Pains in the Stomach

If you continually complain of pain in the stomach your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you too. Only 50c and \$1.00. Recommended by Fred E. Holsten. CLEMAN

Just passed through another big snow storm lasting from Tuesday till Thursday. No loss of stock.

Bob Westley went to town Wednesday to see the doctor about an injured finger. Blood poisoning had set in but the doctor said he could prevent any serious trouble.

Lyle Coker and Birdsel Westley are taking care of the stock while Bob Westley is in Alliance.

Miss Carey is visiting with Mrs. Westley at this writing.

Mrs. Elliott and children were stormed in at Mrs. Westley's from Tuesday till Thursday.

Coughs and Consumption

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by Fred E. Holsten. Advertisement 17-4t-2015.

SPADE

H. S. Wright finally landed back home in the sand hills after a five days trip to Rushville, via P. F. Sandoz, his father-in-law, on the river at Peters. He bought a new wagon, some chickens and hogs, miscellaneous merchandise and farm seed.

Peter Sandoz deborned some cattle April 7th, and it has turned out to be very bad weather for such work. Although we are in hopes that Pete will have good luck with his bunch—31 in all deborned. Herbert Farney, Vernon Moore and H. S. Wright assisted in the work.

The McMillan Bros. are thinking about deborning a bunch of cattle in the near future, but on account of the storm will be delayed for some time to come.

Fred, Bill and Ott Hunzicker and Emmet Stimeite will put in about 150 or more acres of rye, and also John Hunzicker, the father and father-in-law of them all, wants about 40 to 50 acres of rye put in on his place. They were to start the 8th, but the storm will delay them for a few days, then business will pick up in the sand hills.

after they see the rest of the country. Nothing like the sand hills.

If the farmers will kindly send in an estimate of the crop acreage for 1913 to H. S. Wright, Spade, Nebr., he will make good use of the information. Individual reports are wanted from each farmer.
