$3 SHOES AND GAITERS—A NEW STYLE, AT JONES' 10 AND 12 ANN ST. P.S.—CALL AND SEE THEM. 95,104,10t

GENERAL BUSINESS.

50,000 DOZEN HAVE BEEN SOLD OF THIS IMMENSELY POPULAR ARTICLE, THE SHILLING HAIR TONIC.

Now Ready. Three larger sizes, as follows: DENSLOW'S HAIR TONIC, At 25 Cents.

Elegantly put up in fine glass Toilet Bottles containing HALF A PINT. Like the Shilling size, this is twice cheaper than any other Hair Preparation in use. The article itself is identical in composition and quality well performed with the Shilling Hair Tonic.

Also Pint Bottles, at 50 Cents, and Quart Bottles, at One Dollar.

FOR FAMILIES these larger sizes will be found much more advantageous, while the article is of the same desirable quality, the price, quantity considered, is very much less than has usually been charged for preparations in many respects inferior.

Nothing injurious whatever is allowed to enter into the composition of Denslow's Hair Tonic. The frequency with which some of the materials are introduced into hair compounds, with the intention of making them more stimulating, has caused a large number to be condemned in general use, as they sometimes do great and permanent injury.

Try this reliable and popular preparation, and be at once convinced that the much is not said in its praise.

ALL DRUGGISTS, ALL FANCY GOODS DEALERS, ALL PATENT MEDICINE STORES, AND COUNTRY STORES GENERALLY, NOW KEEP THE SHILLING HAIR TONIC.

AUG. BRETANO, No 686 Broadway, will have a full supply of all sizes on hand at his News Depot.

Proprietors' sole Wholesale Depot, No. 102 Broadway, New York.

STOP THAT COUGH.

THE SHILLING TROCHES For Coughs, Colds and Throat Difficulties generally. Price only 12 Cents.

REMARKS—The Shilling Troches are an agreeable and effective Lozenge for Coughs, Colds and Throat difficulties generally. Sufferers from unpleasant sensations in the Throat resulting from irritation, will find these Troches indispensable. Public speakers should invariably have a supply by them. They are harmless, as containing no Opium, which is so common an ingredient in nine-tenths similar articles in use.

Conveniently put up in boxes, suitable to carry in the pocket, and sold at the low price of 12 cents. They are having a rapid sale.

Sold by all Druggists. Denslow, Originator, New York.

AN ARTICLE FOR EVERY FAMILY.

USEFUL, CHEAP AND GOOD. REMOVES GREASE STAINS INSTANTANEOUSLY.

DENSLOW'S BENZINE. (Purified and concentrated.)

NOTICE.

This comparatively new liquid has now been sufficiently long in use to have been thoroughly tested, and the regularly increasing sale is evidence of its useful character. Denslow's Benzine is by far the best in use (preferable to the French cream), and was the first kind that was put before the public at a moderate price, so that it could be in daily use in every family at a trifling expense.

DENSLOW'S BENZINE IS PUT IN FOUR SIZES, AS FOLLOWS:

THE SHILLING BENZINE SOLD AT 12 CENTS. The bottles hold nearly, if not quite as much as any of those usually sold at 25 cents, under other names.

DENSLOW'S BENZINE AT 25 CENTS. These bottles contain nearly half a pint.

DENSLOW'S BENZINE AT 50 CENTS. Containing over a pint.

THE DOLLAR BOTTLES HOLD A QUART.

The Benzine is more perfectly distilled than any other kind whatever, now before the public, and, as will be seen above, it is by far the cheapest.

SOME 80,000 DOZEN HAVE BEEN SOLD.

PROPERTIES OF DENSLOW'S BENZINE.

It is unequalled for instantly removing from all kinds of silk and woolen goods, paint, varnish, oil and grease stains, without in the slightest degree injuring the texture of the fabric or its color. It is invaluable for these purposes. Gloves may be cleaned beautifully with it. Greasy stains upon engravings, drawings, plans, and other valuable papers can be at once removed without injury to them. Article find it preferable to any other liquid for cleaning their brushes.

FULL DIRECTIONS ACCOMPANY EACH BOTTLE, for its use in a great variety of cases.

SPECIAL CAUTION.

The popularity of Denslow's Purified and Concentrated Benzine has called into existence numerous spurious preparations, to imitate, but in point of fact very inferior; oftentimes leaving as much grease spot on the article to be cleaned as they were expected to remove. The majority of druggists have "THE SHILLING BENZINE" on sale, and many of them the larger sizes. To prevent disappointment in its use, avoid all other kinds but Denslow's, which is sure to give the best satisfaction.
