BANKERS IN CUBAN LOAN

Kuhn, Loeb & Co., 1st National and City Bank in with Morgan.

J. P. Morgan & Co. announced yesterday that associated with them in the syndicate underwriting the new $10,000,000 Cuban 5 per cent loan are Kuhn, Loeb & Co., the First National Bank and the National City Bank. No arrangements have as yet been made regarding the time of the issue, but it is expected that the bonds will be placed on the market in the near future. Following is the statement:

"Messrs. J. P. Morgan & Co. have been advised by their agent in Havana that their bid for the $10,000,000 5 per cent loan, recently authorized by the Cuban Congress, has been accepted by the Cuban government.

"The bonds will be an obligation of the Republic of Cuba and will have as special security 10 per cent of the customs receipts, amounting to about $2,000,000 per annum, subject only to the 15 per cent of the customs receipts already pledged as security for the 5 per cent loan of 1904.

"The term of the bonds will be thirty-five years, sinking fund to commence on January 1, 1920, and the Cuban government will pay 102½ for drawn bonds if unable to purchase the bonds necessary for the sinking fund upon the market at a lower figure.

"The Cuban government will also be entitled at any time after January 1, 1920, to extend the operation of the sinking fund or redeem all bonds outstanding at 105.

"Associated with Messrs. J. P. Morgan & Co. are Messrs. Kuhn, Loeb & Co., the First National Bank and the National City Bank."

TAKES UP M. & ST. L. NOTES

Company to Pay Off $500,000 New Notes for Remainder.

Newman Erb, president of the Minneapolis & St. Louis Railroad, announced yesterday that the company had not only arranged to pay off $500,000 of its maturing notes, and to provide for the remaining $2,500,000 by the sale of two-year 6 per cent notes to Speyer & Co., but that arrangements had also been made to reduce by $1,000,000 its floating debt through the sale of treasury bonds.

"The right to exchange maturing notes for the new notes," said Mr. Erb, "will be offered to the present holders on attractive terms. The new issue will be secured by $5,500,000 of the company's 5 per cent extension and refunding mortgage bonds. The new financing reduces the debt of the company by $1,500,000, leaving the floating debt approximately $900,000 an amount that can be discharged almost at any time."

Mr. Erb also said that a plan would soon be announced for the absorption of the Des Moines & Fort Dodge Railroad. The Minneapolis & St. Louis now owns 51 per cent of the capital stock of this company.
