Stuyvesant High School Athletes Capture Team Trophy at N. Y. U. Interscholastic Games

Hussey Stars for Winners in 100-Yard Dash and Javelin

Stuyvesant Captain Is Only Lad to Score Double Victory; Greenefege, of Flushing, Beaten in One-Mile Feature by Gallagher, of St. Benedict's Prep

By Jack Masters

With an advantage of twenty points over their nearest rivals, Stuyvesant High School's athletes made a show of their company in the twenty-third annual interscholastic games of the New York University at Ohio Field yesterday afternoon. The Red and Blue won the team trophy with a total of 37 points. Poly Prep was second with 17, De Witt Clinton was third with 13, and St. Benedict's Prep, of Newark, and Bridgeport High were tied for fourth honors with 12 points each.

A cold wind swept through the ancient grandstand and across the field, making unusual performances an impossibility, but there were several upsets in addition to the surprising victory of Stuyvesant. The meet last year was won by Suffield School, Suffield, Conn.

Champions—metropolitan, P. S. A. L. and national—were treated with scant respect by their rivals, and few of the boys who covered themselves with glory during the indoor season flashed anything like their top form. Frank Hussey, of Stuyvesant, the 70-yard indoor national interscholastic title holder, was one of the few medallists who was not disgraced. He won the 100-yard dash in impressive style and finished off the day by capturing the javelin throw.

Gallagher Wins Mile Run

The feature of the afternoon was the one-mile run in which a field of forty started and which resulted in a fairly easy victory for Jack Gallagher, of St. Benedict's Prep, of Newark. It was believed that this race had been made to order for Sigmund Grenefege, of Flushing, the national indoor scholastic champion, but, after chasing the slender Newark lad for three and three-quarter laps, Grenefege called it a day and left the track. Gallagher ran a well judged race and won handily in 4:31 1-5.

Mike Skane, of Bridgeport, was the first to show when the big field straightened out, but he did not stay a foot long. Frank Healy, of Mt. Vernon, decided to show the boys how it should be done and Frank did quite well, until the start of the last lap when Grenefege moved up closely followed by Gallagher, who was running easily and with a neat stride.

At the gun lap Grenefege jumped into the lead, with Healy second and Gallagher third, but at the first turn Gallagher sprinted past the leaders and moved into a commanding lead. Grenefege went after the St. Benedict star, but in the race over the backstretch he could not gain a yard on Gallagher. Healy, of Richmond Hill, made his bid here and also passed the indoor champion.

Coming into the homestretch Gallagher took the heart out of his rivals and tacked up to the tape all by himself. Healy was second, about fifteen yards back, and Skane, who came on gamely in the final sprint, nosed out Healy for third honors.

Figueroa Takes Furlong

Leo Handy, of De Witt Clinton, who holds the P. S. A. L. championship at 220 yards, was soundly trounced in his favorite event by Carlos Figueroa, of Stuyvesant, who won by about twenty yards from Handy, in 0:23 3-5. These two stars had the race all to themselves.

Cecil Cook, the big De Witt Clinton negro, also a title holder, came through in the quarter mile race, in which he defeated a large field with ease, in 1:53 1-5.

Another event which startled the crowd was the running high jump, in which Major, the national champion and record holder, was forced to bow to Young, of East Orange, the latter winning with a leap of 5 feet 8 inches, and still another upset resulted in Stuyvesant high hurdles, when Captain Harold Meyers, of Erasmus Hall, was beaten by Gierschevski, of Stuyvesant.

He had intended to remain indoors after his arrival in London this afternoon, but decided to attend the opening night of the review at the Casino de Paris, in which Pearl White made her initial performance on the European stage.

When Dempsey entered the theater he was recognized by the crowd, which cheered and applauded him. Miss White invited the fighter to come up on the stage, where he joined her in doing her "turn." Afterward Dempsey made a little speech in English, thanking the Parisian public for the reception accorded him. Americans, who formed a large part of the audience, loudly applauded Dempsey. The pugilist then spoke a few words in French, but seemingly those who were listening were puzzled over what he was attempting to say.

P.S. 64 Mermen Retain Title To McAleenan Swim Trophy

Winners Repeat Victory of Last Year for Prize Emblematic of Elementary Schools Championship; Performances Disappoint; No Records Equaled

The boys of Public School 64, Manhattan, successfully defended the Arthur McAleenan trophy, emblematic of the elementary school swimming team championship of greater New York, at the annual title meet of the Public Schools Athletic League in the 100-foot pool of the City College of New York yesterday morning.

They ran up a total of eleven points as against eight points each garnered by Public School 9, Brooklyn, and Public School 27, Manhattan, their nearest rivals, thereby repeating the victory they scored last year in the same fixture.

And they would have won by a wide margin but for an unfortunate incident in the trial heats of the relay race. One of the members of the quartet started before being touched off and the team was disqualified after finishing well in the lead. This put the four out of the finals, which indicates they probably would have won.

Performances were disappointing throughout. In no event was the record equaled. J. Welch, of Public School 27, Manhattan, came closest to standard time when he won his heat of the eighty-yard swim in 57 1-5 seconds, as against the listed mark of 56 1-5 seconds. In the final, however, he could not repeat, and he finished second to S. Schneiderman of Public School 66, Brooklyn, in 57 4-5 seconds.

The summaries:

20-yard swim (45-pound class)—Won by M. Moldofsky, P. S. 64, Manhattan; J. Haiusette, P. S. 119, Manhattan, second; E. Craig, P. S. 9, Brooklyn, third. Time, 0:34 2-5.

40-yard swim (105-pound class)—Won by Clanton, P. S. 27, Manhattan; P. Eldridge, P. S. 9, Brooklyn; F. Sullivan, P. S. 64, Manhattan, third; P. Miller, P. S. 9, Brooklyn, fourth. Time, 0:27 1-5.

80-yard swim (115-pound class)—Won by A. Neiss, P. S. 127, Brooklyn; A. Barge, P. S. 166, Manhattan, second; A. Auer, P. S. 99, Manhattan, third; B. Rubenstein, P. S. 64, Manhattan, fourth. Time, 0:47 4-5.

160-yard swim (unlimited weight class)—Won by Schneiderman, P. S. 66, Brooklyn; J. Welch, P. S. 27, Manhattan, second; P. Schwatz, P. S. 64, Manhattan, third; fourth did not finish. Time, 0:59 4-5.

400-foot relay swim (unlimited weight class)—Won by P. S. 36, Manhattan (Mosier, Nagy, Rutenburg and Miller); P. S. 64, Manhattan (Carrington, Wiesenger, Banyer and Lickman), second; P. S. 9, Brooklyn (Warring, Thompson, Morson, Gene), third; P. S. 19, Manhattan (Gerard, Vargas, Lewis and Habro), fourth. Time, 1:23 1-5.

Point score—P. S. 64, Manhattan, 11; P. S. 9, Brooklyn, and P. S. 27, Manhattan, 8 each; P. S. 127, Brooklyn; P. S. 66, Brooklyn, and P. S. 36, Manhattan, 3 each; P. S. 179, Manhattan, P. S. 165, Manhattan, and P. S. 46, Manhattan, 3 each; P. S. 69, Manhattan, 2; P. S. 10, Manhattan, 1.

Schoolboy Gunners Break 3 Records In P. S. A. L. Shoot

The best shooting of the year was witnessed in the fourth of the series of P. S. A. L. shoots which was held yesterday in the indoor range at the Brooklyn Athletic Field. Three records were broken, the Evander Childs riflemen winning the New York State Rifle Association trophy with the highest score yet recorded on the Brooklyn range. The Bronx boys scored 1,050, beating the best previous mark of 1,049. Erasmus was second and Commercial third.

One of the individual records went to the credit of Buchanan, of Erasmus Hall, who had a total of 190 out of a possible 200 points. This beats the old score of 186 made three weeks ago. The record went to Mills, of Jamaica, who registered a 94 in the prone shooting, just missing a perfect score.

The scores:
