BENJAMIN FRANKLIN SAID:
"Rather Go to Bed Supperless Than Rise in Debt."

"In debt" means but one thing, whether you have creditors HOUNDING YOU or whether you have AN UNPAID BILL IN A DEPARTMENT STORE. IN A GREATER OR LESSER DEGREE "YOU GIVE TO ANOTHER POWER OVER YOUR LIBERTY."

A Deposit Account at Macy's Is a Sure Safeguard Against Indebtedness.

Such an account gives you all the conveniences of an ordinary "Charge" account in a credit store, with none of the faults. Furthermore, it gives you the positive economies of Macy's strictly cash system, and your money earns interest every day it is on deposit.

You can deposit any sum you care to; make purchases in the usual way and have them "charged" in the UNUSUAL way—to the money you have on deposit.

Monthly statements are mailed. On unexpended balances interest is allowed at THE RATE OF 4%, COMPOUNDED EVERY THREE MONTHS.

SPECIAL SUMMER DELIVERY SERVICE.

As an additional convenience for Deposit Account patrons, we deliver free, during the summer, to any station in United States East of the Mississippi River purchases charged to Deposit Accounts.

(This Applies Only to Accounts in Existence Prior to May 1st.)

Investigate this distinctly modern and economical method of having purchases "charged."

Know How Much You Spend and For What You Spend It. Avoid the Credit Man and His Wiles As You Would Avoid the Plague.
