HARLEM YACHT CLUB OPENS NEW SEASON

Little Dipper Wins in the Best Fight of the Day.

By CAPTAIN J. C. SUMMERS.

Yachtsmen of four clubs opened the racing season of 1916 yesterday by contests on their favorite sheet of water—Long Island Sound. More than 500 owners and crews manned the 100 or more yachts of one design and other classes that fought their marine battles for the prizes offered by their respective clubs.

Chief among these was the thirty-fourth annual regatta of the Harlem Yacht Club, in which forty-eight yachts crossed the starting line off the old lighthouse that marks Execution Rock at the westernmost end of the Sound. It was the first of the regular championship races of the season, in which the points are counted, and the start, in a freshening breeze from the southwest at 1 o'clock, was a spirited sight as the yachts sped across the Sound to the first mark, off Weeks Point in Hempstead Bay.

In order to give the yachts some windward work the regatta committee—Edwin H. Tucker, Frederick W. Goeller and Philip J. Fox, who managed the race from Captain Julius Brenziger's power yacht Marie B. II—reversed the courses, which made it a close reach for the first leg of the course, a reach for the second, to Parsonage Point, and windward work for the third, to the home mark. There was much disappointment at the non-appearance of Addison Hanan's new sloop Nahma, of the P class, as it was expected she would meet W. F. Hayward's Wianno. That sloop started alone in the class, but her owner would not accept a sail-over prize.

The best fight of the day was in the Star class, in which thirteen boats started. George Corry, the father of the class, sailing his Little Dipper, made the best start, getting away in the weather position right on the gun. He and C. E. Hyde, who sailed his Hydra, had a merry battle over the six-mile course, resulting in a win for the Little Dipper by the close margin of 44 seconds.

Another close race was a match between R. W. Fraser's Catseye and E. A. Sierck's Scylla, sailed by Edward Alker and his brother Jim. The Scylla won by 29 seconds over a six-mile course. The handicap class was well represented by ten yachts. In the first division A. W. Lockwood's Carolina won from George P. Granbery's Anita by 7 minutes 43 seconds, sailing the eleven-mile course. In the second division George Chadwick's Veda won from the Red Wing by 2 minutes 44 seconds. Julius Greenbaum's auxiliary Bettina won from C. W. Young's Jeannette by 41 seconds. The winners in the other classes were the Amorita, the Skid, the Respite, the Mingo and the Yan.

ART EXCELS SCIENCE IN PUSHBALL TEST

In the track events that were held on Ohio Field yesterday afternoon, in conjunction with the New York University Spring Carnival, the College of Arts defeated the Pure Science in an exciting push-ball contest. The men of "culture" won after two periods had been played by the score of 1 to 0.

The Delta Upsilon fraternity relay team ran away with that event, far outdistancing the Kappa Sigma four, winning the cup. Eddy Houghton, the 'varsity two-miler, made a similar walkaway in the one-mile scratch event, defeating Raccoosin and Weeb. In the 100-yard dash Broome, also of the 'varsity track team, was first, with Finley a close second.

Bayside Yacht Club Opens Summer Season

Bayside, Long Island, May 30.—With the usual ceremonies, the Bayside Yacht Club went into commission for the summer season to-day. The burgee was mastheaded at noon on order from Commodore Johns, and saluted by the anchored fleet. In the afternoon there was an informal dance, which was followed to-night by the annual ball.

In honor of the day there was a regatta for all of the one-design yachts of the club. The feature was the first appearance of the new Bee class that promises to be as popular as the Bayside Birds and Butterflies. The division was won by Bespa, the property of A. Arrighi. Curlew won among the Bayside Birds, and Arin was the 1rst of the Stars across the finish line. A. W. Knapp, jr., a nine-year-old boy, won in the Butterfly class.

Crescent A. C. Ties Shamrocks at Lacrosse

The Shamrocks, of Montreal, visited the Bay Ridge grounds of the Crescent Athletic Club yesterday, and before a throng that numbered close to ten thousand people played the New Moon aggregation a 4—4 tie game at lacrosse. It was only in the final half of the second period that the Brooklyn club was able to cut down a 4 to 1 lead held by the Canadians.

During the final five minutes of play the New Mooners scored three pretty goals and tied up the game. The first period ended 2 to 1 in favor of the Canadians. During the second half Walsh, of the visiting team, broke his hand and had to retire.

Bert Watson Wins Newark Auto Race

Bert Watson, of New York, driving Joe Ryan's J. J. R. Special, divided honors with Joe Dickinson, of Somerville, in the automobile races at the Olympic Park half-mile track yesterday afternoon. Watson's victories were in the time trials, in which he covered the track in 38 2-5 seconds; the three-mile Class E for cars under 300 cubic inch displacement; three-mile Class E, for cars of 250 cubic inch displacement, and the Olympic trophy race at five miles.

Dixon captured the Australian pursuit of five miles, and the free-for-all at three miles. He drove a Stutz Special.

MANATEE VICTOR IN YACHT RACE

Twelve Sixteen-Foot One-Design Boats Compete.

Twelve of the new sixteen-foot one-design sloop yachts built by Herreshoff for members of the Seawanhaka Corinthian Yacht Club sailed a special race off Oyster Bay yesterday in light breezes from the southward and westward, resulting in a victory for Albert Strauss's yacht, Manatee. She defeated the Skate, owned by H. L. Smith and J. Good, by 1 minute 12 seconds.

The start was made off the clubhouse at 3:10 in a light breeze, Daniel Bacon's Volador and W. A. W. Stewart's Shrimp getting away in the lead at the weather end of the line. To the first mark off the red buoy on the bar it was a close reach; thence a run to the Sand City buoy, and a close reach to the Centre Island buoy. The wind headed the yachts on the return trip, making it a close reach back to the finish. Yesterday's race convinced the owners that they have a fine fleet of fast boats in light weather.

The summary follows:
