"Costar's" Electric Powder for Insects

1866.

INCREASE OF RATS.—The *Farmer's Gazette* (English) asserts and proves by figures that one pair of RATS will have a progeny and descendants no less than 659,000 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings.

See "Costar's" advertisement above.

1866.

RATS *versus* BIRDS.—Whoever engages in shooting small birds is a cruel man; whoever aids in exterminating rats is a benefactor. We should like some one to give us the benefit of their experience in driving out these pests. We need something besides dogs, cats and traps for this business.—*Scientific American, N. Y.*

1866.

"COSTAR'S" RAT EXTERMINATOR is simple, safe, and sure—the most perfect RAT-destroyer meeting we have ever attended. Every Rat that can get it, properly prepared, will eat it, and every one that eats it will die, generally at some place as distant as possible from where it was taken.—*Lake Shore, Mich., Mirror.*

See "Costar's" advertisement above.

1866.

HOUSEKEEPERS troubled with vermin need be so no longer, if they use "Costar's" Exterminator. We have used it to our satisfaction; and if a box cost $5, we would have it. We have tried poisons, but they effected nothing; but "Costar's" article knocks the breath out of Rats, Mice, Roaches, Ants, and Bed-Bugs, quicker than we can write it. It is in great demand all over the country.—*Medina, Ohio, Gazette.*

1866.

A VOICE FROM THE FAR WEST.—Speaking of "Costar's" Rat, Roach, Ant, &c., Exterminator—"more grain and provisions are destroyed annually in Grant County by vermin than would pay for tons of this Rat and Insect Killer."—*Lancaster, Wis., Herald.*

See "Costar's" advertisement above.

1866.

FARMERS AND HOUSEKEEPERS—should recollect that hundreds of dollars' worth of Grain, Provisions, &c., are annually destroyed by Rats, Mice, Ants, and other insects and vermin—all of which can be prevented by a few dollars' worth of "Costar's" Rat, Roach, Ant, &c., Exterminator, bought and used freely.

SPECIAL NOTICES.

Affricted, suffer no more.—Dr. Johnville's Elixir, or Essence of Life. For Physical and Nervous Weakness, Involuntary Incharges, and similar results of youthful indiscretion; for General Debility, Impotency, Incontinence, or Nocturnal Emissions, &c. The astonishing success which has attended his invaluable medicine for loss of Muscular Energy, Physical Lassitude and General Prostration, or any of its consequences of youthful indiscretion or the influence of the passion in riper years, renders it the most valuable preparation ever discovered; in fact, as a remedy for the above complaints, it stands unrivalled and alone. It will remove all nervous affections, depression, excitement, inclination to study or business, loss of memory, confusion, thoughts of self-destruction, fears of insanity, &c. It will restore to appetite, renew the health of those who have destroyed it by sensual excess or evil practices.—Young men who, by indulging in secret habits, have contracted that soul-subduing, mind-prostrating, body-destroying vice—one which fills our lunatic asylums, and crowds to repletion the wards of our hospitals—should, without delay, send for the Elixir, and be at once restored to health and happiness. A perfect cure is warranted in every instance. Price, $2 per bottle, or four bottles to one address, $10. One bottle is sufficient to effect a cure in all ordinary cases.

Also, Dr. Johnville's Specific Pills, for the speedy and permanent cure of Gonorrhea, Gleet, Urethal Discharges, Gravel, Stricture, and all affections of the Kidneys and Bladder. Cures effected in from one to five days. They are prepared from vegetable extracts that are harmless on the system, and never nauseate the stomach or impregnate the breath. No change of diet is necessary while using them, nor does their action in any manner interfere with business pursuits. Price $1 to a box.

Either of the above-mentioned articles will be sent to any address, closely sealed, and post-paid, by mail or express, on receipt of price. Address all orders to Berger, Shutts & Co., Chemists, No. 285 River Street, Troy, N. Y.

To the Ladies of America.—Dr Grolois' Celebrated Female Pills, the only sure and certain remedy for all those afflicting complaints so peculiar to the sex, whether married or single. These Pills have never yet failed in removing difficulties arising from Obstruction or Stoppage of Nature, or in restoring the system to perfect health, when suffering from Spinal Affections, Prolapsus Uteri, the Whites, or other Weaknesses of the Uterine Organs, or in all cases of Debility or Nervous Prostration, Hysterics, Palpitations, &c., &c., which are the forerunners of more serious diseases. The Pills are perfectly harmless on the constitution, and may be taken by the most delicate female without causing distress; at the same time, "they act like a charm," by strengthening, invigorating and restoring the system to a healthy condition, and by bringing on the monthly period with regularity, no matter from what cause the obstruction may arise. They should, however, not be taken during the first three months of pregnancy, though safe at any other time, no miscarriage would be the result. Upwards of 20,000 boxes were sold during the past year.

Price $1 00; six boxes $5. Sent by mail in an ordinary envelope that secrets no attention, with full and explicit directions for use. Address Berger, Shutts & Co., Chemists, 285 River Street, Troy, N. Y.—3m

KNOW THY DESTINY!

MADAME E. F. THORNTON, the great English Astrologist, Clairvoyant and Psychometrician, who has astonished the scientific circles of the Old World, has now located herself in Holyoke, N. Y. Madame Thornton possesses such wonderful power of second sight, as to enable her to impart knowledge of the greatest importance to the single or married, either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of her own power, known as the Psychometrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send, when desired, a certified certificate, or written guarantee, that the picture is what it purports to be.—By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing 50 cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. while as a preparation, free from noxious ingredients, potash, or minerals; uniting skill, science, and medical knowledge; combining all that is valuable in the vegetable kingdom for this class of diseases, it is

INCOMPARABLE!

and is entitled, merits and receives the general confidence of the public.

SEYMOUR THATCHER, M. D.,

of Herman, N. Y., writes as follows:—

"WISTAR'S BALSAM OF WILD CHERRY gives universal satisfaction. It seems to cure a Cough by loosening and cleansing the lungs, and allaying irritation, THUS REMOVING THE CAUSE, INSTEAD OF DRYING UP THE COUGH AND LEAVING THE CAUSE BEHIND. I consider the Balsam as good as any, if not the best, Cough medicine with which I am acquainted."

From R. FELLOWS, M D, of HILL, N. H.

"Although I have generally a great objection to patent medicines I can but say, in justice to DR. WISTAR'S BALSAM OF WILD CHERRY, that it is a remedy of superior value for *Pulmonary Diseases.*

I have made use of this preparation for several years, and it has proved to be very reliable and efficacious in the treatment of severe and long standing *Coughs.* I know of one patient, now in comfortable health, who has taken this remedy, and who, but for its use, I consider would not now be living."

PRIVATE MEDICAL OFFICE,

21 Endicott Street, Boston, Mass.,

is so arranged that patients never see or hear each other. Recollect, the ONLY entrance to his office is No. 21, having no connection with his residence consequently no family interruption, so that on no account can any person hesitate applying at his office.

DR. DIX

boldly asserts (and it cannot be contradicted, except by Quacks, who will say or do anything, even perjure themselves, to impose upon patients) that he

IS THE ONLY REGULAR GRADUATE PHYSICIAN ADVERTISING IN BOSTON.

engaged in treatment of Special Diseases, a fact so well known to many Citizens, Publishers, Merchants, Hotel Proprietors, &c., that he is much recommended, and particularly to

STRANGERS AND TRAVELLERS,

To avoid and escape Imposition of Foreign and Native Quacks, more numerous in Boston than other large cities,

DR. L. DIX

promptly refers to Professors and respectable physicians—many of whom consult him in critical cases, because of his acknowledged skill and reputation, attained through so long experience, practice and observation.

AFFLICTED AND UNFORTUNATE!

be not robbed and add to your sufferings in being deceived by the lying boasts, misrepresentations, false promises and pretensions of

FOREIGN AND NATIVE QUACKS,

who know little of the nature and character of Special Diseases, and care as to their cure. Some exhibit forged Diplomas of Institutions or Colleges, which never existed in any part of the world, others exhibit Diplomas of the Dead, how obtained, no now) not only assuming and advertising in names of those inserted in the Diplomas, but to further their imposition assume names of other most celebrated Physicians long since dead. Neither be deceived by

QUACK NOSTRUM MAKERS,

through false certificates and references, and commendations of their medicines *by the dead,* who can not expose or contradict them; or who, besides, to further their imposition, copy from Medical books much that is written of the qualities and effects of different herbs and plants, and ascribe all the same to their Pills, Extracts, Specifics, &c., most of which, if not all, contain Mercury, because of the ancient belief of its "curing everything," but now known to "kill more than is cured," and those not killed, constitutionally injured for life.

IGNORANCE OF QUACK DOCTORS AND NOSTRUM MAKERS.

Through the ignorance of the Quack Doctor, knowing no other remedy, he relies upon MERCURY, and gives it to all his patients in Pills, Drops, &c., so the nostrum maker, equally ignorant, adds to his so-called Extracts, Specific, Antidote, &c., both relying upon its effects in curing a few hundred, it is trumpeted in various ways throughout the land; but, ALAS! nothing is said of the balance; some of whom die, others grow worse, and are left to linger and suffer for months or years, until relieved or cured, if possible, by competent physicians.

BUT ALL QUACKS ARE NOT IGNORANT.

Notwithstanding the foregoing facts are known to some Quack Doctors and Nostrum Makers yet, regardless of the life and health of others there are those amongst them who will even perjure themselves, contradicting giving mercury to their patients or that it is contained in their Nostrums, so that the "usual fee" may be obtained for professedly curing, or "the dollar" or "fraction of it" may be obtained for the Nostrum. It is thus that many are deceived also, and uselessly spend large amounts for experiments with quackery.
