GREAT EXCITEMENT!—GREY AND Red hairs disappearing, and the Old Folks made young again—in looks. The demand for that truly inimitable Dye, SHERIF'S COLUMBIAN HAIR DYE, which is sold at the very low price of FIFTY CENTS, is really wonderful. Our sales last week, in and out of the city, amounted to over 1,000 boxes. Persons from all parts of the country, either send for it or call themselves; it is used by more of the first people in New York in preference to all others. It is hardly strange that the demand should be so great, when it is well known that it is no mushroom preparation, "made to sell for a day." Another thing in its favor is, that when you once apply it thoroughly, there is no washing off or fading, or turning the hair to a GREENISH tint, nor fear of having your hair cut off, or your scalp become diseased or lose of health. The dyeing is at 80 South Second st, near Third, Williamsburgh. d15 6*
