KNOW THY DESTINY!

MADAME E. F. THORNTON, the great English Astrologist, Clairvoyant and Psychometrician, who has astonished the scientific classes of the Old Word, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomotrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send, when desired, a certified certificate or written guarantee that the picture is what it purports to be. By enclosing a small lock of hair and stating place of birth, age, disposition and complexion, and enclosing 50 cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. All communications sacredly confidential. Address, in confidence, Madame E. F. Thornton, P. O. Box 223, Hudson, N. Y. se28-8m
