HURST PARK WINS AGAIN.

CAPTURES THE CROTONA.

Delhi Takes Handicap from Hurstbourne—Jocund's Walkover.

Had it not been for the fact that a half dozen owners withdrew their horses from the first contest, which permitted John A. Drake's Jocund to walk over for the purse, the racing at Morris Park yesterday would have been considerably above the Monday average. The race which resulted in a walkover was one at six and one-half furlongs for horses that had not won $2,900 in 1903 or 1904, but, as Gettysburg, Acefull, Witchcraft and a couple of other good horses were originally named to start, it promised a pretty struggle.

M. Corbett's Hurst Park, the four-year-old son of Kingston, which won the Toboggan on Saturday, placed himself on a modest pedestal of fame by coming back and "repeating" in the Crotona Handicap over the last six furlongs of the Withers mile. The Crotona is the first of the spring serial handicaps for three-year-olds and upward, and, although withdrawals reduced its field from fourteen to eight, the addition of John A. Drake's Savable and High Chancellor helped to even up affairs, and the company that went over to the post was fairly representative of the overnight handicap division.

On his race in the Toboggan Hurst Park became a pronounced favorite for the Crotona, and it appeared so difficult to select any one to beat him that generous prices were laid against the others. Odom made more or less of a grandstand finish on the favorite and waited for the stretch before he gave his mount his own way. Dolly Spanker had set a rattling pace through the backstretch and around the big turn, and seemed to have the race well in hand when the field straightened out for the run home. Hurst Park had been merely loafing, however, and when Odom called on him he galloped over all his rivals, caught Dolly Spanker and won by two lengths. The Kingston gelding was stopping fast, but he held on long enough to keep Kohinoor from taking the place.

A handicap over the Withers mile, although open to all save the youngsters, served as a public trial for at least one prominent candidate, Delhi, the Ben Brush—Veva colt, owned by James R. Keene. The manner in which he defeated Hurstbourne, Gettysburg, Jacquin, Lord Badge, Buttons and a few others was so impressive that he will have strong support if he starts next Saturday.

For the first seven furlongs he set such a terrific pace that all save Hurstbourne, who was carrying 124 pounds, by the way, and old Himself were done to a turn. Delhi was all out at the end, but he ran an amazingly good race, as did Hurstbourne, who likewise was making his first start of the year. The winner was the public's choice, but 3 to 1 could be had against him at any time.

To give the spectators their money's worth the association split a selling race for two-year-olds in two. The first section was run by H. F. Meyer's Muezon, a well played second choice, with Little Scutterup second and Metropole third. The second division went to W. B. Leeds's Jim Gore colt Merry Lark, an odds-on favorite.

After Thistle Heather had shown a small field of mares and fillies the way to the stretch in a race at seven furlongs over the Withers mile, she stopped, and H. B. Duryea's Mineola took her place and won cleverly from Witchcraft. The first named filly took the small end of the purse from Puzzling, a 9 to 5 favorite. August Belmont's cast-off filly Fine Art won her first race in an affair for maiden three-year-olds and over at Eclipse course.

PADDOCK PARAGRAPHS.

"Patsy" McCue, the well known jockey, yesterday signed a contract by which E. E. Smathers will have first call hereafter on his services. Since the beginning of the Bennings season the Clydes, of Philadelphia, have had first call on him, and it is quite likely he will continue to ride the Goughacre horses when Mr. Smathers does not require his services. More than any other jockey "Patsy" seems to have survived the vicissitudes of the turf, and although he has not been always successful in dodging all its pitfalls no one has ever questioned his honesty. He has been riding in his oldtime brilliant form this year, and McChesney is sure to be in competent hands if McCue is up in the Brooklyn Handicap.

In two successive features at Morris Park James R. Keene has had the pleasure of seeing five of his Kingston horses, all bred by himself, finish first and second and first, second and third. As in both instances the horses which sported his colors were beaten by animals he had either given away or sold, it is imaginable that his pleasure was somewhat tempered. Hurst Park, the Kingston colt he turned over to "Mattie" Corbett, beat his Kingston Kohinoor in the Toboggan, and yesterday Kohinoor was beaten by both Hurst Park and Dolly Spanker in the Crotona Handicap. Dolly Spanker is a three-year-old gelding by Kingston—Lady Gay, and was sold last year to R. T. Wilson, jr. Mr. Keene was so much interested in his three-year-old Ben Brush colt Delhi, with whom he hoped to win the Flatbush last year, and which was making its first public start in the last race yesterday, that, with "Jimmie" Rowe, he walked out into the middle of the track to watch his preliminary gallop. In his race Delhi had a world of early speed, and went the first one-eighth in 0:12 2-5, the quarter in 0:24 1-5 and the three-eighths in 0:36. He tired perceptibly through the stretch, and the mile was run in 1:40¼—a quarter of a second slower than the Metropolitan was run. Both Kohinoor and Delhi are eligible for the Withers.

John E. Madden seems to be having more than his share of hard luck with his chestnut colt Gettysburg, the three-year-old son of Hamburg—Bettie Blaise. On Friday the colt was beaten a nose in a seven furlong sprint by Bryn Mawr, principally because McCue outrode Thompson, and yesterday, in a mile handicap, Gettysburg had all the wind and the running kicked out of him by Hurstbourne. He finished last, and seemed in great distress when Thompson brought him back to the judges' stand.

The four-year-old brown colt Out of Reach, which ran in M. Corbett's colors yesterday, and was favorite in a maiden race for the older horses, is by Persimmon, which won the English Derby for King Edward a number of years ago, and is out of Sandfly, an English mare. He was brought to this country by James R. Keene, and was turned over to Corbett.

Redfern was set down for a day for disobedience at the post yesterday.

SILVER PLATE IN RACEHORSE'S HEAD.

Bacchanal's Skull Successfully Trepanned—He Will Race Again.

When Bacchanal, the Rayon d'Or steeplechaser who carries Charles Pfizer's colors, goes to the races again it will be with an artistically trepanned skull. Bacchanal went down at a jump in the New-York Steeplechase last Saturday and knocked a hole in his head, just over his left eye, almost large enough to insert a man's hand in.

Dr. Farley, the racing veterinary, said that trepanning was the only thing he knew of that would save the horse, and the operation was performed on Saturday. A piece of silver was fitted into the opening and the wound dressed. In an hour after the operation Bacchanal was in his right mind and eating with relish. Trepanning is an operation rare in veterinary surgery.

KETCHUM TO FIGHT FOR CRESCEUS.

Engages Attorney, Who Says Decision Was "A Put Up Job."

[BY TELEGRAPH TO THE TRIBUNE.]

Toledo, May 9.—George H. Ketchum does not propose to give up the record made at Wichita by his trotting stallion Cresceus without a fight. He has rctained Clarence Brown as attorney. Mr. Brown is preparing a statement that fairly bristles, it is said, with strong charges and allegations, which will not be made public until time to use them effectively. Tonight, when Mr. Brown was asked his opinion of the Chicago finding, he said: "It is a dirty, outrageous act, that's all. It was a put up job, without a doubt."

ATTEMPT TO POISON KREMLIN.

[BY TELEGRAPH TO THE TRIBUNE.]

Pittsfield, Mass., May 9.—An attempt was made last Friday night to poison the trotting stallion Kremlin, 2:07¾, owned by William Russell Allen, of Pittsfield and St. Louis, president of the National Trotting Association. The horse was at Allen Stock Farm, two miles east of this city. Two pounds of paris green were mixed with the feed which is fed to the stallions in the stock barn, but a small quantity of the poison scattered outside the box led to discovery. Employes recently discharged, are under suspicion. Stock valued at more than $150,000 are fed daily from the feed box in which the poison was deposited.

PRINCE ALERT AT EMPIRE CITY TRACK.

Prince Alert has arrived at the Empire City Track, and will be prepared by "Jack" Curry for his attacks on time. Curry said yesterday that he expected to drive his horse, now twelve years old, in 1:55 before the end of the season. Curry has brought a string of sixteen horses to the track, including Dry Monopole, 2:08; Little Sphinx, 2:16¼, and Major, 2:23¼. Forty horses from John H. Shults, from Shultsburt Farm, arrived at the track yesterday. Trainers are coming to the Yonkers course in numbers, because the oval is known as an early one for training, and the lateness of the season makes quick preparation necessary. "Tommy" Murphy has there Hetty G., 2:05¼; Trilby Direct, 2:08¾; Daphne Direct, 2:09¼, and a dozen others. Workout days are Tuesday and Thursday.

NAVY CREW CAPTAIN LOSES PLACE.

[BY TELEGRAPH TO THE TRIBUNE.]

Annapolis, Md., May 9.—Alvah B. Court, captain of the Naval Academy eight for this season, has been permanently displaced at stroke of the varsity crew by Chester W. Nimitz, and is now stroking the second crew, who stroked a fine race against Yale on Saturday. Midshipman Nelson H. Goss, No. 7, is now acting as captain of the crew. The Navy will close the rowing season on May 21 with a double header race with the first and second crews of Georgetown.

St. Louis, May 9.—The Giants again defeated St. Louis to-day by a score of 5 to 1. McGann knocked out a double in the second inning, which brought three men home.

Four runs were scored in this inning by the visitors. Dahlen, first to the bat, hit to Beckley, who threw the ball over the first baseman's head, and Dahlen got to third. Gilbert singled and Dahlen scored. The former was caught off first, and Warner flied. McGinnity reached first on Shay's error. Browne made his base on a scratch infield hit, and then a passed ball advanced the two one base each. Devlin got to first on balls, and McGann followed with his drive to centre field, that sent home McGinnity, Browne and Devlin. Mertes was third to be retired on a fly. The score:

CINCINNATI BEATS BROOKLYN, 3 TO 2.

Cronin Goes to Pieces in the Sixth and Lets in Three Runs.

Cincinnati, May 9.—The home team defeated Brooklyn in an exciting game to-day by a score of 3 to 2. Odwell's timely triple in the sixth inning was responsible for the local nine's victory.

Lumley's triple and two singles brought two runs in for the visitors in the first inning and made things look bright for the Superbas. Cronin, however, in the sixth inning, went to pieces, and was hit for two singles and a triple, with a base on balls, which gave three runs to the home team. The score:

RULES FOR "AUTO" REGISTRATION.

Registration Certificates and Drivers' Badges To Be Exchanged.

Automobilists have recently received notices regarding registration. Governor Odell on May 3 signed the new motor vehicle law, and thirty days are allowed to comply with its provisions. A full summary and instructions are being prepared and will be sent out later. The notice follows:

If your car has been previously registered you must return to the Secretary of State at Albany the registration certificate, together with a fee of $1, whereupon said officer will issue to you a registration seal with the old number thereon. This privilege is not available to owners who are unable to return their old certificates. This seal must "at all times be conspicuously displayed on the vehicle."

If your car has not previously been registered you must make application to the Secretary of State, accompanying the same with a fee of $2, whereupon said officer will issue to you a registration seal bearing the number by which the vehicle will thereafter be known, which seal must "at all times be conspicuously displayed on the vehicle."

Chauffeurs or operators who are not owners should return to the Secretary of State the certificate issued under the old law, if that is possible, and, if not, should file a new application on a blank to be provided by the Secretary of State, and pay a fee of $1 in case of previous registration, and $2 in case the registration is new. The Secretary of State will thereupon issue a chauffeur's badge, bearing the proper number, which must be "worn by such chauffeur pinned to his clothing in a conspicuous place" while he is operating a car.

Manufacturers and dealers are only required to register each style or type of vehicle dealt in by them, and may obtain duplicate seals upon payment of 50 cents each.

Application blanks for registration of both owners and chauffeurs are now being prepared by the Secretary of State, and will be forwarded to members as soon as received.

The number of the vehicle as thus registered must be displayed on a plaque on the back of such vehicle as heretofore, numbers "to be in Arabic numerals, black on white ground," not less than three inches in height, and each stroke not less than half an inch wide, and in addition the letters "N. Y.," not less than one inch in height, black on white ground; this, in addition to affixing to the vehicle the small registration seal furnished by the Secretary of State.

The registered number of the vehicle must also be displayed on two front lamps "in separate Arabic numerals not less than one inch in height, and each stroke to be not less than one-quarter of an inch in width."

On sale of a registered vehicle, the owner, except a manufacturer or dealer, must, within ten days, return the registration seal to the Secretary of State.

OLDFIELD TO ASK NEW TRIAL.

"Barney" Oldfield arrived in this city yesterday. He will try to see the members of the racing committee of the Automobile Club of America, and get them to send the car to Germany in the international cup race.

Oldfield says the reason why the machine did not make good in the test held by the club last week was that the machine was built for racing over a smooth course, but the course on Thursday included a number of gutters. He said that he thought the car could last 320 miles in a race, and that it had been great! strengthened since the Florida meet.

TIE IN CHESS HOLDS.

Janowski and Marshall Still First in Tourney.

Cambridge Springs, Penn., May 9.—At the end of the ninth round of the International Chess Masters' tournament, now in progress in this city, Janowski and Marshall remained tied for first place, while Lasker is third. Barry showed improved form in drawing with Schlechter. Hodges was beaten by Marshall, after he had good winning chances. Lasker won a game against Tschigorin, which the latter ought at least to have drawn. The results follow:

Lawrence beat Mie
