DYSPEPSIA—DYSPEPSIA—AMONG The many remedies offered to the public for DYSPEPSIA, none have proved more successful in curing that dreadful disease than

Dr. SMITH'S DYSPEPSIA ANNIHILATOR.

Many who had considered their case as hopeless have been considerably benefited by using this excellent preparation. Persons who have been cured are offered as testimony to its wonderful powers, stamping that distressing disease, but we prefer to let it stand upon its own merits, being fully satisfied that none who thoroughly test it will be slow in recommending it to others. It is very pleasant to take, and is at the same time innocuous to the weakest constitution, as it acts as a gentle but invigorating and bracing tonic, strengthening the shattered system, and giving new life to the sufferer.

Persons of sedentary habits should try all means for the ANNIHILATOR, as they will surely be benefitted by its use.

This remedy is prepared by the Proprietor, at 46 South Second st, Williamsburgh, and can be had in New York at the office of Mr. Ward, 102 Nassau st, and at the corner of Houston st. and ave D, in East Broadway, of Kennard and Myrtle ave. Price one Dollar per bottle. 339

DYSPEPSIA—DYSPEPSIA—AMONG The many remedies offered to the public for DYSPEPSIA, none have proved more successful in curing that dreadful disease than

Dr. SMITH'S DYSPEPSIA ANNIHILATOR.

Many who had considered their case as hopeless have been considerably benefitted by using this excellent preparation. Persons who have been cured are offered as testimony to its wonderful powers, stamping that distressing disease, but we prefer to let it stand upon its own merits, being fully satisfied that none who thoroughly test it will be slow in recommending it to others. It is very pleasant to take, and is at the same time innocuous to the weakest constitution, as it acts as a gentle but invigorating and bracing tonic, strengthening the shattered system, and giving new life to the sufferer.

Persons of sedentary habits should try all means for the ANNIHILATOR, as they will surely be benefitted by its use.

This remedy is prepared by the Proprietor, at 46 South Second st, Williamsburgh, and can be had in New York at the office of Mr. Ward, 102 Nassau st, and at the corner of Houston st. and ave D, in East Broadway, of Kennard and Myrtle ave. Price one Dollar per bottle. 339
