LASELL SEMINARY
FOR
YOUNG WOMEN
Auburndale, Mass.

Do your walking and sitting so much more erect; in your general health; in your conversation; in your way of meeting people, and in innumerable ways, I could see no benefit you are receiving from your training and association at Lasell. All this you must know is very gratifying to me.

So a father wrote to his daughter after her Christmas vacation at home. It is unsolicited testimony as to Lasell's success in some important lines.

Those who think the time of their daughters is worth more than money, and in the quality of the conditions which are about them during school-life desire the very best that the East can offer, will do well to send for the illustrated catalogue.
