GOLF TOURNEYS SOON TO BEGIN ON MANY LINKS

More than Threscore of Competitions on Lists of U. S. G. A.

By FRED HAWTHORNE.

The United States Golf Association gave out a list of all the principal tournaments for the season last night, embracing the most important fixtures in the East and West. There are still several state championship tourneys that have no assigned dates and a number of clubs that have not yet announced their invitation tournaments. These will be added later. The dates announced yesterday are sufficient to show that golf is about to enjoy one of its most prosperous seasons.

Play starts in earnest to-morrow with the mid-April tournament at Pinehurst, N. C.; the annual spring tourney at Asheville, N. C., and the Advertising Men's tournament, also at Pinehurst. Then, in rapid order, follow tournaments in Florida, California and other warm climate sections of the country. The first fixture near home will be the annual spring tourney at the Lakewood Country Club, April 27 to 29. After this there is a gradual opening up in the metropolitan district.

June is the most prolific in tournaments, eighteen being already scheduled, beginning with the New Jersey state championship, June 1 to 3, and including the metropolitan amateur championship at the Nassau Country Club, June 7, 8, 9 and 10, and the women's metropolitan title play at Baltusrol, June 12, 13, 14, 15 and 16.
