RANCH HOUSE IS BURNED

Home of Alliance Man Burned to Ground While Family Was Absent—Saddles Lost

(By Herald Correspondent.)

BINGHAM, Nebr., Nov. 25.—On Monday night, the home of W. E. Lotspeich, 14 miles south of Bingham burned to the ground. The house was a large two story one and had only been built about two years. No one was in the house at the time of the fire, the family all being in Alliance where they make their home during the winter to send the children to school. Monday morning a lady living neighbor to Mr. Lotspeich, who had been doing the baking for the family, went to the house and built up a good fire and did the baking for them, returning to her home about noon, shutting the stove up tight before leaving the house. It is thought by almost everyone who saw the fire that the house caught fire in the second story or garret, from the chimney. The fire was a big loss to Mr. Lotspeich and family besides having lots of nice furniture in the house the boys had stored their saddles and chaps, and other valuables in the garret, one of the saddles lost being a brand new sixty-five dollar one.

Miss Fern Fosdick of Mullen visited over Sunday with her brother and family.

Mrs. J. C. Fadlor and daughter went to Alliance Monday where Mr. Fadlor is employed in the Burlington shops.

P. A. Yeast returned to Bingham Thursday to see how things were going on the ranch.

Mr. and Mrs. H. J. Marr gave a sociable dance at their residence on Monday evening. Everybody reports having had a fine time.

L. E. Ballinger went to Alliance on Thursday.

Mrs. Whaley has returned to Hyannis, for the winter after spending the last seven months on her homestead near Bingham.

C. E. Mason and D. R. Howell were Alliance visitors Thursday.

Mrs. C. E. Fosdick has moved into Bingham after spending the last seven months on her homestead. Clyde says he was getting mighty tired of batching.

C. H. Fosdick went to Broken Bow to register for a homestead.

Mrs. V. L. Thompson who has been sick for the last two weeks, went to the hospital at Alliance Friday.

W. M. Young with several of his neighbors went to Alliance yesterday to prove up on his homestead.

Mr. and Mrs. W. E. Guy leave for the eastern part of the state to visit for a few days. They will soon leave for their new home in Oregon.

The Value of Spare Moments

From every section, and from all sorts and conditions of men, messages come to tell of earnings increased and futures brightened through study of I. C. S. Courses during spare time.

One letter gives the romance of a young man in California that began with little or no education; another tells the story of a high school graduate in Maine that found himself educated for everything but to make a living. Here are the heart-throbs of a fellow that toiled 12 hours a day and studied his Course as best he could; of a foreman or superintendent that enrolled because his ambition aimed at still bigger things.

No matter where you live, how little spare time you have, or how brief your schooling, the I. C. S. can raise your salary. That statement is backed with 20 years of success and a record of 400 or more advancement letters received every month.

I. C. S. Courses have made draftsmen, foremen, and superintendents of shop hands; building contractors, architects, structural and concrete engineers of carpenters and masons; advertising men, window trimmers, chemists, illustrators, and designers of clerks; electrical, mechanical and steam engineers of laborers; mine inspectors, foremen, and mining engineers of mine workers; bridge engineers, surveyors and mappers, civil engineers, gas engineers, automobile runners and civil service employes of young men willing to use their spare time to mold a career.

Suppose you were to increase your earnings only \$20 a month—what a fine return that would be on your spare-time investment! G. O. Gibboney, of Mount Pleasant, Pa., increased his earnings \$250 a month, and hundreds have done as well.

Mark and mail this coupon and you will receive free information how you can increase your earnings by spare-time study.
