune in carrying these articles around to families. The DENTAL TREASURY is the neatest article that a man or woman can carry around. Send for one and see, or, better, a dozen, which we will sell, as samples, for $7. Agents supplied liberally with Circulars. Now is the time to go into the business, to do good, and make a profit. We are spending thousands for the benefit of agents. New England men or women! here is something nice, and a chance to take the tide at the flood.

Address,
WM. B. HURD & CO.,
Tribune Buildings, New-York.

That remittances may be made with confidence, Wm. B. H. & Co. refer to the Mayor of Brooklyn; to G. W. Griffith, President Farmers' and Citizens' Bank, Brooklyn; to Joy, Coe & Co., New York; to P. T. Barnum, Esq., New York, etc., etc.

CROUP! CROUP! CROUP!

Dr. Hooker's
COUGH AND CROUP SYRUP
CURES

CROUP, COUGH FROM COLDS, HOARSENESS, Catarrhal Coughs, Coughs from Humors and Bronchial Coughs, and give speedy relief in Whooping Cough and Asthma, and often cures the latter and invariably shortens the run of the latter.

It will arrest nearly all forms of Coughs leading to Consumption but will not cure it when seated, and may be relied on as a test in that disease. It is unlike Rice Syrup and the ordinary Cough and Croup Remedies, inasmuch as it contains no dangerous agents though a whole bottle be taken in one hour; while it is efficient, curative, pleasant to the taste, and universally successful, and no bad result can possibly follow its use.

Children are liable to be attacked with CROUP without a moment's warning. It is therefore important that every family should have constantly at hand some simple and pleasant, yet efficacious remedy for the cure of this painful and too often fatal disease. Such a remedy is

Coughs, and all Affections of the Throat and Air Passages, induced by Colds, Catarrh, Influenza, Bronchitis, Public Speaking, Singing, &c., &c.

This balsam possesses in an eminent degree the valuable curative properties contained in the celebrated Cough and Croup Syrup, and is put up in a portable form for the convenience of Public Speakers, Teachers, Singers, Travelers, and Children especially.

The advantages in its preparation over other remedies designed for the same purpose, are, its convenient form, pleasing taste, efficient quality, reliable effect, perfect safety, and low price. For sale by Druggists and Dealers everywhere.
