FOUL INTELLIGENCE.—George Fisher was arrested in the store of John A. Baker, No. 211 Water street, where he had secreted himself on Saturday evening, for the purpose of theft.

Francis Williams and Geo. Francis, boys, were arrested, charged with stealing a diamond ring valued at $55 from the jewelry store of E. O. Bulkley, 158 Bowery, where they called under pretense of wishing to make a purchase. The ring was recovered.

Michael Dwyer was arrested, charged with stealing a gold watch valued at $175 from the person of Mr. James Moore, as the latter was going up the front stoop of his residence, 331 Greenwich st. The watch was recovered.

Jose Varilla, a Spanish sailor, was enticed into a grog shop on Saturday evening by six of his shipmates, who robbed him of $145. Four of the gang were arrested.

BROOKLYN.

FAILED TO AGREE.—The jury in the case of Thomas McKeon, who was tried last week in the Kings County Court of Oyer and Terminer for the murder of John Conlon, came in on Saturday afternoon, after an absence of several hours, and stated that they were unable to agree upon a verdict. They were soon after discharged, and the prisoner was remanded.

RECRUITING IN BROOKLYN.—During the past week some sixty recruits have been sworn in and sent to Riker's Island. On Saturday twelve enlisted. The prospects are that there will be a large increase during the present week. As no Surgeon has yet been appointed for Gen. Spinola's headquarters, a good deal of difficulty is experienced in procuring the examination of recruits. The Bounty Committee of the Board of Supervisors, which heretofore met at 9 o'clock A. M. each day and adjourned at 12 o'clock, noon, will from this date meet at 10 and adjourn at 1 o'clock. Should there be a rush of recruits in the afternoon, they will remain until all the cases are disposed of. The Committee which proceeded to Washington for the purpose of ascertaining definitely the number of men required, was expected home to-day.

BROOKLYN CITY MORTALITY.—The total number of deaths last week was 165, of which 39 were men, 41 women, and 85 children. There were 120 natives of the U. S., 29 of Ireland, 1 of Germany, 5 of England, and 2 unknown.

COUNTERFEIT BILLS.—The police of the 49th precinct arrested a man on Saturday, charged with passing a counterfeit $5 bill on the Adams Bank of North Adams, Mass. The police of this precinct also arrested two men on similar charges. The accused are held for a hearing.

HOBOKEN.

A JUSTICE OF THE PEACE CHARGED WITH A HIGH CRIME.—Miss Teacher, a pretty German girl, aged 17, on Saturday appeared before Judge Pope, in Hoboken, and entered a complaint against ex Postmaster John White, Jr., at present a Hoboken Justice of the Peace. The girl, it is stated, became acquainted with White some three months ago, since which time his visits have been very frequent at her house. About two weeks ago, White, as alleged, induced the girl to elope with him, representing himself as a man of considerable means, and promising that she should be settled in fine style. They proceeded to a house in Houston street, New York, according to the girl's story, where they remained a few days as man and wife, under an assumed name, after which they removed to 32d street. While search was being made for the girl by her parents, who are respectable residents of Union Hill, White visited the house, evincing the deepest solicitude for the grieving daughter, shedding tears, and offering to give any amount within his means if she could be found. The mother, who had ever entertained an aversion for White, suspected that he abducted her child, and set a detective on his track, who followed him to his domicile, in New York, arrested the pair, and took them before a Tombs magistrate. No one appearing as name them, they were set at liberty, and the girl returned home. White was arrested on a charge of seduction and grand larceny, in having carried off the girl and her clothing, the latter valued at $35.

JOHN HENDRICKSON, steward of the steamer Glasgow, was arrested for threatening the life of his Captain with a knife. He was detained until the ship was ready to sail, and then put on board.

JERSEY CITY.

THE FIRST TRAIN DIRECT FROM Jersey City to Washington, without changing cars, will leave this morning, at 7 o'clock. The through trip will be made in ten hours.

THE $300 BOUNTY HAS GIVEN additional impetus to volunteering in Jersey City, about 75 men having been enlisted since it was offered.

THE HOSTLERS OF THE JERSEY City and Hoboken Railroad have struck for an advance from $7 to $8 a week.
