NOTICE TO VOTERS.

The undersigned citizens feels it to be its duty to state that the candidates for judges, who are candidates for re-election, have in the past betrayed the interests of their constituents, and have aided the encroachments of corporate money upon public rights, by which alone the wealth of the nations is being rapidly concentrated in few hands, while the masses are made poor and dependent.

SENATOR HOGAN,
SENATOR SCHERMERHORN,
SENATOR LAWSON of Brooklyn,
SENATOR BIRDSALL of Queens and Suffolk Counties.

The League makes no war against corporate rights—only against abuses. It will have no candidates of its own nor act much against any candidate so long as existing parties nominate men who will not serve corporations in office, but it proposes to keep a record of the acts of every Legislator, and let the people know when they have been faithless. We know that money will be lavishly spent to influence voters for the Monopoly Candidates, and they may be elected, but the Anti-Monopoly League have no intention when it points out their record and gives voters a chance to scratch the names of such candidates from their ballots, or, better yet, to vote for the candidates opposed to them.

Respectfully, &c.,

THE ANTI-MONOPOLY LEAGUE.

I. E. CHITTENDEN, President.

PETER COOPER, JOHN H. REAGAN, H. M. PLAISTED, } Vice-Presidents.

F. B. THURBER, Treasurer.

HENRY NICHOLS, Secretary.

P. S.—Two names upon the Republican State ticket are utterly unworthy of support. JAMES W. HUSTED, the candidate for State Treasurer, has probably done more than any other Legislator during the past few years to advance legislation calculated to tax the many for the benefit of the few. SILAS SEYMOUR, the Republican candidate for State Engineer and Surveyor, served the railroads when he was Railroad Commissioner, and Horace Greeley defeated his nomination for State Engineer and Surveyor in 1857 by showing that he was too intimate with contractors. Citizens will perform a patriotic duty by voting against all of the above-named candidates.

FOR CIVIL JUSTICE IN 1ST AND 8TH ASSEMBLY DISTRICTS, DENIS QUINN.
A STRONG ENDORSEMENT.

The undersigned, being desirous of securing COMPETENT and TRUSTWORTHY Judges in our courts, earnestly recommend the election of DENIS QUINN, Esq., who is duly nominated as a candidate for the office of Justice of the First Judicial District Court. His long experience in that office, the duties of which he has performed with commendable ability, his education and many years' practice as a lawyer, and his well-deserved reputation as an HONEST man present him to his fellow citizens in every respect worthy of their suffrages.

SENATOR HOGAN'S WAY.

The Anti-Monopoly League submits the following interesting affidavit as another illustration of how Monopoly Candidates will fight. Will voters support such men?

New York, Nov. 5, 1881.

City and County of New York, ss.:

John G. Boyd, being duly sworn, doth depose and say: I am not nor never have been an Orangeman; that I know no organization known as Prentice Lodge, nor William McIlntyre, or William D. Gideon, whose names are attached to an Orangeman's circular recently issued, enclosing a Boyd ballot, and purporting to recommend me, and I verily believe that said circular has been issued in the interest of Senator Hogan, who is my opposing candidate for State Senator, and who takes this method of endeavoring to raise prejudice against me. I hereby brand this as an utter falsehood.

JOHN GILMORE BOYD,
Anti-Monopoly Candidate for Senator,
Fifth District.

Sworn to before me this 5th day of November, 1881.

FREDERICK EDEN, Notary Public.

FOR JUSTICE OF THE MARINE COURT
REGULAR REPUBLICAN NOMINATION.

Having received the unanimous nomination of the County Convention for Justice of the Marine Court, I respectfully ask the vote and the influence of my fellow citizens in support of my candidacy.

I was born in this city, and am a graduate of the College of the City of New York of the class of 1860, and also of the Columbia College Law School of the class of 1862, and am a member of the law firm of Matthews, Hyatt & Rappallo (21 Cortlandt st.), and claim to possess the requisite attainments for the high position to which I have been nominated.

With permission, I respectfully call attention to the following endorsement:

"Columbia College Law School,
"8 Gr. at. Jones st.,
"New York, Oct. 20, 1881.

"Dear Sir: I am well acquainted with Mr. Stephen Burdett Hyatt of this city. He is a graduate of this Law School, as well as of the College of the City of New York, and a member of the Bar for sixteen years.

"Learning that he is a candidate for a Judgeship in the Marine Court, I take pleasure in saying that I think him extremely well qualified for the place. He was an excellent student while here, and has as a practitioner fulfilled his early promise. It would be a credit to the Republican party, to my judgment, if he should be nominated. With much esteem, yours truly,

"To RODORE D. DWIGHT.
"CHARLES N. TAINTOR, Esq., Chairman, &c."

Very respectfully,
STEPHEN BURDETT HYATT.
