Occasional lots of very closely graded stock, showing extra fancy quality, are placed as high as our quotation for extras. Regular packings plenty, in moderate demand, with prices barely steady. Buyers above 18@19c are, however, more and more critical in their selections. Dirties and checks show further decline. Nearby white eggs favoring the buyer, with a smaller part of the stock reaching top quotation; most sales range at 21@22c, only extra fancy stock going higher. IN the REAL-ESTATE MARKET

LOWER FIFTH AVE. SECTION HOUSE SOLD

Heirs of the Late Francis M. Bacon Dispose of His Home in West 10th Street.

BUYS PROPERTY IN REAR OF OTHER HOLDINGS

The late Francis M. Bacon's home at Nos. 20 and 22 West 10th street, has been sold for the heirs, by the Douglas Robinson, Charles S. Brown Company to a purchaser represented by E. H. Ludlow & Co., who will occupy the house, after it is altered. It was originally two dwellings, and was converted into one by Mr. Bacon. The site measures 42x109 feet.

Alexander Smith Cochran, of Yonkers, has purchased from Charles P. Barkley, No. 23 West 58th street, a four story dwelling house on lot 20x100.5 feet, between Fifth and Sixth avenues. The property is at the rear of the old Alhambra apartments, eight story structures, at No. 24 to 28 West 59th street, also owned by Mr. Cochran. The 59th street houses, which occupy a frontage of 75 feet, just west of the Plaza Hotel, were seriously damaged by fire a couple of years ago and have never been rebuilt. Last December Mr. Cochran filed with the Buildings Department plans for a twenty-one story store and apartment building to cost $600,000 and to cover the 59th street site, but work was never begun.

Arnold, Byrne & Baumann resold for George F. Johnson the two five story apartment houses No. 1551 to 1557 Minford Place, each on plot 37.6x100 feet; also to the same buyer the southeast corner of Minford Place and 175d street, a similar house on plot 33x100 feet. These houses, together with No. 1558 to 1562 Minford Place, were taken in exchange through the same brokers from the Foxvale Realty Company the early part of this month for twenty lots on Stebbins avenue, 150 feet east of Westchester avenue. This completes the resale of the Minford Place property, No. 1558 to 1562 having been resold to Lowenfeld & Prager a week ago. Arnold, Byrne & Baumann were the brokers in the original exchange and in the resale of the five houses.
