FOOTBALL.

YALE WINS FROM WISCONSIN BY A NARROW MARGIN.

LAFAYETTE DOWNS PENNSYLVANIA—PRINCETON'S EASY VICTORY AT WEST POINT—HARVARD DEFEATS BROWN.

PRINCIPAL GAMES YESTERDAY.

Yale, 6; Wisconsin, 5. Princeton, 23; West Point, 0. Cornell, 6; Lehigh, 0. Harvard, 11; Brown, 0. Lafayette, 16; U. of P., 0. Columbia, 18; Amherst, 0.

New-Haven, Conn., Oct. 21 (Special).—Yale defeated Wisconsin here this afternoon by the narrow margin of six points. The cold, crisp weather was ideal for good football, and inspired both sides to the hardest kind of work. At 3:15 the undergraduate procession, with its colors flying and two bands playing "Here's to Dear Old Yale," arrived at the field, and a few minutes later the teams lined up, Wisconsin having the ball and Yale defending the north goal with the wind behind her.

O'Dea kicked off, and upon Fincke's fumble Wisconsin secured the ball. After two fruitless attempts to gain, O'Dea dropped back for a field goal, but missed it badly, to the intense relief of Yale's partisans. During the rest of the first half Yale's goal was not threatened, as Wisconsin never even had the ball on Yale's side of the centre. Both teams resorted to kicking and exchanged punts constantly, the advantage being slightly with McBride on account of the wind, although the redoubted "Pat" O'Dea wasn't far behind. But in rushing Yale was easily ahead of the Badgers. McBride was a whole team in himself, and bucked the centre for continual gains. He was ably seconded by Sharpe, who found many holes through the left of Wisconsin's line.

But these gains counted for nothing, as Yale would lose the ball from fumbling or holding, and O'Dea would kick it out of danger. Paul Dashiell, who umpired, was not at all lenient, and punished the offenders in the Yale line without hesitation. Yale had one good chance to score when they reached Wisconsin's twenty yard line, but Chadwick fumbled, and the faithful "Patsy" kicked out of danger. Again Yale reached the thirty yard line, and Sharpe tried a goal from the field, but failed. The half ended with the ball in Wisconsin's possession on her twenty yard line.

The band of fifty Wisconsin supporters were jubilant, as their team had been able to prevent Yale from scoring with the wind behind her, and they felt confident that with the wind, O'Dea could easily outdistance McBride. It proved so, and Yale, seeing her disadvantage, played more of a rushing game the second half. The only change in the lineup of either team was Richards at right halfback for Yale in place of Chadwick, who had shown [illegible] the first half. The ball remained [illegible] before, though because of the wind it was in Yale's territory most of the time.

O'Dea twice tried a goal from the field from the fifty yard line, but was unsuccessful both times, the ball covering only half the required distance.

With only twelve minutes to play, Wisconsin secured the ball on a fumble, and O'Dea fell back for another try at a goal from the field. But Olcott broke through and blocked it neatly. Again the ball seesawed up and down the field, Yale rushing it for a few yards, but always losing from ten to twenty yards on an exchange of punts.

Finally it was Yale's ball on her own thirty-five yard line, and only five minutes left to play. Richards received the ball and started around Wisconsin's right end, way ahead of his interference. He sprinted, dodging and shaking off tacklers, and never stopped until he had set the leather squarely between the posts. It was a run of fully seventy-five yards, the best seen on the Yale field for many years. He was immediately surrounded by the coachers and players, while the spectators cheered and cheered. Brown kicked an easy goal. After the kick off Yale made steady gains, and the game ended with the ball in her possession on her own forty yard line. The lineup was as follows:

Yale (6).	Position.	Wisconsin (5).
Schweppe	Right end	Juneau
Francis	Right tackle	Curtis
Olcott	Right guard	Riordan
Cutten	Centre	Comstock
A. Brown	Left guard	H. Chamberlain
Stillman	Left tackle	Ellis
Coy	Left end	Cochems
Fincke	Quarterback	Wilmarth
Chadwick (Richards)	Right halfback	A. Chamberlain
Sharpe	Left halfback	Peele
McBride (captain)	Fullback	O'Dea (captain)

Touchdown—Richards. Goal from touchdown—Brown. Umpire—Paul Dashiell, of Lehigh. Referee—E. Wrenn. [illegible] Linesmen—Dr. [illegible] Hull, Yale, and L. Anderson, Wisconsin. Time—Twenty-five minute halves.

TIGERS TROUNCE THE CADETS.

SOLDIERS NO MATCH FOR PRINCETON'S STURDY WARRIORS.

West Point, N. Y., Oct. 21 (Special).—The cadets met their Waterloo on the gridiron to-day. Princeton's Tigers defeated them in a hard fought battle that lasted just thirty-five minutes. The first half was twenty minutes and the second fifteen. The cadets were clearly not of the same class as Princeton. One could not hold its own against beef and brawn. The visitors were veterans of the football field, while the cadet team was new and raw. When the men lined up it required no expert to pick the winner.

Only one change was made in the cadet team since the Harvard game. Clark took Lahm's place at quarter, but had to retire with a broken nose before the game ended, and Lahm took his old position again. At 3:10 o'clock the game began. Princeton had choice of position. Clark kicked off for the soldiers. Three minutes later Levick carried the leather over West Point's lines to a touchdown, and Mills kicked a clean goal. Hutchinson picked up Clark's kickoff and punted again. Clark returned the kick, and Kafer fumbled, but managed to hold the ball. Princeton lost five yards and the ball for off side play. [illegible] made a small gain through the centre.

The cadets saw that hammering the Tiger line did not accomplish any results, and Ennis tried another punt, but the ball went out of bounds. Princeton was too eager to make a touchdown and suffered another penalty for off side play. The Tigers soon had the ball on West Point's five yard line again, and Kafer went over for another touchdown. Mills kicked the goal.

The feature of the next play was the blocking of Ennis's kick on West Point's five yard line. The ball went between the goal posts and outside the ropes. Kafer dropped on it, and another touchdown was counted for Princeton. Mills again kicked the goal. The half ended with the ball in the middle of the field.

No change was made in the teams until ten minutes of the second half had been played, when Booth was hurt and Losey took his place. Kafer was also injured. Burke took his place. Duncan was substituted for Hutchinson. Only one touchdown was made by Princeton in this half, as the Tigers had the wind against them. The lineup was as follows:

West Point (0).	Positions.	Princeton (23).
Smith (captain)	Left end	Palmer
Farnsworth	Left tackle	McCord
Goodspeed	Left guard	Mills
Bettison	Centre	Booth
Boyers	Right guard	Edwards
Burnett	Right tackle	Hillebrand
Nelson	Right end	Poe
Clark	Quarterback	Hutchinson
Bookwalter	Left halfback	Levick
Hackett	Right halfback	Kafer
Ennis	Fullback	Mattis

Umpire—Wrightington, Harvard. Referee—Langford, Trinity. Timekeepers—[illegible], West Point. Time—15 and 20 minute halves. [illegible]—West Point, Clark; Princeton, Booth, Kafer and Hutchinson.

HARVARD'S VICTORY OVER BROWN.

PROVIDENCE BOYS HAD PLENTY OF TRICKS—A BRUISING CONTEST.

Cambridge, Mass., Oct. 21 (Special).—Harvard defeated Brown on Soldiers' Field this afternoon by the score of 11 to 0 after two twenty minute halves of the hardest kind of playing. Although the outcome of the game was not in doubt after the first few minutes of play, yet Brown was primed with trick plays, which several times worked for long gains and at one moment seemed likely to mean touchdowns.

It was chance that Brown did not score on these tricks, but Harvard made one touchdown which was not allowed on account of holding, and was held for downs within three yards of another. The day was clear, but the cold was uncomfortable not only for the crowd on the stand, but for the players during the very numerous long waits which the Brown players considered it worth while to cause.

The game was interesting and full of exciting features. Ellis plunged through the line with ease and, changing his feet remarkably well, carried tacklers along with him. Sawin followed his interference for sensational long runs, and Kendall, abandoning his interference, made several equally pretty runs by dodging and hurdling. Daly displayed his usual head work, but Bates outpunted Sawin not only when he had the wind in the first half, but also against it in the second.

Time and again the Brown backs cleared Hallowell on delayed passes and long passes and badly scared the Harvard men. But Kendall and Daly threw them every time. Richardson was a hard proposition for the Harvard line, and especially for Hallowell. Brown's delays annoyed the stands and some bad feeling was engendered when Chesboro was ruled out for pounding Hallowell.

Harvard started out by trying end plays in order to make a quick score against the hard wind which was blowing, but with no success. Sawin ran forty yards from the forty-five yard line, but Harvard was guilty of holding and Brown secured the ball. After seesawing in the middle of the field and being held for downs, Harvard got ten yards for offside play and then hammered tackles and centres until Kendall scored through left tackle.

Harvard's tackle plays were invincible. By the same tactics Harvard soon again pushed to the three yard line, where Brown held firm and kicked out of danger.

The second half saw Hapgood and Richardson gain much ground. Donald was strong and Campbell played a beautiful game, especially under kicks. Harvard held Brown and by line bucking pushed to the twenty-five yard line, where Ellis went through left centre for a touchdown, which was not allowed because Burden had held his opponent. Richardson then ran to the middle of the field on a trick. Harvard took the ball on a fumble and scored by steady gains on both sides of Hollingsworth and by strong plunging by Ellis. The game ended with the ball in the middle of the field. The lineup follows:

Harvard (11).	Position.	Brown (0).
Campbell	Left end	Curtis
Donald (Swain)	Left tackle	Hapgood
Hollingsworth	Left guard	Whittemore
Burnett	Centre	Chesboro (Johnson), Parker
Burden	Right guard	Melendy
Lawrence	Right tackle	Stephen
Hallowell	Right end	Slocum (Barry)
Daly	Quarterback	Pratt
Sawin	Left halfback	Washburne (Barry)
Kendall	Right halfback	Richardson
Ellis	Fullback	Bates

Score—Harvard, 11; Brown, 0. Touchdowns—Kendall and Ellis. Goal from touchdown—Sawin. Referee—Carpenter. Umpire—Lathan, of Yale. Timekeepers—Wood and Gifford. Linesmen—Brayton and Fetterplace. Attendance, 7,000.

COLUMBIA AN EASY WINNER.

IN SPITE OF POOR DEFENSIVE WORK SHE SCORES 18 TO AMHERST'S 0 AT MANHATTAN FIELD.

At Manhattan Field yesterday afternoon the Columbia football eleven met and easily defeated the Amherst team by a score of 18 to 0. The air was crisp and keen, with a slight wind from the northwest—ideal football weather. Twelve hundred spectators shivered and cheered in the grandstand. The viaduct was black with people, for whom there was a good view at no expense, because of the removal of the roof of the grandstand.

Both elevens were ragged in their defensive play. They partly redeemed themselves, however, by their strong offence. Columbia seemed to lack the snap and spirit of her playing last week. This was due probably to the absence of Coach Sanford, who had gone to New-Haven to get a line on Yale's play.

Wilson, Jones and Larendon fumbled often. Columbia made most of her gains by continually bucking the opposing right tackle. Amherst, on the other hand, resorted to end plays with fair success.

The game was called at 2:40, when Herrick kicked the ball to Columbia's twenty-five-yard line to Wilson, who ran back ten yards. Larendon hit Amherst's right tackle for two and then again for three yards. Morley skirted left end for four yards and on a repetition of the play gained twenty yards. After line plunges of four and five yards each by Norman, Morley and Smythe, Norman made the first touchdown. Larendon kicked an easy goal. The score was 6—0, after a play of five minutes.

Herrick punted to Morley, who carried the ball back to Amherst's thirty-yard line, after a run of fifteen yards. Columbia made small gains in successive plays, until Larendon went through Amherst's right tackle for a gain of fifteen yards. Herrick at this point was injured and Clarke was put in his place. Larendon fumbled and Valentine took the ball. Morse gained eight yards for Amherst through right tackle, but lost the ball on a fumble. Bruce replaced Smythe. Larendon fumbled and Amherst took the ball, but by a fumble lost it to Columbia. After vain attempts to buck the centre, Columbia lost the ball on downs. Anderson kicked the ball to Columbia's thirty-yard line to Norman, who ran back four yards. After gains by Bruce and Morley, Larendon fumbled on Amherst's thirty-yard line. Anderson punted to Columbia's ten-yard line to Norman, who kicked the ball thirty yards in return. Anderson again sent the ball flying by a punt to Columbia's ten-yard line, and Norman returned the compliment by landing the ball on Amherst's forty-five-yard line.

The score was 6—0 when the whistle blew. This half was marked by loose playing on Columbia's part, the defensive work being poor. Amherst played a fairly stiff game, her offensive work was strong and her fullback and left halfback played especially well.

In the second half Denman replaced Larendon and Gilchrist took the place of Neitlinger. At 3:32 Morley kicked the ball to Amherst's thirty-yard line. Amherst made no gain and fumbled badly. Anderson made a pretty punt to Wilson at Columbia's forty-five yard line, but the ball was returned fourteen yards. Morse proved to be an easy man for Morley and Denman, who, together, gained twenty-five yards. Denman made a touchdown and Morley kicked the goal, after six minutes of actual play, making the score 12—0.

Anderson kicked off to Gilchrist, who rushed the ball back fifteen yards. Columbia then hammered Amherst's line for small gains. Morley smashed through Morse for a twenty-yard gain, with fine interference by Columbia. Morley added to the good work by making another gain of six yards. Jones, who was put in the game in place of Norman, smashed Amherst's centre and made a touchdown. Morley kicked the goal, making the score 18—0.

Anderson kicked off to Morley, who made a fine run of thirty-five yards. Jones spoiled the advantage gained by a bad fumble. Morley was replaced by Berrian. Wilson lost the ball on a fumble to Amherst, but it was quickly returned to Columbia on downs. Jones made a fine punt of forty-five yards, but the ball was called back for offside play and given to Amherst. Jones gained the ball on a fumble, and Wilson made a run of twenty-five yards on a double pass, and then fumbled. Jones made a beautiful punt of fifty yards to Amherst's five-yard line. A little seesawing was indulged in, after which Anderson punted to Wilson, who carried the ball back twenty-five yards. Jones again fumbled, and with the ball on Amherst's five-yard line the game was called. Columbia improved wonderfully in the second half, showing better defensive work, but the large number of fumbles and the good offensive work of Amherst made the score smaller than it should have been. The lineup was as follows:

Amherst.	Positions.	Columbia.
Ballantine	Right end	Bronson
Morse	Right tackle	Knapp
Gile (Parks)	Right guard	Miller
Larkin	Centre	Wright
Burke	Left guard	Lancaster
Gladwin	Left tackle	Smythe (Bruce)
Dudley	Left end	Neitlinger
Anderson	Quarterback	Wilson
Clark	Left halfback	Larendon
Morse	Right halfback	Morley (Berrian)
Herrick (Clarke)	Fullback	Norman (Jones)

Score—Columbia, 18; Amherst, 0. Touchdowns—Norman, 1; Denman, 1; Jones, 1. Goals from touchdowns—Larendon, 1; Morley, 2. Referee—Smith, of Union. Umpire—Young, of Cornell. Time—20 minute halves.

CORNELL, 6; LEHIGH, 0.

Ithaca, N. Y., Oct. 21.—Lehigh's football team sprung a surprise on Cornell on Percy Field to-day, preventing the sons of Ezra from scoring more than six points. It is extremely doubtful whether Cornell would have crossed the visitors' goal line at all had it not been for a fumble on Lehigh's twenty-three-yard line, which enabled Cornell's new tackle, Folger, to secure the ball from Lehigh's quarterback and run the distance for a touchdown.

Lehigh's good work on the defence would otherwise have entitled her team to a tie game. Cornell's showing on the offence was weak, while Lehigh's ends were strong and had no difficulty in tearing up their opponents' interference. The features of the game were the good work of Morrison and Young for Cornell, both making long runs.

In the last half of the game both teams punted frequently, neither having much advantage. The result of the contest was disappointing to the students, as a score of 18 to 0 was expected. Captain Starbuck was out of the game himself, while Taussig filled right end in place of Cross, and Mueden, a new man, was at right tackle. For Lehigh Reese, Chamberlain and Lindley did some exceptional work. The lineup was as follows:

Cornell (6).	Position.	Lehigh (0).
Duvall	Left end	[illegible]
Folger	Left tackle	[illegible]
Warner	Left guard	[illegible]
Dorrance	Centre	McCarthy
Caldwell (Berry)	Right guard	[illegible]
Mueden	Right tackle	[illegible]
Taussig	Right end	[illegible]
Young	Quarterback	[illegible]
Otis	Left halfback	Chamberlain
Morrison	Right halfback	Reese
Windsor	Fullback	Hawley

Touchdowns—Morrison. Goal—Young. Umpire—G. H. [illegible], Syracuse. Referee—Percy Lang. Time—Twenty minute halves.

PEEKSKILL M. A., 6; SING SING Y. M. C. A., 6.

Peekskill, N. Y., Oct. 21 (Special).—The first football game of the season at the Peekskill Military Academy was played to-day. Their opponents were the team of the Young Men's Christian Association of Sing Sing. The Peekskill Military Academy won by a score of 6 to 6. The score was made in the last minute of the last half, when the ball was kicked to the fifteen-yard line of Peekskill's territory. Watt, the halfback of the Military Academy, captured the pigskin and in a run of ninety-five yards secured a touchdown and kicked a goal, with just fifteen seconds' play left. On Wednesday the Military Academy team will play the West Point substitute team on the latter's grounds.

WESLEYAN, 44; MASSACHUSETTS TECH, 6.

Middletown, Conn., Oct. 21 (Special).—The football game this afternoon between Wesleyan and Massachusetts Institute of Technology was one sided and uninteresting, resulting in a victory for Wesleyan by a score of 44 to 6. Wesleyan fumbled badly at times, but succeeded in scoring almost at will. The sensational play of the afternoon occurred when Maxson secured the ball on a fumble by Wesleyan when it was on Tech.'s five yard line, and running the entire length of the field made a touchdown. The teams lined up as follows:

Wesleyan (44).	Position.	M. I. T. (6).
S. Dodds	Left end	Washburn
Yarrow (Hartwell)	Left tackle	Seyms
Brown	Left guard	McDonald
Sullivan (Lufkin)	Centre	Laws
Montgomery (Ackert)	Right guard	Crain
Cornwall (Durrien)	Right tackle	Pencil
C. Dodds	Right end	Capell (Ellis)
Hartwell	Quarterback	Maxson
Wilson (Lacey)	Right halfback	Woods
Inglis (Wing)	Fullback	Ford

Touchdowns—Wilson, Yarrow, Cornwall, Inglis, Wing, Lacey, Dodds, Hartwell, Maxson. Goals from touchdowns—Brown (4), Ford. Umpire—E. K. Hubbard, jr. Referee—[illegible]. [illegible]—Jones, of Wesleyan; Derby, of M. I. T. Timekeeper—M. Naughton. Time—Twenty minute halves.

QUAKERS SUFFER DEFEAT AGAIN.

THIS TIME LAFAYETTE DID THE BUSINESS—BRAY'S REMARKABLE RUN.

Philadelphia, Oct. 21 (Special).—A most remarkable game in which Lafayette defeated Pennsylvania took place on Franklin Field to-day. The game was remarkable because the only scoring done was on the very first play of the game. Lafayette won the toss and Hare kicked off. The ball fell into the hands of Captain Bray, on the fifteen-yard line. Surrounded by his team, the plucky captain dashed down the field. Nearly every member of the Pennsylvania eleven had some kind of a chance to tackle the runner. One man had his arms about his waist, but the speeding runner slipped through them all. He kept on and finally planted the ball safely between the goal posts. Bray was beautifully protected by his team mates, and his run was most thrilling.

It is seldom that a touchdown is scored in a single run from the kick off, and it is the first time it ever happened to Pennsylvania. Bray is the first man to accomplish the trick this year. The shutout by Harvard last year was the first time since 1890 that Pennsylvania has been whitewashed on the gridiron. In that year Princeton blanked the Quakers, but no one would ever have thought that the little college at Easton would ever be able to lower the colors of the mighty Red and Blue, much less keep them from scoring.

But so it proved, and, try as it would, Pennsylvania could not score. In the first half the ball was carried by the Quakers to within fifteen yards of the Lafayette line, where they lost it for holding in the line. Had that offence against the rules not been committed Pennsylvania might possibly have scored, for Hare, Snover and Davidson were hitting the line like battering rams. Again in the first half Pennsylvania had Lafayette going, but when the twenty-five-yard line was reached a fumble occurred, and the ball was lost. In most instances Pennsylvania found the greatest difficulty in breaking through the stonewall defence of Lafayette.

In the second half Pennsylvania struggled desperately for a touchdown. The ball was carried for forty yards by sheer line dashes to the Easton's eight-yard line. There a stand was made by the defending forces. Several men had been replaced with fresh ones, and Pennsylvania had also changed her team. The plunging at the Lafayette line was kept up. Hare, Snover, Davidson, Kennedy and Coombs had been working like Trojans, and yet seemed unequal of advancing the ball further through the Lafayette line. Captain Hare then tried to get between the visitors' right tackle and end. But he was thrown back for a loss, as his interference broke up almost before it started.

As a last resource the quarter back kick was tried, but it was a rank failure. The ball bounded back of the goal line for a touch back. This was Pennsylvania's last chance to score, as she did not get within hailing distance of the goal again.

Lafayette's team was coached by Newton, an old Pennsylvania player. The Easton team played Pennsylvania's style of game, and, if anything, played it better. Outside of the run by Bray, which resulted in a touchdown, there was little to choose between the two teams.

Pennsylvania's defence was stronger than Lafayette's, but her attack, excepting at certain periods, was not so good. The interference of Lafayette was better than Pennsylvania's. The teams lined up as follows:

Pennsylvania (0).	Position.	Lafayette (6).
[illegible]	Left end	Fly
[illegible]	Left tackle	Chalmers
Hare	Left guard	Trout
McCracken	Centre	Bachman
[illegible] Teas, Mc[illegible]	Right guard	Butler
[illegible] Teas	Right tackle	Wiedenmayer (Platt)
[illegible]	Right end	Brown
[illegible]	Quarterback	Hubley (Bacon)
[illegible] Gardiner	Left halfback	Platt (Berry)
[illegible]	Right halfback	Knight
[illegible]	Fullback	Bray

Touchdown—Bray. Goals from touchdown—Bray. [illegible] Umpire—H. L. Williams. Time—[illegible] halves.

WILLIAMS, 12; DARTMOUTH, 10.

Hanover, N. H., Oct. 21.—Dartmouth lost the game to Williams this afternoon, the score being decided by the simple fact that Dartmouth missed goals from two touchdowns. In the first half Dartmouth seemed to have the advantage, keeping the ball in Williams's territory almost continually, and the line holding every time the Williams backs were sent against it. Jennings and Proctor made the touchdowns for the home team in this half.

In the second half Jennings, who had proved the best ground gainer for Dartmouth, was laid up, and this developed a weakness which Williams took advantage of. Williams also seemed to get more speed and was sure in her formation plays. Draper did great work by scoring two touchdowns, which Moore kicked. In the last few minutes of play Dartmouth braced and worked the ball to Williams's five-yard line, only to lose it on a fumble. The fumble was costly, as Dartmouth did not have another chance to score. The lineup follows:

Williams.	Positions.	Dartmouth.
Chadwell	Left end	Boyle
Sherman	Left tackle	[illegible]
[illegible]	Left guard	[illegible]
Koester	Centre	Brown
[illegible]	Right guard	Corson
De Camp	Right tackle	Butterfield (Hutchinson)
Gillette	Right end	O'Connor
Moore	Quarterback	Thompson (Wentworth)
Graves	Left halfback	Stickney
Draper	Right halfback	Jennings (Wainwright)
Delan	Fullback	Wheeler (Farmer and Proctor)

Umpire—Carleton, of Dartmouth. Referee—Hines, of Williams. Touchdowns—Draper, 2; Jennings, Proctor. Goals—Moore, 2. [illegible]. Time—Twenty-minute halves.

ORANGE ATHLETIC CLUB WINS.

The Orange Athletic Club won a signal football victory yesterday afternoon on the Orange Oval, defeating the University of Pennsylvania Reserves by 16 to 0. The Orange men were heavier men for men, and broke through the Pennsylvania line almost at will, forcing the reserves whenever they got the leather to resort to punting. Pennsylvania tried her favorite turtleback formation, but failed to make it effective. Gibson, Tucker and Joralemon bore off the honors for Orange, although Lamson, the big guard, made fine gains by forcing through the line. Both sides were guilty of offside play, and near the end of the first half the game came near breaking up, owing to Orange's persistence in offending.

The lineup:

Orange (16).	Positions.	Pennsylvania (0).
Kyle	Left end	Edwards (Ames)
[illegible]	Left tackle	[illegible]
Lamson	Left guard	Ten Eyck
[illegible]	Centre	Johnson
Riker	Right guard	Jordan
Tichbell	Right tackle	Fuller
St. Clair (Works)	Right end	Morrison
Lee	Quarterback	Howard
[illegible]	Left halfback	[illegible]
Tucker (Howe)	Right halfback	[illegible]
Joralemon	Fullback	Bernard

Umpire—Dr. [illegible]. Referee—B. W. [illegible]. Linesmen—[illegible]. Timer—[illegible]. Touchdowns—Gibson, 1; Tucker, 1; Lamson, 1. Goals from touchdowns—Lee. Goals missed—Lee, 2. [illegible]—Gibson, [illegible].

TWENTY-THIRD STREET Y. M. C. A. WINS.

Rutherford, N. J., Oct. 21.—The Twenty-third Street Young Men's Christian Association football team, of New-York, defeated the Rutherford Athletic Association's eleven on Wheelmen's Field, Rutherford, this afternoon, by a score of 5 to 0. Neither side scored in the first half. A touchdown and goal were scored at the end of ten minutes in the second. The visitors were again forcing their way through the Rutherford line when the game ended.

PRINCETON FRESHMEN, 35; ST. PAUL, 0.

Princeton, N. J., Oct. 21.—The Princeton freshmen defeated St. Paul at football here to-day by a score of 35 to 0. The feature of the game was a fifty-yard run around the left end by McClave, of Princeton.

K. A. C., 22; MURRAY HILL, 0.

The Knickerbocker Athletic Club eleven at Bergen Point yesterday defeated the Murray Hill eleven by 22 to 0. The touchdowns were made by Ludlow, Sherman, Wishart and Huntington.

HAMILTON, 35; NEW-YORK UNIVERSITY, 6.

Utica, N. Y., Oct. 21.—Hamilton College defeated New-York University at football at Genesee Park this afternoon by a score of 35 to 6. The game was well played by Hamilton, while the New-York players were in a crippled condition. R. Drummond and Dunn, two Hamilton players, were obliged to retire from the game because of injuries.

TRINITY, 16; AMHERST "AGGIES," 5.

Hartford, Conn., Oct. 21.—Trinity defeated the Amherst "Aggies" this afternoon in a stubbornly contested battle by a score of 16 to 5. The feature of the game was the fine line bucking and sprinting by Syphax, of Trinity, and the punting of Halligan, of the "Aggies." The visitors were outplayed at every point except in kicking, in which they excelled, due principally to the fact that Bellamy, the crack fullback of the home team, was out of the game on account of injuries. Halligan kicked a field goal from the twenty-yard line in the first half. The visitors weakened in the second half and Trinity scored three touchdowns, but only one goal was kicked.

RAILWAY REFORMS IN FRANCE.

Paris correspondence of The Pall Mall Gazette.

One of the principal occupations of French Ministers of Public Works is to issue commintatory circulars to the railway companies. M. Baudin, the present Minister, being a Socialist, and in consequence a fond believer in reforms, does rather more circularizing than his predecessors. A month or two ago he thundered against the unpunctuality prevalent on French lines, and to-day he admonishes the companies to do away with a variety of other shortcomings. They are ordered to dispense with ancient, dilapidated carriages, to improve the service on the less frequented lines, to put an end to the interminable dawdling of their slow trains, to abolish that terrible infliction the mixed goods and passenger train, and in general to do much that is hardly left undone for the comfort of passengers. Also they are to provide every railway station with a book in which irate travellers may record their complaints, and to take measures to insure that these complaints be duly considered.

This circular is quite unlikely to mark the beginning of the millennium as regards railway travelling in France, the companies being supremely indifferent to such ephemeral literature as Ministerial circulars. What is more, it is very fortunate that this is the case. In France the State is directly interested in the railway companies paying their way. The improvements advocated by M. Baudin would be costly and, in the long run, would have to be paid for by the Government—that is, by the taxpayer. This difficulty has no weight, of course, with M. Baudin, who, like the good Socialist he is, esteems that the community may legitimately be saddled with the cost of putting in practice any and every Utopian scheme.

While on the subject of French railways I may mention that some apprehension exists as to whether the companies will be in a position to deal with the heavy extra traffic sure to be caused by the Exhibition. The rolling stock of almost all the companies has long been notoriously inadequate even for ordinary needs. With a view to meeting the special requirements of next year large numbers of engines and carriages have been ordered, but the giving of the orders has been postponed to the last moment, with the result that there is much doubt as to whether it will be possible to execute them, the manufacturers having more work on hand than they can get through.

A NURSERY FOR THE PLAGUE.

Lisbon letter to The London Standard.

Oporto is a picturesque city, and "picturesque" is often only another way of saying dirty. In this case it means that, but also something more. The town has a splendid natural situation, being built on the steep and almost precipitous banks of the Douro, some two or three miles from the mouth. It rises abruptly from the water's edge on both sides of the river, and climbs up tier above tier so rapidly that the bridge which spans the river, most part of the stream and connects the two sides, is two hundred feet above the water. The oldest and most thickly populated part of the town lies against the hillside on the north, or right, bank. The heart of it consists of a labyrinth of narrow courts and alleys, only a few feet wide, and flanked by houses of six or more stories, rising above each other and blocking out the sky.

These houses are built back to back, so that there is no through ventilation, and in them the poorest classes—dockers, hawkers and day laborers of all kinds—are packed as thick as the sardines which form their simple diet. It is a dark, noisome and pestilent quarter, malodorous beyond the limits of polite description. There is only the roughest kind of street drainage to carry off the storm water; for the rest the houses are provided with cess pits or with nothing at all. No water is laid on, and the people have to fetch what they want from the public fountains. If to all this is added a state of poverty so great as to mean chronic starvation, one surely has exactly the elements required to reproduce the conditions of life that led to the great epidemics of the Dark Ages.

This is the quarter in which the plague began and round which it has chiefly centred. Whether it could be developed spontaneously under such conditions is a question for science to answer, but one thing is quite certain. Its eradication from the surroundings described must be a matter of extreme difficulty, and while it lasts it may any day enter upon a new and violent phase. If it does there is nothing to stop it, and it will spread like fire in a gale of wind. That it has hitherto behaved in a very tame way is due to good luck, and not to good management to rely on its continuance would be the height of folly. Yet there is the Junta Consultiva de Saude sitting every day in Lisbon and solemnly considering what shall pass the cordon and what shall be stopped, whether knives and forks are to be scheduled dangerous and spoons safe, whether fumes of sulphur or sprays of carbolic acid are more acceptable to the gods. And all the time the people are getting poorer and hungrier and less able to resist the attack which is gradually preparing and closing in upon them. The most serious trouble confronts Oporto. Its prosperity, with that of the whole kingdom, is indissolubly bound up, has already received a severe shock, and, as time goes on, the effects will deepen, not lighten.
