WEALTH LISTING IN
COUNTY COMPLETED

CARDS ON WHICH CITIZENS
SHALL LIST THEIR WEALTH
DISTRIBUTED

GRAHAM ON LIBERTY LOAN

Robert Graham, Chairman Of The
Liberty Loan Committee Sends
Out Message To Patriots

The Liberty Loan Committee acting
in conjunction with the Council
of Defense have about completed
the canvass of this county. If the
committee have overlooked you do
not act the slacker but look up the
men who have your precinct or ward
in charge and register your name and
financial worth, your failure to do so
will be to your disgrace as you will
be checked and finally listed.

The committee has had a heavy
task to perform, and a great amount
of work was involved in order to get
a complete list of our people. If you
have been overlooked you can find
blank at any of our city banks.
Have no hesitation in filing these
cards as a very small committee will
have access to them. In addition the
members of the committee will be
under oath not to divulge the information
therein given, I as chairman
keep these cards as a sacred trust
and when the need of them is past
will destroy them.

I ask all our citizens to help
expedite the work by following the fore
going suggestions.

Several of the committeemen from
the county precincts have reported
their work as almost completed; the
people with very few exceptions will
ingly give the desired information.

One gentleman from the vicinity
of Hemingford personally told me yesterday
that he wanted \$5000 of the
coming bond issue; and I might say
in this connection that he was born
under another flag than "Old Glory."
But this patriotism is more than lip-
service, the country that gave him a
home and an opportunity he is willing
to back with his last dollar, he is
not counting the per-cent but nobly
doing his duty for the land of his
adoption.

The quota for this country will be
announced in a short time, and
subscriptions will be received after April
6th. The bonds will pay 4 1/2 per
cent. Let us all be ready to do our
share, each person as she or he has
prospered remember that the sacrifice
in comparison with that of the young
man who has gone to his country's
call, in money value he gets a small
wage with his life in the balance.
Young men—who are placed in
deferred classifications, who are enjoying
good wages, a comfortable
home, the pleasures of life,—think
of the men who are standing between
you and the vendals who are aiming
to wreck our cherished ideals and
civilization. Buy bonds until you can
square your conscience with your
duty to your country.

Our quota must be raised, there-
fore let us not delay but as soon as
possible after April 6th let each citizen
do his duty, if you have failed
to do an honest citizen's duty in the
past bond sales, redeem yourself in
this bond issue.

To those who anticipate playing the
slackers part in the coming bond
sale, a word of warning will not be
amiss—don't hug the delusion that
you can escape your duty to our
government—a remedy is already provided
and this committee will not hesitate
to put the machinery in motion.

Let us all get in line without ill
will, raise our quota in a short time
and prove to the world that we value
our heritage and will defend it with
our money or lives if necessary.

Nebraska has done her part nobly
so far. Our purchase of War Savings
Stamps is ahead of any state in the
union, she is a grand old state. Let
us resolve to keep her in the front, a
beacon to those whose purse strings
are tight—we can only do so if every
county in the State will do its duty.
Let Box Butte County arise to the
occasion and put our quota "Over The
Top" in short order.

Robert Graham,
Chairman.

FIVE PETITIONS CITY COUNCIL

There are only five candidates who
have filed petitions to date for being
put on the ballot for Councilmen. The
only competition is in the second
ward between O. C. Moore and John
Snyder.
