HOME DEPARTMENT OF THE FARM BUREAU.  
By Geneva Rankin.

Every woman at some time in her life is called upon to nurse the sick or attend emergency accidents. Many women are interested in learning all they can of the nursing care for the sick. The sick may be made more comfortable and the duration of the illness shortened by the woman of the home having a knowledge of simple methods of nursing procedure. First aid supplies in the home and a knowledge of their use will often prevent unnecessary infection. Simple equipment in the sick room will make home nursing easier and more efficient.

Mrs. Dan F. Sheehan, Farm Bureau director of Emerson precinct, has arranged for Miss Murphy, State Health Specialist, to give a Home Nursing Demonstration at Nacora February 8th, at 2 o'clock in the afternoon. Everyone is cordially invited to attend this meeting. Miss Murphy will give health and hygiene lectures and weigh and measure children at the Farmers' Institute Febru-

ary 9 and 10. Slides showing the results of poor nutrition among children will be shown. Methods for correcting these defects will be advised. Those wishing to have their children weighed and measured should talk or correspond with the County Home Agent before February 8th.

The County Home Agent will give a demonstration of Short Cuts in Sewing at the home of Mrs. C. R. Young Friday afternoon at 2 o'clock. Mrs. Young is leader of this subject in Dakota City and wishes to have the women fill out questionnaires and also make plans for electing a delegate to the dressmaking school to be held in the county the first of March. All women are cordially invited to attend this meeting.

There will be a meeting for the purpose of making dress forms at the home of Mrs. M. Boier at Jackson next Thursday afternoon at 1 o'clock, and also a demonstration at the home of Mrs. C. B. Crego Saturday, February 4, at 2 p. m.

grain and livestock shows held this season, where large entries were made and ribbons only were awarded, we feel sure that people who bring their wares to the show as in former years. After all, whether we win or lose, or get cash prizes or only ribbons, the real benefits to be derived from entering any contest comes from comparing your skill with that of your neighbor.
