BRENNAN'S

MARY'S BOX BUTTE FARM

Mary has a Box Butte farm as level as the floor. She has placed on it a fancy price and is trying to get more.

She will keep the land until some day the country will be settled up. And where the Buffalo grass has been there will grow a bumper crop.

Then Mary will rent out her farm—She will not sell, you know—But just wait patiently about For values still to grow.

They will grow as population comes Then Mary will raise the rent. With common food and raiment then She can not be content.

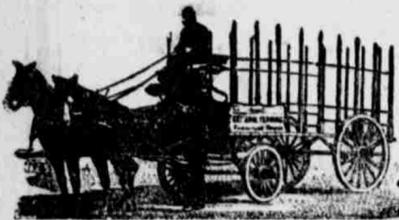

So she will build a mansion fine, Have bric-a-brac balore, And every time the price comes up She will raise the rent some more. "What makes the land keep Mary so," The starving people will cry. "Why Mary keeps the land, you know," The wealthy will reply.

So each one of you now may be "Wealthy, refined and wise," If you will buy some Box Butte dust And hold it for the rise.

You can get it now for almost a song With the music and the tune. We have bargains to show with the auto you know—Hurry up for you can't get here too soon.

For full descriptions, prices and terms. See John Chalmers McCorkle—Oh, Me—To find him go west from the post office one block. Then up in his rooms, One, Two and Three.

TELLS ON THE KIDNEYS

Alliance People Have Found This to Be True

The strain of overwork tells on the weakened kidneys. The hurry and worry of business men, the heavy lifting and stooping of workmen, the women's household cares, tend to wear, weaken and injure the kidneys until they can no longer filter the poisons from the blood and the whole body suffers from the waste matter that accumulates. Weakened kidneys need quick assistance. Doan's Kidney Pills are especially prepared for weakened kidneys; tired, worn-out backs—have proven their merit in thousands of cases. Below is convincing proof from this locality:

Mrs. E. T. Lehman, Sidney, Neb., says: "For a long time I was troubled by pains in the small of my back. Whenever I caught cold, it settled in my kidneys and brought on stiffness and lameness across my loins. A few doses of Doan's Kidney Pills removed the trouble and made me feel like a different woman."

WHY WEAK LUNGS?

The toll of tuberculosis is claiming more than 350 victims every day in the United States, yet few realize their grave condition until the critical period arrives. Overwork, worry, weakness after sickness, catarrh, bronchitis, tender throats—all exert the weakening influence that invites consumption. To guard against consumption, thousands of people take Scott's Emulsion after meals because its rich medicinal nourishment strengthens the lungs, puts vigor in the blood, and upbuilds strength to resist tuberculosis. Scott's Emulsion is nature's strength-builder. Refuse substitutes.
