The Markets

Chicago Board of Trade.

Chicago, Jan. 21.—Largely as a result of offerings being unusually meager, wheat today rose higher than atany time since the war began. After opening at a range varying from ¼c off to ⅛c up, the market receded slightly, and then began to soar, but afterward declined more than 1c from the top. The close was unsettled at the same as last night to ⅝@⅞c advance.

Corn went up with wheat. The opening, which was a shade lower to ¼@⅜c advance, was followed by a little bearish reaction, and then a material upturn all around. The close was nervous, at ¾@⅞c net advance.

Oats took the same path as corn.

Provisions responded to the grain strength.

Close:

Wheat—May $1.45⅝; July, $1.-25⅝.

Corn—May, 79c; July, 79⅝c.

CURED HIS RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 210 A Marcellus Avenue, Manasquan, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or most stop the misery of rupture and the worry and danger of an operation.

IF BACKACHY OR KIDNEYS BOTHER

Eat Less Meat, Also Take Glass of Salts Before Eating Breakfast.

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water, also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Fearing that his young brother, Raymond C. Bloom would die at Williamstown, Mass., as the result of hazing before he reached the place, the Rev. L. B. Bloom left last night on the east bound California limited. His mother, Mrs. Anna Bloom, of Los Angeles, was on the train, also hurrying to Williamstown.

The young man was hazed shortly before Christmas. He was a senior in Williams college. He was 20 years old. Mr. Bloom was informed a short time before his departure that his brother was not expected to survive. He was not informed of the means employed in hazing the youth.
