A DIFFERENCE IN TERMS

There are advantages in being in society, especially if it is of the "high" variety. Particularly is this true when it comes to public and personal mention. If a poor woman gets knocked down by a wheelbarrow it is so stated, if it is stated at all, but if it is a society woman that thus gets floored the pianist barrow is called a "horseless vehicle."

Again, if one in reduced circumstances steals a few dollars he is called a "common thief" who has no redeeming virtues, but if the offender is in society and steals some valuable furs the wrong is styled "kleptomaniac" or "mental aberration," and great sympathy is expressed. Better still is it if the theft is one of a million dollars by which many depositors or stockholders are ruined. The man who is able to accomplish that and thereby add to his already immense fortune is proudly called a "brilliant financier," and all Wall street pays homage to him and hails him as a "Napoleon of finance."

These are but a few of the great prerogatives that one possesses who has a large pocket book and moves in the select circles of high society. Many more might be given.

Captain Kidd of buccaneer fame was not in it with the modern sharpshooter in relieving people of their money. The modern buccaneer is not armed to the teeth, nor does he fly the black flag, but he is an expert in his line. He is smooth and polished in his way, and in that respect he is different from the bold pirates of old who swore like a trooper and wore a ferocious smile, according to all accounts. But the modern Captain Kidd is a past master in drawing the dollars from folks possessed of more money than brains. His get-rich-quick schemes are a thousand times more successful than the naked sword of any old buccaneer, that clambered over the side of his prize.

Like the poor, the Mexican question is ever with us an dnot one of the numerous panaceas suggested seem to relieve the situation. The trouble in Mexico, and the often recurring troubles in other Central and South American states seem to confirm the general impression that the Latin-American nations seem to be problems of popular government. As a whole they appear to oscillate between a despotism and anarchy.

It used to be said that if kings would only do their own fighting and not compel their subjects to do it wars would soon cease. So if those rich speculators who are so loud in their insistence that this nation intervene by war here and there would only spend their own money and sacrifice their own precious lives it would be well. But they will not do it, although they are very anxious that others sacrifice their lives and means.

In many parts of the country winter reigns supreme, but now is the time to plan for making the house in which you live and the premises surrounding it the "Place Beautiful." No matter how large or how small there is usually some room for improvement. There is joy in planning, joy in execution, and joy and satisfaction in the realization.

A BIT OF ADVICE

First—Don't Delay. Second—Don't Experiment

If you suffer from backache, headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble—they are recommended by thousands. Can residents desire more convincing proof than the statement of a citizen of this locality?
R. W. Gaylord, North Moorhead St., Chadron, Nebr., says: "I have used Doan's Kidney Pills off and on for about fifteen years and I would not be without them in the house. Some time ago I suffered severely from weak kidneys. I finally began using Doan's Kidney Pills and one box removed the attack. I highly recommend Doan's Kidney Pills to any one suffering from backache or other symptoms of kidney complaint."
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gaylord had. Foster-McMillan Co., Props., Buffalo, N. Y.

A Carelessly Treated Cold

is the source of most sickness because drugged pills, syrups and alcoholic mixtures are uncertain and unsafe.

Scott's Emulsion has been relied upon by physicians for forty years as the safe and sensible remedy to suppress the cold and build up the enfeebled forces to avert throat and lung troubles.

Don't tolerate alcoholic substitutes, but insist on the Genuine Scott's Emulsion. One bottle usually lasts longer than a cold. Every druggist has it. 13 75
