Prices Rule Firm On Curb in Spite Of Profit Taking

Cities Service Holds Advance and Standard of Indiana Continues Higher; Industrials Quiet but Steady

In spite of a considerable display of profit taking for over the adjournment today, prices ruled firm in active trading on the Curb market yesterday. Oil shares continued in demand at higher levels, while industrials held steady. Cities Service common retained its advance and Standard of Indiana again established a new high for the year.

The latter scored a gain of nearly two points after active bidding. Cities Service bankers shares rallied to 25½. International Petroleum and Simms eased off fractionally, but most of the others in the group were steady.

Glen Alden Coal declined on profit taking, but Texas Gulf Sulphur worked slightly higher.
