## Notice to the Farmers in Box Butte County

The Box Butte County Fair Association request that the farmers select samples of all kinds of grain in straw suitable for the county and state fair exhibition. Bring your samples in any time and leave at E. T. Kibble's Real Estate office and they will be taken care of.

We would like to have all farmers make an effort to have an extra good showing this fall as we understand the eastern states are suffering from drought and we want to show them that western Nebraska is the greenest part of the state. Now is the time to gather the grain in the straw and we can have as good an exhibition this fall as heretofore.

Please do not neglect this and let everyone take a part in making our fair a success.

## Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, Ohio.

## COMING BACK TO ALLIANCE

Bert Laing recently received a letter from W. A. Bennett who has been visiting Seattle, Portland and other western points. "Bill" says he has been having a fine time and that it is a fine country out there, but he is coming back to Alliance.

## DRY YEARS IN ILLINOIS

There have been three extremely dry years in central Illinois in the last fifty-nine years, 1854, 1887 and this year. Now that this year's drought there has been broken, old timers are not agreed as to which was the driest, some saying one year and some another. In 1887 there was almost no corn raised, the only stalks having any ears being on extremely low ground.

## WILL SOON BE WELL

Miss Margaret Zehrung, the ten year old daughter of Mr. and Mrs. Zehrung, who bravely underwent an operation for appendicitis at St. Joseph's Hospital two weeks ago, was removed from the hospital to her home last evening. She is getting along as well as could be expected. While she may not be able to walk for a week, she will probably be quite well soon after that.

## Alliance People Will Attend Reunion

A number of Alliance business men and their families will attend the big Old Soldiers and Settlers Reunion at Bridgeport tomorrow, Friday is the last day of the celebration, which is being attended by a good crowd.

Some of the progressive Alliance business men believe that Alliance people should attend the fairs and celebrations of her sister towns, especially in view of the fact that we ask them to come to Alliance to the celebrations of different kinds held here. Alliance should practice reciprocity if she wants people from outside to attend her gatherings.

## CANNING VEGETABLES

Mrs. E. J. Reeves gives The Herald a recipe for canning vegetables which she tried last year on sweet corn and found that it worked fine. To seven quarts of vegetables add one ounce of tartaric acid, after the vegetables have been cooked and just before putting into the jars. When opened to use, put a good half teaspoonful of soda into each quart of vegetables. This will kill the acid so that it will not taste.

## HAY NEVER BETTER

C. C. Joy who came up from his Phoenix home about three weeks ago, informs The Herald that hay on his Sheridan county ranch, thirty miles northeast of Alliance, is good this year, in fact he says as good as he ever saw. He is very busy this week trying to get his work in shape to start back to Arizona next Monday.

He came as far as Laramie, Wyo., via the automobile route, coming on to this city from Laramie on the train. ## WILL GIVE A SMOKER

Alliance Fire Department Arranging for Big Attendance Aug. 27

## REGULAR MEETING LAST NIGHT

The regular bi-monthly meeting of the Alliance volunteer fire department was held at the city hall last evening. The committee in charge of arrangements for the big smoker reported that they will make it one of the best ever given in Alliance. In attendance at the smoker, in addition to every member of the fire department who can come, will be the city officials and a number of prominent business men. An interesting program is being arranged. The date of the smoker is two weeks from last night, Wednesday, August 27th.

Chief P. L. Romig told of his eastern trip, from which he recently returned. His report of the different fire apparatus which he had the opportunity to examine and see working, was very interesting. While on the trip he gave special attention to fire fighting apparatus and particularly auto trucks.

It was voted to appoint a committee to arrange for fire boys' dances to be held during the county fair.
