CUPID'S HARNESS.

Most women naturally look forward to matrimony as their proper sphere in life, but they should constantly bear in mind that a fair, rosy face, bright eyes, and a healthy, well-developed form, are the best passports to a happy marriage. All those wasting disorders, weaknesses, and functional irregularities peculiar to their sex, destroy beauty and attractiveness and make life miserable. An unfailing specific for these maladies is to be found in Dr. Pierce's Favorite Prescription. It is the only medicine for women, sold by druggists, **under a positive guarantee** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrappers, and faithfully carried out for many years. $1.00 per Bottle, or Six Bottles for $5.00.

A Good record. "I have sold Chamberlin's Cough Remedy for ten years," says druggist, E. B. Legg, of Vail, Ia., "and have always warranted it and never had a bottle returned. During the past 90 days I have sold twelve dozen and it has given perfect satisfaction in every instance." It does not dry up a cough, but loosens and relieves it. It will cure a severe cold in less time than any other treatment. 50 cent and $1 bottle for sale by C. M. Creamer, druggist.

"Please don't talk to me. I'm saving my voice for the opera." "Why, are you to sing?" "No. I'm to be in one of the boxes."

"Honesty is the best policy," which accounts for the high premium on it.

Travellers may learn a lesson from Mr C. D. Cone, a prominet attorney of Parker, Dak., who says: "I never leave home without taking a bottle of Chamberlain's colic, cholera and diarrhœa remedy with me, and on many occasions have ran with it to the relief of some sufferer and have never known it to fail. Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gum, allays all pain, relieves wind, regulates the bowels, and is the best kn own remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle.

A Long Line.

It is 2,714 miles from City of Mexico to St. Louis. We have just placed some superb Pullman palace sleepers on through line between those two cities, via El Paso and Burrton, which makes the entire distance without change.

Los Angeles to St. Louis is 2,121 miles. Pullman tourist sleepers now run between those points, via Albuquerque and Burrton, without change.

Twice a Week for a Dollar a Year.

The Weekly Republic of St. Louis will go to its subscribers twice a week during November and December, one sheet of six pages being mailed every Tuesday and another every Friday. This will give the readers the news from one to five days earlier than heretofore, and part of it ahead of any weekly paper, no matter where printed or what day issued. The price will be unchanged, $1 a year, with the usual commissions to agents. Address all orders, The Republic, St. Louis, Mo.

The senior proprietor of this paper has been subject to frequent colds for some years, which were sure to lay him up if not doctored at once. He finds that Chamberlain's Cough Remedy is reliable. It opens the secretions, relieves the lungs and restores the system to a healthy condition. If freely used as soon as the cold has been contracted, and before it has become settled in the aystem, it greatly lessens the attact and often cures in a single day what would otherwise have been a severe cold.—Northwestern Hotel Reporter, Des Moine, Iowa. 50 cent bottle for sale by C. M. Creamer, druggist.

A Common Sense Calendar.

The calendars that come in the fall are as numerous as the flowers that bloom in the spring. Many further resemble the flowers in that they come without being sent for, and fade after a brief existence.

The most sensible and business-like Calendar that we have seen comes to us from N. W. Ayer & Son, newspaper advertising agents, Philadelphia, and bears their "Keeping everlastingly at it" imprint. It is so large and clear that its dates can be easily distinguished across an office, and is printed in a manner to reconcile the most fastidious to its company for a year.

It is sent to any address, postpaid, on receipt of 25 cents.

Happy Hoosiers

Wm. Timmons, Postmaster of Idaville Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies, he found new strength, good appetite and felt just like he had a new lease on life Only 50c. a bottle, at A. He told her she was a hopeless victim of consumption and that no medicine could cure her. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottle of this great Discovery at A. C. Changes of Climate

Kill more people than is generally known. Particularly is this the case in instances where the constitution is delicate, and among our immigrant population seeking new homes in those portions of the west, and where malarial and typhoid fevers prevail at certain seasons of the year. The best preparative for a change of climate, or of diet and water which that change necessitates is Hostetter's Stomach Bitters, which not only fortifies the system against malaria, a variable temperature, damp, and the debilitating effects of tropical heat, but is also the leading remedy for constipation, dyspepsia, liver complaint, bodily troubles specially apt to attack emigrants and visitors to regions near the equator, mariners and tourists. Whether used as a safeguard by sea voyagers, travelers by land, miners, or of agriculturists in newly populated districts, this fine specific has elicited the most favorable testimony.
