$50,000,000 Farm Loan Fund Planned

WASHINGTON, Dec. 13.—A $50,000,000 government fund with which to buy farm loan bonds may be established by Congress as a means of strengthening the agricultural loan system.

The Federal Farm Loan Board, it became known to-day, is about to ask an appropriation to create a reservoir for the sale of its bonds, and to lessen the difficulty it is now encountering in selling 4½ per cent bonds freely. If the fund is not created, the alternative probably will be the raising of the interest rate to 5 per cent. In anticipation of the possibility of such action, the interest rate on loans to formers has been raised to 5½ per cent.

Another modification of the farm loan system, which will be sought of Congress, is to increase from $10,000 to $25,000, the maximum loan which may be made by a land bank to any individual.

Univ. of Pittsburgh Puts Ban on Baseball

PITTSBURGH, Dec. 13.—The University of Pittsburgh will not engage in intercollegiate baseball next spring, it was announced by K. E. Davis, graduate manager of athletics. Interference of baseball with military drill and general lack of interest are given as the reason for the abandonment of the sport. Interclass baseball will be substituted.

The university wrestling team will not engage in intercollegiate competition this winter for a similar reason, it was announced.
