THIS MEANS MONEY TO YOU

—Some of you people here seem to have the idea that you can go to Denver and buy better shoes cheaper. I'm here to tell you that if you believe this you are chasing the rainbow. You may be able to spend more money in Denver, but you can't get more for the money you spend. Let that soak in.

A PRICE COMPARISON

—One of Denver's leading stores advertised a special shoe sale for last Saturday. The advertisement was in the Denver Post. We sell these same shoes here. I know the brand. Just compare these prices—our regular prices—with the Denver sale prices:

DENVER SALE PRICES	OUR REGULAR PRICES
6 to 8 sizes \$1.65	6 to 8 sizes \$1.75
8 to 11 sizes \$2.15	8 to 11 sizes \$2.15
11 to 2 sizes \$2.45	11 to 2 sizes \$2.45
2 to 6 sizes \$2.95	2 to 6 sizes \$2.85

—These shoes are exactly alike, even to the last stitch. We have plenty of them. Our prices are NOT high. We sell only for CASH. No credit of any kind here, no matter who you are.
