NO AGREEMENT ON GAME

Date and Site of Army-Navy Contest Still Undecided.

[By Telegraph to The Tribune.]

Annapolis, Aug. 21.—There has been no agreement between the athletic authorities of the Naval and Military academies as to a football game for the coming season, notwithstanding the reports that the date has been fixed and the National League baseball grounds at Philadelphia has been selected as the scene of the contests. It was stated here to-day on absolute authority that the arrangements for the game had not been made and consequently no date for the contest selected. The three-year agreement between the representatives of the two service schools came to an end with the game last year, and so far the efforts to reach an understanding have failed.

The representatives of both institutions have declined to talk about the matter and hope to be able to announce an agreement in the near future. It is thought likely that there has been a disagreement over the date of the game. The Navy has always taken a stand for the Saturday after Thanksgiving Day, which falls on December 2 this year. The Army prefers the date one week earlier, and it is possible that there has been a difference of opinion on this point.

ARRANGE FOR BIG MATCHES

West Side Tennis Club to Build Stands for Spectators.

Arrangements have been completed for the seating of the gallery at the coming preliminary matches in international tennis which will be held early next month at the courts of the West Side Tennis Club. Single reserved seats in the grandstands will be sold for $1.50, while season tickets for the three matches will bring $3.50. As in the case of the international polo maches at Meadow Brook, tickets for any specified contest which cannot be played because of weather conditions will be good on the date to which it has been postponed. The club's committee in charge of the maiches have arranged to have the tickets on sale at Wright & Ditson's, Spaulding's and the McBride theatre ticket agency.

It has been decided that William A. Larned, the national champion; Thomas C. Bundy, ranked No. 2, and recent winner at Southampton; Raymond B. Little and Maurice E. McLoughlin, will compose the American team. This gives half the responsibility of carrying off the honors for America to prominent Eastern players and half to the Californians, whose star has been rising brilliantly in the tennis sky of late. England will be represented at the West side courts by C. P. Dixon, Arthur Lowe and A. S. Beamish, all seasoned players, who are confidently expected to give a good account of themselves and force the American team to do its best in the struggle for the honor of carrying the contest to Australia.

CHESS TOURNAMENT BEGINS

Marshall and Three Other Americans in Carlsbad Meeting.

Carlsbad, Aug. 21.—Twenty-six chess masters gathered here to-day for play at the Kursaal in the first round of the international chess masters' tournament.

Frank J. Marshall, of Brooklyn, and three other Americans are entered in the tournament. The play to-day resulted as follows:

Alapin defeated Spielmann, Suechting defeated Jaffe, Schlechter defeated Chajes, Perlis defeated Burn, Chotimirski defeated Tartakower, Alechine defeated Vidmar, Niemzewitsch defeated Fahrni and Cohn defeated Rabinowitsch, while the games between Loewenfisch and Salwe, Kostic and Marshall, Rotlewi and Rubinstein and Johner and Teichmann were drawn. Duras and Leonhardt adjourned their game in an even position.

The second round of the tourney will be played to-morrow.

WINS IN STRAIGHT HEATS

Vernon McKinney on Good Behavoir and Makes a Record.

Columbus, Ohio, Aug. 21.—The three fixtures on the card for the first day of the second week of the International breeders' meeting here were all won in straight heats. In the Board of Trade Stake, for 2:07 pacers, Vernon McKinney was the favorite. Sir R., the Murphy entry; Peter the Second, Ginger, Sunny Jim and Shaughran were the starters against the Canadian owned pacer.

Vernon McKinney was on his good behavior, and, piloted by Havers James, paced the three heats without a skip or a break. He won in straight heats, being chased out each time by Sir R., with Peter the Second third. The times for the three heats were 2:03¼, 2:02 and 2:02¼, the average being 2:02½. It was announced that this was a world's record, being the fastest three heats ever paced by a stallion in a race. Incidentally, the record for the event was lowered by a second and a quarter, the previous mark having been set at 2:03¼ by Judex, in 1908, and Vernon McKinney's own record was lowered by a second and a half.

PAPKE TO MEET BURKE.

Entering the roped arena for the first time since he won the middleweight championship of Great Britain by knocking out Jim Sullivan, Billy Papke will meet "Sailor" Burke in a ten-round bout at the Twentieth Century Athletic Club to-night. This will mark the second meeting of the pair. A couple of years ago they boxed a six-round bout, in which Papke was adjudged victor. His victory was gained only after a narrow escape from a knockout, for the husky Burke floored him for the count in the third round and had him in a bad way at the bell.

Since that time Burke has come on in fine style, and to-day is a much better fighter than ever before in his career. His long list of victories has given him confidence in his ability and he is willing to stand up and take a chance once in a while now. He has been training for the last month at Johnson's roadhouse for the battle and is simply alive with confidence in his ability to win.

MOTOR BOATS LEAVE ENGLAND.

The presence of the full team of three boats promised by the British contestants for the international motor boat races here in September was assured to-day, when the Motor Boat Club of America received a cable message from the Royal Motor Yacht Club of England, saying that the Pioneer and the Tireless had been shipped on Saturday on the steamer California. They should arrive here by August 28. The third member of the British team, the Maple Leaf, is already here.

CALLAN LAW "RIDICULOUS"

Magistrate Krotel, Fining Speeders, So Describes It.

Anson Buchard, an automobile maker of Schenectady, N. Y., was said to be speeding at twenty-five miles an hour at Jerome avenue and 175th street yesterday morning, when he was arrested by a bicycle patrolman. He said in Morrisania court to Magistrate Krotel that he had been staying at No. 777 Madison avenue, was on his way home and thought he had a right to go twenty-five miles an hour, as there was no one within a long distance of him.

"You're referring to that ridiculous Callan law," said Magistrate Krotel. "That states you may go thirty miles an hour and in the same provision states that cities of the first class may make their own provisions of speed. I'm sorry, but I'll have to fine you, though in your case the law's ridiculous. Three dollars."
