TOPICS OF THE STREET

FOREIGN TRADING.—Foreign houses sold about 5,000 shares of stock on balance in this market.

DIVIDENDS DECLARED.—Dividends have been declared as follows: Northern Pacific Railway Company, regular quarterly 1¾ per cent, payable February 1; Atchison, Topeka & Santa Fé Railway Company, regular quarterly 1½ per cent on the common, payable March 1; St. Louis & San Francisco Railroad Company, regular quarterly 1 per cent on the first preferred, payable February 1; Western Maryland Railway Company, regular quarterly 1 per cent on the preferred, payable January 20; United Cigar Stores Corporation, regular quarterly 1½ per cent and extra ½ per cent, payable January 15; National Licorice Company, semi-annual 3 per cent on the common stock, payable January 6 (this dividend compares with 2 per cent declared six months ago and 2½ per cent a year ago); Mohawk Mining Company, semi-annual $1 a share, payable February 1 (the last preceding dividend was 75 cents a share); Sealshipt Oyster Company, regular quarterly 1¾ per cent on the preferred, payable January 15, and American Light and Traction Company, regular quarterly 1½ per cent on the preferred and 2½ per cent in cash and 2½ per cent in common stock on the common stock, all payable February 1.

A. J. HEMPHILL A DIRECTOR.—Alexander J. Hemphill, president of the Guaranty Trust Company, has been elected a director and member of the executive committee of the St. Louis Southwestern Railway Company in place of Howard Gould, who has resigned in view of an intended absence in Europe.

CITIZENS' CENTRAL NATIONAL BANK.—The Citizens' Central National Bank has made a notable record in the results of its business operations for about seven and a half years since the consolidation of the National Citizens' and Central National banks, the net earnings for that period, $2,646,888 47, being in excess of the bank's capital of $2,550,000. Out of this, dividends of $1,185,750 have been paid and $1,461,138 47 has been applied to the increase of surplus and profits, the bank to-day having a capital of $2,550,000, surplus of $1,000,000 and undivided profits of $920,138 47. Considering the strictly commercial character of the bank's business and the conservatism of the management, this is an unusually favorable showing. Edwin S. Schenck is president.

BANKING HOUSE'S NEW LONDON FIRM.—William Salomon & Co. announce that the representations which the firm has heretofore maintained in London and on the Continent will be transferred to and continued by the firm of Salomon & Co., of London, a new co-partnership which has been formed for the purpose of conducting the business of merchants, with its head office at No. 2 Austin Friars, London, E. C., England. The new firm will act as the correspondent and representative of William Salomon & Co., of New York.

LARGE STEEL RAIL ORDERS.—The Great Northern Railway Company has ordered 36,000 tons of steel rails, the order being divided among the United States Steel Corporation, Lackawanna Steel Company, Cambria Steel Company and Pennsylvania Steel Company. The Southern Railway Company has bought 21,000 tons of steel rails from the Tennessee Coal, Iron and Railroad Company.

REDMOND & CO.'S RAILWAY EXPERT.—W. R. Sullivan, until recently assistant to the president of the Atlantic Coast Line and formerly connected with the Plant system of railways and steamships, has become associated with Redmond & Co. as a railway expert, to assist the firm in looking after its various railroad interests.

NATIONAL SURETY STOCK INCREASE.—The directors of the National Surety Company have recommended to stockholders that the capital stock of the company be increased from $1,500,000 to $2,000,000, the additional 5,000 shares to be offered to stockholders at par.

OUTSIDE SECURITIES.

The market for outside securities displayed considerable activity and strength throughout almost the entire list. The tobacco issues were the features. American Tobacco, after opening down 7 points, advanced 25 from the low figure, while the ex-subsidiaries at one time showed a gain of 19 points. British-American Tobacco rose ¾, but subsequently reacted slightly on profit taking. P. Lorillard moved up 3 points and Liggett & Myers 2 points. United Cigar Stores continued heavy. Standard Oil issues were quiet but firm. In the mining list Inspiration, Butte Coalition, Giroux, Braden and Greene-Cananea were fairly active within narrow limits. Ely Consolidated was strong. The silver stock continued heavy. Porcupine issues were slightly better. Bonds were quiet, with a fair inquiry for Ray Consolidated 6s. Detailed operations follow:

FOREIGN FINANCIAL.

London, Jan. 2.—Consols for money closed 1-16 higher at 77¼, and for the new account ¼ higher at 77 7-16. Canadian Pacific advanced ½ to 241⅝, and Anaconda ⅛ to 17⅞. Grand Trunk was ⅞ lower at 24⅛.

Money was easy, owing to the release of dividends and bank balances. Discount rates were weak.

The stock market started the year cheerfully and generally higher. British securities, Mexican rails and diamond shares were the features. Copper stocks and Grand Trunk issues closed easy, while weakness in Nicaraguan bonds was attributed to the passing of the January interest. American securities opened steady, and during the forenoon were quiet at slight advances. Later Wall Street support caused small additional gains, and the market closed steady.

Paris, Jan. 2.—Three per cent rentes closed 25 centimes higher at 94 francs 65 centimes. Prices were steady on the Bourse.

Berlin, Jan. 2.—The Boerse opened strong to-day. Prices weakened later under profit taking.
