Dispute on Profit Taxes Deadlocks War Revenue Bill

Kitchin Fights Compromise in Conference and Disagreement Is Likely

First Postal Zone Fixed

Graduated Second Class Mail Rates Adopted; Auto Sales Imposts Sought

WASHINGTON, Sept. 20.—Conferees on the revenue bill were deadlocked tonight after an all day wrangle over war profits and automobile tax rates. Prospects for completion of the measure by the end of the week were poor, although Senator Simmons and other conferees expressed the hope that an agreement would be reached by Saturday night.

It is probable a disagreement will be the result and that House conferees will ask the House for further instructions, in view of Majority Leader Kitchin's insistence on restoration of certain House provisions. A full meeting of the Ways and Means Committee was called for 9 o'clock to-morrow morning by Chairman Kitchin to discuss disputed points.

The conferees reached a settlement to-day on the second class postage rates by adopting the McKellar amendment with modifications. The first zone was made 250 miles instead of 300 miles, with the rate one cent a pound.

A considerable part of the day's discussion concerned automobile taxes. The House leader, Kitchin, made a determined stand for a tax on gross sales instead of a tax on purchasers, as proposed by the Senate. Mr. Kitchin also stoutly maintained that the House excess profits plan should be agreed to.

It is generally understood that Mr. Kitchin has not the full support of all the House conferees in his stand against a compromise. This was shown in the discussion of the automobile and war profits taxes. The support of the Ways and Means Committee will be sought to-morrow in an effort to force a solid front by the House conferees.

The conferees were in a muddle today over the status of holding companies, definition of capital, time in which the taxes may be paid and the proposed board of experts to pass upon disputed questions of capital. The latter plan is understood to be opposed by Treasury officials.

Plans to Force Greve To Give Up Park Books

Swann Preparing to Take Neponsit Realty Head Before Justice Goff

District Attorney Swann and the extraordinary grand jury ordered by Governor Whitman are preparing to bring William M. Greve, vice-president of the Neponsit Realty Company, before Supreme Court Justice Goff to show cause why Greve should not produce certain checks and documents connected with the investigation of the city's purchase of Seaside Park from Greve, William H. Reynolds and their associates. Greve probably will appear in court Monday.

Assistant District Attorney Kilroe continued yesterday his investigation of the books of the Brooklyn Ice Palace, supposedly controlled by Charles O'Malley, employed by Controller Prendergast to appraise the value of the Seaside Park property. O'Malley has said that Greve and Frank Bailey, vice-president of the Title Guarantee and Trust Company and president of the Neponsit Realty Company, were not interested in the Brooklyn Ice Palace.

Adolph Krauss, head waiter at Sherry's, was called to testify about the "$140 a plate dinner" given by Reynolds and his associates in celebration of a trip to inspect copper mines in Arizona. O'Malley and Mayor Mitchel were guests at the dinner.

George Dobson, managing editor of "The Brooklyn Eagle" and part owner of Dreamland Park, which was purchased by the city, also was a witness. He assured Mr. Kilroe that developments in the Seaside Park investigation were revelations to him.

Ring Watch Latest Style of Timepiece

The popularity of the easily accessible wrist watch was doubtless what inspired the production by Parisian jewelry designers of a ring watch. It consists of a tiny timepiece mounted on a finger ring and, if desired, embellished with precious stones. At a distance the little dial might be easily mistaken for a large stone setting.—Popular Mechanics.

Spain Puts Embargo on Oil

The Spanish government, by royal order published September 7, prohibits exportation of all classes of olive oil excepting that already billed at point of origin for railway transportation and that invoiced for maritime shipment, both exceptions conforming to export requirements of royal order reported in this consulate's cablegram of August 13.

Earlier embargo regulations for olive oil, published in Commerce Reports for July 10, 18 and 20 and August 23, permitted the exportation of fine oils subject to certain conditions and fulfilling named standards of quality. The cablegram of August 13 referred to above gave notice of the importation of an export duty of 40 pesetas per 100 kilos on fine olive oil.—

Schwartz Has a Big Day

Enfilade Breaks Record In the Beldame Handicap

Approval Victor Among Selling Plater Juveniles—Ben Wyvis Wins Jumps

Morton L. Schwartz was winner of two races at Aqueduct yesterday. Both victories were won by two-year-olds, Enfilade taking the Beldame Handicap, the feature of the day, and Approval beating a host of selling-plater juveniles in the five furlongs of the fifth offering.

The race run by Enfilade, a French-bred filly, established a new track record for the course, as she finished the five furlongs in 58 4-5. It was a race that pronounced her one of the truly good fillies of the year. This handicap is for fillies, and to score the Schwartz miss beat such good ones as August Belmont's Jyntee, James McManus's Adeline Patricia, Harry Payne Whitney's Ruth Law, John Sanford's Wawbeek, James Butler's Empress and James W. Corrigan's Noontide.

Jyntee Performs Well

While it was a record-breaking performance and Enfilade took up the top weight of 126 pounds, there was just a bit of luck in her score. Jyntee was the one to run second, and she made a better showing than the winner. After being away badly, the Belmont filly was run into a pocket in the last furlong when Butwell tried to bring her through on the rail. Even with that severe handicap, she was pulled out from the trouble and was only beaten half a length.

Approval had a close fit to beat Svengali in his race, and then, after the finish, Troxler, who rode Svengali, lodged a claim of foul against Butwell, who was riding the Schwartz colt. It was charged that Butwell had crowded Svengali on the rail right at the end. The claim was a frivolous one and was not allowed by the stewards.

Only three started in the steeplechase, and after each one of the trio had taken a turn at setting the pace the race went to Mrs. G. H. Stetson's Ben Wyvis, over Reddest, the Canadian jumper that performs for D. Raymond, of Montreal.

At the end of the programme there was something of a surprise when Robert L. Gerry's Sharpshooter scored a galloping victory in a highweight handicap over the six furlong distance. He was fitted for the race by C. T. Patterson, who developed Omar Khayyam and saddled him for the Kentucky Derby, and he was ridden by Charlie Borel, who was the Omar Khayyam pilot in the big Kentucky victory.

In this race F. F. Tighe was ordered to scratch his gelding Quartz, owing to a court squabble. Louis Martine, a former trainer for Mr. Tighe, had asked for an injunction to restrain the starting of the horse because of back pay that he said was due him from the owner of the horse. The petition for the injunction had been made in Brooklyn before Judge Callahan, and the stewards decided that while no restraining order had come from the court they would not permit the horse to start.

Miss Harris M. Beats William In Great Pace

Champion Side-Wheeler Loses First Contest Since He Was 3-Year-Old

COLUMBUS, Ohio, Sept. 20.—One of the unexpected results of to-day's Grand Circuit race programme at the mile track here was the defeat of William, 1:58½, in the free-for-all race. The champion was not only beaten, but failed to get inside the money in a field of six pacers. It was the first race he ever lost, outside of a few of his matches with Directum I, since he was a three-year-old, and first appeared o nthe track.

Miss Harris M. won two of the three heats and the race. The middle heat, won by Hal Boy in 2:01 flat, was the fastest. The three heats were the fastest raced on any Grand Circuit track this year.

William broke in the first mile shortly after leaving the wire and did not try. He was beaten on the square in the second heat, leading to the three-quarters in 1:30, then being beaten by Hal Boy in the sprint home. He never put his nose in front at all in the third heat.

In the 2:20 race Jay Mack won after five heats. Robert Gatewood, Geers's three-year-old pacer, negotiated his winning heat in 2:05¼, a new record for a three-year-old this season. Burt K. was favorite in this event.

The stake event, the Capital City 2:07 trot, purse $3,000, saw Bacelli, choice in the auctions, easily beaten by Busy's Lassie in straight heats. The fight for place was the hot one.

White Outpoints Tillman In Fast Ten-Round Bout

Chicago Boxer Scores Two Knockdowns in Third Session of Battle

By Fred Hawthorne

Charlie White, of Chicago, let a chance for another K. O. in his record go last night at the St. Nicholas Rink. Twice in the third round he knocked Johnny Tillman down for the count of nine, but johnny stalled until his head cleared and then brought the crowd to its feet with a great rally.

In spite of the two knockdowns he suffered, Tillman earned a shade by his work in the fifth, sixth and seventh rounds. White had the first three sessions, and the fourth, eighth and tenth were even.

Johnny held White off with a long left jab and occasionally shot over jarring right swings to the jaw. Nate Lewis, manager for Charley, claimed White had hurt his left hand in the third round.

The Chicago boy seemed to nurse his left in the latter rounds, but a bit more aggressiveness when he had Tillman going would have ended matters. White weighed 137 pounds and Tillman 141½.

In the first of the star bouts Joe Welling's place was taken by Frankie Conifrey. Welling appeared with a bandaged right hand, alleged to be broken. The bout went to Jimmy Duffy by a shade on aggressiveness, though in the last three rounds Conifrey handed out a fine lot of wallops to jaw and body with right and left hooks.

Duffy is not a showy boxer, but is constantly boring in to close quarters. He rarely took a back step last night, even when the punches came hardest.

Johnny Dundee took his old sparring partner, Joe Mooney, through the most eventful ten rounds that young man ever travelled. Joe's mouth was dripping blood and a gash over his left eye added to the gory appearance he presented in the last five rounds.

Dundee won every round except the fifth, which was even. He jabbed and hooked relentlessly, and Mooney found the wop scotch a hard man to shoot at. In the last two rounds Joe was tired and weak and Dundee seemed disposed to treat his old partner leniently Mooney was dead game, but not up to the task in hand. Weights—Dundee, 131; Mooney, 127.

Tilden and Voshell Reach Tennis Final

William T. Tilden, 2d, of Philadelphia, and S. Howard Voshell, national indoor champion, will face each other in the final round of the open lawn tennis tournament of the Marine and Field Club at Bath Beach to-morrow afternoon.

Tilden gained his final bracket yesterday on the clay courts by defeating Allan Behr in straight sets at 6—3, 6—2, while Voshell moved out to the same round by taking the measure of William Hartye at 6—2, 6—4. Both the winners smashed their way to victory, "killing" high lobs with terrific force.

Two matches were played in the first round of the men's doubles, Hartye and R. V. Lewis defeating William Bullock and H. B. Smith at 6—0, 6—2, and Behr and B. J. Ranney eliminating Tilden and George Throckmorton in a hard three-set match by a score of 10—8, 4—6, 9—7.

Futurity Handicap Should Afford Thrills

The Futurity Handicap, joint feature with the Harkness Cup Race of the automobile carnival at the Sheepshead Bay Speedway to-morrow afternoon, promises to furnish thrills galore in the four ten-mile heats and the final at the same distance. Louis Chevrolet, Ralph De Palma, Dario Resta and Ralph Mulford will be the honor men in the order named.

A meeting of the drivers has been called for this morning, when the drawing for positions in the Harkness Cup Hundred-Mile Derby will be conducted by Fred Wagner. Every driver will be compelled to draw a number, so that no favoritism will be shown in the allotment of choice positions.
