OBITUARY
 Raymond Clare Tilton, son of Mr. and Mrs. Loren C. Tilton, was born in the Elk Valley neighborhood near Waterbury, Neb., on April 3, 1907.
 He entered quietly into rest at the parental home at Central City, Neb., on Tuesday, October 4, 1921, aged 14 years, 6 months, and 1 day. His death was due to sarcoma, together with other complications which resulted. He leaves to mourn his loss within the immediate family, his father and mother and two sisters, Opal and Margaret.
 The life of Raymond Tilton has been a most beautiful one and stands out as a wonderful example to others. It has been especially true of him that his life was in deeds, not in years. Although God has called him in his boyhood, yet he has lived long in true life and character. He gave his life to Jesus at the early age of 11, and was a true Christian boy. He was a member of the Friends church and always deeply interested in the Bible School and church.
 His last illness was very remarkable and beautiful in many ways. Although he suffered intense pain in the early days of his illness which had its beginning in the month of last January, yet he was always patient and never complained. He had absolutely no fear of death, although he knew that he would probably not recover. God gave him deliverance from pain and suffering so that he entered very quietly and peacefully into rest. He had looked forward eagerly to going on in school and college, yet he was entirely ready to go if it was God's will that he should not get well. His faith in God was most implicit and confident.
 The sympathy of a host of friends in the old neighborhood of Elk Valley and among the new associates here at Central City, goes out to the
