RUBIEN OFFICE BOY TO WEEKS, SAYS IRISH A. C.

Athletic Club Resents the Action of A. A. U. in Kiviat Case.

CITES THE CASE OF PLATT ADAMS

Calls Burning of Slip the Mystery of the Yellow Ticket.

The Irish-American Athletic Club, in a statement of almost two thousand words, issued yesterday, protested against the action of the registration committee of the Metropolitan Association in declaring Abel R. Kiviat its track captain, and Harry J. Smith, of the Bronx Church House, professionals. The committee found the two athletes guilty on the charge of demanding excessive expense money for competing in a set of games held at Schenectady on September 18, 1915.

The statement refers to Frederick W. Rubien, the president of the Metropolitan Association and secretary-treasurer of the Amateur Athletic Union, as the "office boy to Justice Bartow S. Weeks," the latter being called the "Pooh Bah in the play, pro-vostor, judge and Lord High Executioner." Justice Weeks also is charged with having made "a phonograph of George F. Matthews, chairman of the committee, while the latter sat there parrot-like to repeat his rulings."

The statement goes on to say that the members of the "registration committee were completely overawed by the royal presence at Justice Weeks, while they were mere rubber stamps to register the will and the wishes of the mighty Weeks."

Weeks is later asked in the statement: "Why did not the chairman of the law committee appear in the Platt Adams case when one of his clubmates was up before the registration committee on similar charges? Was it because Adams belonged to the New York Athletic Club and not to the Irish-American Athletic Club?"

The club statement then accuses Weeks of being a dual personality, a modern Dr. Jekyll and Mr. Hyde, who not only tolerates but himself demands answers which purely are hearsay and have absolutely no probative value. "His excuse for such an extraordinary performance is that the end justifies the means, and that if no other way can 'convictions' be obtained in these cases. It is to laugh. But this, we are solemnly advised, is one of the rules at the Amateur Athletic Union. If it is, shame on the man who drafted it; shame on the men who adopted it, and shame on the men who seek to enforce it!

"Again, how can any man prove his innocence excepting by denying the accusation made against him? Kiviat denied point blank that he knew anything about the 'yellow slip.' What proof (fifteen were the mark!) was adduced to the contrary? Eaton came down here a week ago and stated in the presence of some newspaper reporters that Campbell told him that his wife had destroyed the 'yellow ticket.' Eaton denied this last night, and the newspaper men who heard him denounced him as a liar. Campbell testified that the 'yellow ticket' was not inclosed in one of the letters which Kiviat had sent him, but that it was in a separate envelope and that it had mysteriously disappeared, he knew not where. It was not until he had taken his seat among the amused crowd of spectators, and whatever conscience he has began to prick him, that in a moment of remorse he jumped up and shouted:

"'If you want to know the truth about this miserable affair I'll tell you; my wife burned the slip.' It is not the first time in the history of crime that a man seeks to hide his guilt behind the petticoats of a woman. Mrs. Campbell, according to her husband, was in a hotel near by; why was she not called to add another dash of comedy to that amusing little drama known as 'The Mystery of the Yellow Ticket?'"

EIGHT CLUBS TO BATTLE AT CHESS

Metropolitan League Announces Its Schedule for Season.

The Metropolitan Chess League has drawn up its championship schedule for the season of 1915-'16, with eight clubs as competitors, including Brooklyn (champion), Manhattan, Progressive, Staten Island, Columbia, City College, Ocean Hill and Washington Heights. There will be seven rounds, the dates selected being November 6 and 20, December 4 and 18, January 8 and 22 and February 5. The Newark, North Jersey Lyceum and Queens Gambit clubs have dropped out.

Following is the schedule of the championship tournament:

First round, Nov. 6.—Manhattan vs. Ocean Hill, Brooklyn vs. Staten Island, City College vs. Columbia, Progressive vs. Washington Heights.

Second round, Nov. 20.—Manhattan vs. Columbia, Progressive vs. City College, Brooklyn vs. Ocean Hill, Staten Island vs. Washington Heights.

Third round, Dec. 4.—City College vs. Ocean Hill, Progressive vs. Columbia, Manhattan vs. Staten Island, Brooklyn vs. Washington Heights.

Fourth round, Dec. 18.—Progressive vs. Staten Island, Ocean Hill vs. Columbia, Brooklyn vs. City College, Manhattan vs. Washington Heights.

Fifth round, Jan. 8.—Brooklyn vs. Progressive, Manhattan vs. City College, Staten Island vs. Columbia, Ocean Hill vs. Washington Heights.

Sixth round, Jan. 22.—Brooklyn vs. Columbia, Staten Island vs. Ocean Hill, Manhattan vs. Progressive, City College vs. Washington Heights.

Seventh round, Feb. 5.—Staten Island vs. City College, Manhattan vs. Brooklyn, Progressive vs. Ocean Hill, Columbia vs. Washington Heights.

The attraction at Marshall's Chess Divan, last week, was the game, known in London chess circles as "Kriegspiel," a game where the player has to guess the move of his adversary.

The annual general meeting of the Progressive Chess Club will be held this week. The principal business before the meeting will be the election of officers for the ensuing year.

Nine players have started in the annual championship tournament of the Brooklyn Chess Club, including R. T. Black, champion; A. A. Schroeder, M. Schroeder, F. K. Perkins, N. S. Perkins, E. Simonson, E. B. Heal, C. Ruberl and C. I. Crowell. In the first round Black met Simonson, but the game was unfinished. F. K. Perkins beat Heal, N. S. Perkins won from Crowell and M. Schroeder defeated Ruberl. A. A. Schroeder had a bye.

Yale University will send a team of ten players to play against a similar team at the rooms of the Brooklyn Chess Club, on October 30.

The other day a lively game was contested between two well known amateurs and members of the Krakau Chess Club, the score of which is herewith appended:

HARKNESS CUP A SPEED TROPHY

Winner Will Be Undisputed Champion of His Year Among Auto Drivers.

To obviate trouble, Harry S. Harkness has adopted a novel plan regarding the trophy that he is giving as emblematic of the automobile speed championship of America. He has invited a committee of prominent sportsmen, who are thoroughly familiar with automobile racing and deeds of gift, to draw up the necessary paper that will govern the prize. The committee has been asked to report at once, so that the conditions may be known before the race scheduled to be held at the Sheepshead Bay Speedway on Election Day.

"While I intend to leave the deed of gift entirely to the committee," said Mr. Harkness yesterday, "I am going to suggest that they make the cup stand for the automobile speed championship of the world. My idea is to have the various important races throughout the country count as elimination contests to pick the twelve drivers that may compete for the prize. By important races I mean the Vanderbilt Cup, the Elgin road race, the Desert race and the Grand Prize. All the recognized speedway races also will count in the figuring of points.

"My idea is to have each winner receive ten points, the second man nine and so on down the line until the first ten to finish receive credits. At the end of the year the points are to be totalled and the twelve drivers having the most points will be eligible to compete for the prize. Winners of foreign races, such as the Grand Prix, should also be allowed to enter, making it a real world's championship."

NEW YORK A. C. OUT FOR 'CROSS-COUNTRY TITLE

New Runners in Squad Go Over Course in Van Cortlandt Park.

METZGER WINNER IN MORNINGSIDE RUN

Lemberg Makes Fast Time in the Four and a Half Mile Race of Brooklyn A. A.

Many new runners appeared in the 'cross-country squad of the New York Athletic Club over the official Van Cortlandt Park course yesterday morning in preparation for the coming Metropolitan National championships. In this squad was Gaston Strobino, Harry Robertson, last season with Evander Childs High School; J. D. Bell, formerly of the Brooklyn Athletic Association; Harry Ackerman, H. T. Taylor and Eddie Jordan, late with the Xavier club.

The seniors were George Critchley, Hugh Honohan, Frank Masterson, Jim O'Connor and Jack O'Neill, who followed a stiff pace set by Will Bailey, who showed that he was rapidly rounding into the form that won the ten-mile title for him four years ago.

Louis Metzger, with a start of 60 yards, won the two-mile handicap run at the fall games of the Morningside Athletic Club at Macomb's Dam Park yesterday. Lewis Heydet, the scratch man, caught the seven other starters, but Metzger succeeded in staving off his opponent, to win by 40 yards.

Frank Kieser won as he pleased from scratch in the one-mile walk, while the track team relay race could finish no better than fourth in the one-half mile event. A large number of new men appeared for the events, which displayed the resurrection of athletic spirit in the Harlem club.

The summaries follow:

100-yard dash (handicap)—Won by Gus Sinn (2 yards); J. Sheehy (5 yards), second; L. Heydet (scratch), third. Time, 0:11.

440-yard run (handicap)—Won by J. Hanley (25 yards); W. Ralph, jr. (25 yards), second; C. Meyer (35 yards), third. Time, 0:53.

One mile walk (handicap)—Won by F. Kieser (scratch); H. Zaslowsky (7 seconds), second; W. Ralph, jr. (25 yards), third. Time, 7:22 2-5.

One-half mile relay race (handicap)—Won by Irish staff (18 yards), with Gaston Kiesser, C. Ryan and Wood; Offers team (25 seconds), second; Moore Scouts and Paler, second; members' team (35 yards), with Meyer, Davis, Meyer and Kalhavis, third; track team (scratch), with Hanley, Zaslowsky, Metzger and Hall, fourth. Time, 1:34 2-5.

Two-mile run (handicap)—Won by Louis Metzger (60 yards); Jim Meyer (scratch), second; W. Gunning (25 yards), third. Time, 10:21 1-5.

Thirty-five runners went over the four-and-one-half-mile course of the Brooklyn Athletic Association yesterday in preparation for the open novice run next Sunday.

Abe Loberg, formerly of the Trinity Club, the winner, set so fast a pace that his next three rivals over the finish were within the old course record of 24:30. Joseph McNeil, a Presentation Club runner, who held the previous best performance, was second, only eight yards behind, with Edgar Dorgan, track captain of the home club, a few yards back.

The summary follows:

SPECIAL PRIZES FOR HORSE SHOW

Hackney Day Will Be Big Feature at Garden in November.

Co-operating with the National Horse Show Association, several breeders' clubs and societies will this year offer special prizes at the November exhibition in Madison Square Garden, and it is the purpose of the managers to set apart for each of the breeds a day on which all important classes for that breed may be judged. This, it is thought, will add to the interest in the show by making it possible for those who are especially concerned about hackneys, for example, to come to New York on hackney day with the assurance that they will be able to see the cream of the show in this division. There will be another day for the trotters and other special days for other horses and types of horses.

It has been decided that Wednesday, November 10, will be known as hackney day, and it bids fair to be a memorable occasion for admirers of this ancient British breed of high-stepping harness horses. To help make it so and to emphasize the present cordial and close relations between this country and Canada, the Canadian Hackney Horse Society has offered four costly gold medals as prizes for hackney stallions and mares shown on the end of a line or "in hand."

The English Hackney Horse Society, of which the late King Edward was once president, has heretofore given some valuable gold trophies of similar character at the National Horse Show, but the English breeders are not taking any part in horse shows at the Garden or elsewhere this year, and so the horsemen of the Dominion are filling their place in fostering the hackney in the States.

Members of the American Hackney Horse Society have subscribed about $1,200 to provide the largest prize ever offered at the National Horse Show.

TROT DEAD HEAT ON SPEEDWAY

Billy McCann and Kitty Oakland in a Thrilling Finish.

Only four of the fourteen races necessitated extra heats to decide the winners at the fourth matinee of the Road Drivers' Association of New York on the Harlem River speedway yesterday.

A dead heat marked the finish of the 1:11 trot between C. J. Fendt's gray gelding Billy McCann and G. Gall's brown mare Kitty Oakland. The latter had won the opening brush and finished a poor third in the second. In the third heat Kitty Oakland came back to form again, and at the end of the first quarter was leading by a quarter of a length, and maintained this margin up to the final furlong, when Billy McCann wore her down. About twenty yards from the end he caught her and the two raced on even terms to the wire.

Countess Kolh, a brown mare belonging to A. E. Meckel, gave J. J. Morris's brown mare Madame X considerable trouble in winning the initial honors in the 1:09 pace. The latter won both heats, each by a head. J. A. Murphy's brown mare Clover Patch, champion of the speedway, captured the 1:03 pace in straight heats.

H. S. Crossman's bay horse Governor Mafon and Lester M. were forced to go four heats to win the 1:09 and 1:07 trots, respectively.

Clan McDonalds Win in First of Soccer Cup Ties

N. Agar Factor in Victory Over Hibernians — Our Boys and Camerons Also Score.

The first of the cup ties of the United States Football Association to be played in Brooklyn at Marquette Oval was won by the Clan McDonalds against the New York Hibernians yesterday, by the score of 3 goals to 1.

Fifteen minutes from the start O'Hagan placed the Clan McDonalds in the lead. Lafferty, of the same team, missed a penalty kick. Gormley equalized for the Hibernians ten minutes before half time, but N. Agar quickly placed his side ahead once more.

In the second period N. Agar negotiated another goal and clinched the victory for the clansmen. Agar, Meehesnie and Madden carried off the individual honors, while McCavilly played a strong game at centre half for the losers. The defence of the Clan McDonalds was uniformly strong throughout.

The line-up:

Clan McDonalds (3).	Position.	N. Y. Hibernians (1).
Cifford	G.	Byrne
Lafferty	R. B.	Krause
Ross	L. B.	Carr
Whitsell	R. H.	Dolan
McCann	C. H.	McCavilly
H. Agar	L. H.	Dawson
N. Agar	R. F.	Ryan
Clifford	L. F.	Stanley
Meehesnie	C.	Stewart
Madden	I. L.	Doherty
O'Hagan	O. L.	Gormley

Goals—N. Agar (2), O'Hagan, Clan McDonalds; Gormley, New York Hibernians. Referee—A. Lagrie. Time—Halves of forty-five minutes.

The Our Boys eleven, of Brooklyn, had no difficulty in beating the Greenville eleven in the United States Football Association cup tie game at Degnon Field, Long Island City, yesterday, winning by a score of 4 goals to 1.

S. McKnight placed Greenville in the lead early in the game, but Bell equalized for the Our Boys before half time. Bell tallied again after the restart, and W. Gallagher and Fleming each contributed a goal to the Our Boys' total in the last fifteen minutes of play.

Despite the handicap caused by the absence of a player who did not enter the game until the second half, the Camerons, of New York, won by the score of 2 goals to 1 over Greenpoint in the cup tie at Woodside, Long Island, yesterday.

Halliday placed Greenpoint in the lead after play had been in progress twenty minutes, but the Cameron defence held true until half time, after which the former amateur champions with a full team took the offensive. Taylor tied the score for the Camerons and J. Isaac sent in the winning tally.

Paterson, N. J., Oct. 24.—The I. R. T. Strollers, of New York, defeated the Haledon Thistles, of this city, in a cup tie game of the United States Football Association by the score of 2 goals to 0 here to-day. Riley scored the first goal from a corner in the first period and Young the second tally after the restart.

A Metropolitan League game, played at Subway Oval, between the Germans and the Hudson United team, resulted in a victory for the former by a score of 4 goals to 0, Meyerdirks, Bammert, Koehler and Kellenberger shooting the goals. At half time the score stood at 2 to 0.

The Yonkers Thistles and Bay Ridge played to a tie at 1 goal all at Glen Park yesterday. Ten minutes before time the referee called the game on account of darkness and the match will have to be replayed. Yonkers led at the end of the first half, D. Faulds, playing at outside left, taking the ball the whole length of the field and then shooting the goal. The Bay Ridge goal was scored by Willie Johnson, also playing at outside left.

Alley Boys Victors in Soccer Cup Tie

The Alley Boys, of New Jersey, defeated the Clan McDuffs, of New York, in a United States Football Association cup tie game at Tibbetts Field, in Yonkers, yesterday by a score of 2 to 0.

All the scoring was done in the first half of the game. O'Rourke, with a fast, long shot, beat the Clan McDuff custodian fifteen minutes from the start. Brelly, from a pass from the right wing, took advantage of the temporary absence of the goalkeeper and found the Clan McDuffs for the second tally of the game.

The line-up follows:

Alley Boys (2).	Position.	Clan McDuff (0).
Hyde	G.	Riley
Lewis	R. B.	Neil
Frampton	R. B.	Kennedy
Cogle	L. B.	Insle

West Hudson Soccer Team Wins Handily

The West Hudsons, champions of the National Football League, defeated the soccer eleven of the Brooklyn Football Club at Federal League Park, Newark, yesterday by a score of 2 goals to 1.

The Brooklyn showed well in the first half, in which they divided the honors in scoring, but did not keep up their pace in the second. About the middle of the opening period Shanholt made a clever run right through the pack and placed Brooklyn in the lead. Shortly before the whistle blew McKay equalized from a mix-up. Hunziker came within an ace of notching a second point for Brooklyn. Fifteen minutes from the finish Lowe sent in a hard shot for the West Hudsons which settled Brooklyn's fate.

The line-up follows:

West Hudsons (2).	Position.	Brooklyn (1).
Carney	G.	Haughie
Barr	R. B.	Glover
Murray	L. B.	McQuidlan
Muir	R. H.	Flanagan

GOLFERS TURN THEIR EYES TO JERSEY LINKS

Annual Fall Tourneys at Atlantic City and Lakewood on Card.

Local golfers, both men and women, will turn their attention this week to southern and central New Jersey. Beginning on Thursday, the annual fall gathering at the Country Club of Atlantic City will be held, while on the same days the women of the district will hold forth in an invitation tournament on the links of the Country Club of Lakewood.

Maxwell R. Marston and Reginald M. Lewis have announced their intention of playing at Atlantic City, which gives assurance that there will be some class from this section in the tourrament, to mention nothing of the host of regulars who visit the seaside every spring and fall.

Definite word has not been received as to whether or not Mrs. Clarence H. Vanderbeck, the national champion, will appear at Lakewood, but the chances are she will.

What probably will be the last one-day tournament of the Women's Metropolitan Golf Association is down for to-day at the Hackensack Golf Club, and a big field is expected to compete.

Next Saturday Alec Smith and Gilbert Nicholls are scheduled to play a four-ball match against Walter C. Hagen and Thomas L. McNamara at the Wykagyl Country Club. The match will be at thirty-six holes.

Those who like to delve into the whys and wherefores of things might find some interesting thought on putting and the part it plays in the following paragraph from up Boston way:

"Raymond Ouimet's failure to qualify at Brookline can be accounted for easily. The ex-state junior champion took 58 putts for eighteen holes—28 on his first nine and 30 for his last nine. This left him 35 shots in the fairway and his 93 for his round. Ouimet was home in two at all of the long holes except the ninth and fourteenth, so that if he had averaged a couple of putts on each green his score would have been in the 70's instead of the 90's."

The news that there will be no play whatever on the new public links at Cobb's Creek Park, Philadelphia, this season reminds one of the old saying about locking the door after the horse is stolen. Why wait until the season is finished to forbid golf?

At a recent dinner for members of the Whitemarsh Valley Country Club, in Philadelphia, a novel scheme was put in effect. Every feature peculiar to a golf course was accurately placed on the table—even the grass. The table fixtures rested on real grass raised especially for the occasion. The blades were about one inch high, and served particularly well as table silencers. Bunkers, tees, holes, masts and flags were reproduced in miniature.
