Rich and Poor Alike Suffer From Catarrh in This Climate.

All observant physicians have noticed the enormous increase in catarrhal diseases in recent years, and the most liberal and enlightened have cheerfully given their approval to the new internal remedy, Stuart's Catarrh Tablets, as the most successful and by far the safest remedy for catarrh yet produced.

One well known catarrh specialist, as soon as he had made a thorough test of this preparation discarded inhalers, washes and sprays and now depends entirely upon Stuart's Catarrh Tablets in treating catarrh, whether in the head, throat or stomach.

Dr. Bissell says, "in patients who had lost the sense of smell entirely and even where the hearing has begun to be affected from catarrh, I have had fine results after only a few weeks use of Stuart's Catarrh Tablets. I can only explain their action on the theory that the cleansing antiseptic properties of the tablets destroy the catarrhal germs wherever found, because I have found the tablets equally valuable in catarrh of the throat and stomach as in nasal catarrh."

Dr. Estabrook says, Stuart's Catarrh Tablets are especially useful in nasal catarrh of the throat, clearing the membranes of mucous and speedily overcoming the hawking, coughing and expectorating.

Any sufferer from catarrh will find Stuart's Catarrh Tablets will give immediate relief, and being in tablet form and pleasant to the taste, are convenient and always ready for use, as they can be carried in the pocket and used at any time as they contain no poisonous drugs, but only the cleansing antiseptic properties of Eucalyptus bark, Guaiacol, blood root and Hydrastin.

All drugists sell the tablets at 50 cents for complete treatment.
